LG601**BUSH FIRES ACT 1954***City of Bayswater*

Firebreak Notice

Notice to All Land Owners and Occupiers of Land within the City of Bayswater

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before 30 November 1996 (or within fourteen days of the date of your becoming the owner or occupier should this be after the 30 November 1996) and thereafter up to and including 31 March 1997, to have a firebreak clear of all flammable materials at least 3 metres wide immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer, not later than 15 November 1996 for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice. The penalty for failing to comply with this notice is a fine or not more than \$1 000.00, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

Burning off within the City of Bayswater is prohibited under the provisions of Local Laws and the Environmental Protection Act. All clearing of bush and disposal of waste should be carried out by methods other than burning.

By Order of the Council,

MARIO J. CAROSELLA, Chief Executive Officer.

LG602**BUSH FIRES ACT 1954***City of Cockburn*

To All Owners and Occupiers of Land within the City of Cockburn

Take notice that pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the 15th November 1996, to clear fire breaks of all Flammable material (which included vegetation). The fire breaks are to be not less than three (3) metre wide on land more than 1012 square metres or a fire break of not less than one (1) metre on land less than 1012 square metres (Urban or Urban Deferred) and thereafter to maintain the fire breaks clear of all flammable material up to and including the 14th day of March 1997—

1. Firebreaks are to be situated immediately inside all external boundaries of the land and;
2. Immediately surrounding all buildings or groups of buildings, haystacks and fuel ramps and dumps.

If you consider it to be impractical for any reason to clear fire breaks as required by this notice, you may apply in writing for a variation to Council or its duly authorised officer not later than 31st October 1996. If permission is not granted by the Council or duly authorised officer, you shall comply with the requirements of this notice.

If the requirements of this notice are carried by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

Note: The Restricted Burning Periods for all of the City of Cockburn (permit to burn required) are—

2nd November 1996 to 14 December 1996 and 15th March 1997 to 30th April 1997

The Prohibited Burning Period for all of the City of Cockburn (burning strictly prohibited) is—

15th December 1996 to 14th March 1997.

It is the responsibility of the owner or occupier of the land to ensure that fire breaks have been constructed and maintained. The penalty for failing to comply with this notice is a fine not exceeding \$1000 and the person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed if not carried out by the owner or occupier by the date required by this notice.

Council may issue a special order for further work to be done as necessary to make the property safe.

If there is any doubt of your responsibilities for either Fire Breaks or burning off contact the City of Cockburn Rangers department of 411 3402 or 411 3403.

R. W. BROWN, Chief Executive Officer.

LG603**BUSH FIRES ACT 1954***Shire of Swan***FIRE BREAK ORDER**

Notice to owners and/or occupiers of land in the Shire of Swan

Pursuant to section 33 of the Bush Fires Act 1954 you are hereby required on or before the 2nd November 1996, or within fourteen days of the date you becoming owner or occupier should this occur after the 2nd November 1996, to remove from the land owned or occupied by you, all inflammable material or to clear firebreaks in accordance with the following requirements and thereafter to maintain the land or the firebreaks clear of inflammable material up to and including the 31st day of March, 1997.

GENERAL

1. Where the area of land is less than 100 hectares, clear and maintain firebreaks at least 3 metres wide immediately inside all external boundaries of the land and immediately surrounding all buildings on the land.
2. Where the area of land is greater than 100 hectares, clear and maintain firebreaks—
 - (a) at least 3 metres wide immediately inside all external boundaries of the land and immediately surrounding all buildings on the land, and
 - (b) at least 3 metres wide in such a position so as to divide the land into the areas not exceeding 100 hectares, with each area to be enclosed by such a firebreak.

FUEL DUMPS

On all land where fuel drum ramps are located and where fuel dumps, whether containing fuel or not, are stored, clear and maintain a firebreak at least four metres wide around any drum, ramp or stack of drums.

HAY STACKS

Clear and maintain a firebreak at least 3 metres wide completely surrounding any hay stack on the land, within 60 metres of the hay stack.

PINE PLANTATIONS

1. Clear and maintain a firebreak at least 10 metre wide—
 - (a) immediately surrounding any area of land on which pine trees are planted,
 - (b) along the boundary of those portions of pine plantations which adjoin a formed public road; and
 - (c) in such positions so that the area of pine plantation bounded by each firebreak does not exceed 200 hectares.

In addition, to the firebreaks required by this notice, pine plantations traversed by Western Power transmission lines have additional obligations under the State Energy Commission Act.

BURNING

The requirements of this notice to provide a firebreak, other than an alternative or strategic firebreak may be carried out by burning. That burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

ALTERNATIVE FIREBREAKS

1. (a) Should you consider it to be impracticable for any reason to clear firebreaks or remove inflammable material from the land as required by this notice, you may apply to the Council in writing on or before the 15th October, 1996, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted in writing by the Council prior to 2nd November 1996 you shall comply with the requirements of this notice.
- (b) When written permission to provide alternative firebreaks has been granted, you shall—
 - (i) comply with all conditions endorsed on the permit.
 - (ii) provide firebreaks at least 3 metres wide in the agreed positions(s) on the land.
2. (a) Where the Council has, in writing, approved a Fire Management Plan and the Fire Management Plan depicts an array of alternative firebreaks, an owner may as an alternative to the construction of a general firebreak, elect to provide the alternative firebreak depicted on the Bushfire Management Plan. However, where the alternative firebreak is not constructed by the date required by this notice, the general firebreak requirements shall apply.
- (b) Any alternative firebreak provided for under (c) above shall be of the same width requirements as that applicable to a general firebreak but shall be limited to the extent and location depicted on the Bushfire Management Plan.

STRATEGIC FIREBREAKS

- (a) Where, under an agreement with the Council, or where depicted on an approved Bushfire Management Plan, strategic firebreaks are required to be provided on the land you are required to clear and maintain firebreaks at least 6 metres wide in the agreed position.
- (b) Strategic firebreaks shall be graded to provide a continuous trafficable surface (suitable for 4 wheel drive vehicles) at least 4 metres wide unimpeded by obstructions including boundary or dividing fences unless fitted with approved gates.

FIREBREAK CONSTRUCTION

Without affecting the generality of any other provision herein requiring trafficable firebreaks, all firebreaks required by this order on properties greater than 5 hectares in area shall be constructed and maintained in a condition trafficable by 4 wheel drive vehicles. Overhanging trees abutting firebreaks shall be pruned to minimise accumulation of litