No limit to number of entries

6. There is no limit on the number of entries a subscriber may make in a powerball lotto draw.

(a) select —

- (i) 5 numbers out of the numbers 1 to 45 in the upper section; and

(2) If payment with a postal entry is tendered by cheque, the Commission is under no duty to issue a receipted ticket until that cheque has been cleared.

(3) Where the amount tendered with a postal entry is insufficient to enable the requested number of games or systems entries to be entered (but is sufficient to enter the minimum number of games), the Commission must enter the entry in the maximum number of games or systems entries that can be entered using the amount tendered, and refund any balance to the subscriber.

(4) If one or more of the game boards on a postal entry contains too many selected numbers in the upper section or the powerball section the Commission may ignore the highest selected number or numbers in that panel when producing a receipted ticket from that entry coupon.

(5) If one or more of the game boards on a postal entry contains too few selected numbers, the Commission may —

- (a) ignore the game boards with too few numbers and produce a receipted ticket from the remaining game boards; or
- (b) reject the entry,

and refund the balance to the subscriber.

(6) If a postal entry is bent or creased to the extent that a computer terminal will not accept or correctly read the coupon, the Commission may produce a receipted ticket that reflects the Commission's determination of the subscriber's intentions as shown by the entry.

(7) If a request for entry is received by the Commission by mail, together with the correct payment, but an entry coupon is not enclosed, the Commission may produce a receipted ticket that reflects the request as if it were an oral request.

(8) If a postal entry is specified as being an entry in one or more specified powerball lotto draws the Commission must —

- (a) enter the entry in draw or draws requested; or
- (b) if the selling period for one or more of the specified draws has passed, enter the entry in the requested number of powerball lotto draws commencing with the next powerball lotto draw for which the selling period has not finished.

(9) The Commission is not responsible for the security or loss of a receipted ticket after it has been posted.

Receipted tickets

11. (1) Where a person gives to an agent an entry coupon completed in accordance with these rules and makes the appropriate payment, the agent must use that entry coupon to generate a receipted ticket or tickets and give it or them to the subscriber.

(2) Where a person makes an oral request for entry in accordance with these rules and makes the appropriate payment, the agent must generate a receipted ticket or tickets (with randomly selected numbers generated by computer) in accordance with the subscriber's instructions and give it or them to the subscriber.

(3) Where a subscriber enters a super 66 draw or draws and makes the appropriate payment, the agent must generate a separate receipted ticket for the super 66 entry and give it to the subscriber.

(4) Subject to rule 10, where a person posts an entry coupon, completed in accordance with these rules, to the Commission with the appropriate payment, the Commission must, when it receives that entry coupon, use that entry coupon to generate a receipted ticket or tickets and post it or them by ordinary mail to the subscriber at the return address accompanying the entry.

Surrender of receipted ticket

12. (1) A subscriber may surrender a receipted ticket for any reason —
- (a) to the selling point at which it was purchased;
 - (b) on the day on which it was purchased;
 - (c) prior to the close of the day's powerball lotto business for that selling point; and
 - (d) within the selling period for that ticket.

(2) If a subscriber surrenders a receipted ticket, the subscriber is entitled to a full refund from the agent or a further receipted ticket in exchange for the surrendered ticket.

Accuracy of receipted ticket

13. An agent who generates a receipted ticket by processing an entry form or as a result of an oral request for entry is under no duty to ensure that receipted ticket accurately reflects the entry coupon or request.

Validity of receipted ticket

14. (1) Subject to subrule (2), a receipted ticket is an acknowledgement by the Commission that it has accepted an entry, or a number of systems entries, as appearing on the ticket, in the numbered powerball lotto draw or draws and, where applicable, in the numbered super 66 draw or draws, shown on the ticket.

- (2) Subrule (1) does not apply to a receipted ticket that —
- (a) has been surrendered in accordance with rule 12;
 - (b) has, during the selling period prior to the relevant powerball lotto draw, been found to be invalid as a result of non-compliance with rule 8 (5) (b); or
 - (c) is forged or altered, or obtained as a direct result of fraud, by the subscriber or person claiming a prize.

PART 3 — GENERAL DUTIES OF COMMISSION**Powerball draws to be numbered**

15. (1) Each powerball lotto draw conducted by the Commission is to be identified with a "draw number".

(2) A super 66 draw has the same number as the Saturday lotto draw that takes place on the Saturday that the super 66 draw takes place.

Powerball lotto to be supervised

16. Powerball lotto is to be supervised in the manner determined by the Commission.

Publication of results

17. After each powerball lotto draw the Commission must publish, in a daily newspaper in this State —

- (a) the “draw number” for that powerball lotto draw;
- (b) the 5 winning numbers drawn from barrel A and the powerball number;
- (c) the prize pool for each division;
- (d) the amount allocated to a winning game in each division;
- (e) the validation period and the date after which division 1 prizes will be paid;
- (f) the amount, if any, to carry over as a jackpot to the division 1 prize pool for the next powerball lotto draw; and
- (g) the total prize pool for that powerball lotto draw.

Powerball Bloc prize pool and prize reserve fund

18. (1) The Commission must contribute 60% of all subscriptions received for each powerball lotto draw to a combined Powerball Bloc prize fund in accordance with the appropriate agreement.

(2) The contribution under subrule (1) are to be divided so that —

- (a) 57.5% of the Commission’s subscriptions go to the Powerball Bloc prize pool; and
- (b) the remaining 2.5% of the Commission’s subscriptions go to the Powerball Bloc prize reserve fund.

(3) The prize reserve fund may only be distributed as additional prize money, in such amounts and in such powerball lotto draws, as are agreed by the members of the Powerball Bloc.

PART 4 — POWERBALL LOTTO DRAW

Powerball lotto draw

19. A powerball lotto draw consists of the mechanical, equally random selection of —

- (a) 5 numbered balls from balls individually numbered from 1 to 45 inclusive from a barrel called “Barrel A”; and

- (b) one numbered ball from balls individually numbered from 1 to 45 inclusive from a barrel called "the Powerball Barrel",

in a manner and using such equipment as the Commission determines.

Criteria for powerball lotto prizes

20. In a powerball lotto draw the holder of a receipted ticket wins —

- (a) division 1, if 5 winning numbers from barrel A and the powerball number;
- (b) division 2, if 5 winning numbers from barrel A;
- (c) division 3, if any 4 of the 5 winning numbers from barrel A and the powerball number;
- (d) division 4, if any 3 of the 5 winning numbers from barrel A and the powerball number;
- (e) division 5, if any 4 of the 5 winning numbers from barrel A;
- (f) division 6, if any 2 of the 5 winning numbers from barrel A and the powerball number; or
- (g) division 7, if any 3 of the winning numbers from barrel A,

are selected in the one game.

Only systems entry can win in more than one division

21. (1) The holder of a receipted ticket may claim a prize in only one division for each powerball lotto game entered with that ticket.

(2) The holder of a receipted ticket which contains a systems entry may claim a prize in one division for each notional game making up that systems entry, resulting in prizes in more than one division for that entry as set out in Schedule 3.

Distribution of lotto prize pool

22. (1) The Commission must distribute the prize pool for a powerball lotto draw as follows —

- (a) division 1 — 37.5% of the prize pool;
- (b) division 2 — 14.0% of the prize pool;
- (c) division 3 — 6.4% of the prize pool;
- (d) division 4 — 5.0% of the prize pool;
- (e) division 5 — 2.8% of the prize pool;

(f) division 6 — 12.5% of the prize pool; and

(g) division 7 — 21.8% of the prize pool.

(2) The prize pool for a division is to be divided equally between the winning games in that division.

(3) The Commission may round off the individual entitlement for a prize in a division (other than division 1) to the nearest sum containing a 5 cent multiple.

(4) Where a rounding off takes place under subrule (3), the Commission may adjust the prize pool for division 1 to ensure that the whole of the prize pool for that draw is distributed.

Division 1 jackpot

23. (1) If no one claims a division 1 prize in a particular powerball lotto draw, then the division 1 prize pool for that draw (calculated without any prize reserve fund augmentation) is to be added to, and then forms part of, the division 1 prize pool for the next powerball lotto draw.

(2) If no one claims a division 1 prize for 25 consecutive powerball lotto jackpot draws (ie. a total of 26 consecutive draws), the accumulated division 1 prize pool in that 25th jackpot draw is to be added to the division 2 prize pool in that draw.

(3) If a division 1 prize pool is to be distributed to division 2 winners, the prize money is still treated as a division 1 prize for the purposes of claiming and payment of prizes.

Division 2 - 6 prize pools may go to next lower division

24. If no one wins a prize in division 2, 3, 4, 5 or 6 in a particular powerball lotto draw, then the prize pool for that division is to be added to the prize pool for the next lower division in which there is at least one winner in that powerball lotto draw.

Bonus draws and guaranteed prize pools

25. (1) The Commission may from time to time declare a powerball lotto draw to be a "Bonus" draw and fix a minimum guaranteed prize pool for division 1 in that draw.

(2) The Commission may add all or part of the prize reserve fund to the division 1 prize pool in a "Bonus" draw to increase the division 1 prize pool to the guaranteed amount and any amount so added forms part of that prize pool.

(3) Where a "Bonus" draw is declared under this rule, and a jackpot division 1 prize coincides with that draw, the Commission may elect to reduce the augmentation under subrule (2) by the amount of the jackpot.

(4) If —

- (a) no one claims a division 1 prize in a Bonus draw; and
- (b) all or part of the prize reserve fund would have to have been used to increase the division 1 prize pool to a guaranteed amount had there been a division 1 winner,

the amount of the reserve that would have been so used is to be returned to the prize reserve fund and is not to be counted when calculating the jackpot prize pool for the next powerball lotto draw.

Division 1 prizes

26. (1) To claim a division 1 prize in a powerball lotto draw the holder of a winning receipted ticket must present it at the Commission's head office within the payout period for that draw.

(2) Subject to subrule (3), a division 1 prize in a powerball lotto draw is to be paid —

- (a) by the Commission;
- (b) by cheque or in any other manner determined by the Commission;
- (c) after the validation period for that draw.

(3) Where a division 1 winning receipted ticket is presented to the Commission and details set out in the space provided on the receipted ticket for the prize winners details are not sufficient to establish —

- (a) the identity of the prize winner;
- (b) the name and address of the person to be paid; and
- (c) if multiple names and addresses appear on the ticket, which of the named people is to be paid,

the Commission may —

- (d) accept the claim but refuse to pay the prize until it is satisfied of the details referred to in paragraphs (a), (b) and (c);
- (e) where multiple names and addresses appear on the ticket, accept the claim and pay the prize to the person whose name appears first; or
- (f) reject the claim.

(4) In order to satisfy itself of the details referred to in subrule (3) (a), (b) and (c), the Commission may request a statutory declaration containing such information as it may require as to the identity of the prize winner and person to be paid.

(5) Where the holder of a receipted ticket wins a division 1 prize in a powerball lotto draw and one or more other prizes on the same ticket, none of those prizes are to be paid until after the validation period for that draw.

Division 2 prizes

27. (1) To claim a division 2 prize in a powerball lotto draw the holder of a winning receipted ticket must present it to the Commission or an authorized payout centre within the payout period for that draw.

(2) A division 2 prize is to be paid —

- (a) by the Commission or an authorized payout centre;
- (b) by cheque or in any other manner determined by the Commission;
- (c) to the holder of the winning receipted ticket; and
- (d) after the receipted ticket is presented to the Commission or authorized payout centre.

Division 3, 4, 5, 6 and 7 prizes

28. (1) To claim a division 3, 4, 5, 6 or 7 prize in a powerball lotto draw the holder of a winning receipted ticket must present it to an agent within the payout period for that draw.

- (iii) after the receipted ticket is presented to the Commission, authorized payout centre or agent;

or

(b) if it is more than \$500 —

- (i) by the Commission, an authorized payout centre or an agent who has been authorized by the Commission to pay prizes over \$500;
- (ii) by cheque or in any other manner determined by the Commission; and
- (iii) after the receipted ticket is presented to the Commission, authorized payout centre or authorized agent.

Commission may require a statutory declaration

29. (1) Before paying any prize the Commission may require the holder of a receipted ticket to complete a statutory declaration stating that the person has not, or is not to that person's knowledge part of a syndicate which has, acted in a manner contrary to the Act or these rules in relation to a receipted ticket.

(2) If the holder of a receipted ticket refuses or fails to provide a statutory declaration when required to do so, the Commission may refuse to pay a prize to that person.

Publication of names and addresses of prize winners

30. The Commission may publish the name and address of any prize recipient unless the back of the winning receipted ticket is marked to indicate that the person's name and address is not for publication.

Player Registration Service

31. (1) A "Player Registration Service" (PRS) number —

- (a) is a number which may be used to identify a receipted ticket as being held by the subscriber to whom that number has been issued; and

(2) An agent must issue a PRS number to a subscriber on receipt of —

- (a) a request from the subscriber including the subscriber's name and address; and
- (b) payment of \$2.50.

(3) Notwithstanding these rules, where a winning receipted ticket is endorsed with a PRS number the Commission must —

- (a) if the ticket is presented within 5 weeks after the draw, pay the prize in the manner set out in these rules; or
- (b) if the prize is not claimed and paid under paragraph (a) —
 - (i) forward the prize to the subscriber's address in the form of a cheque; or
 - (ii) pay the prize to the subscriber in any other manner determined by the Commission.

(4) If the Commission pays a prize in respect of a receipted ticket bearing a PRS number to the subscriber whose name corresponds to that PRS number, the Commission is discharged from any further obligation in relation to that prize, despite any conflicting information that the Commission may have or receive in relation to the entitlement of that person to the prize.

PART 5 — MISCELLANEOUS
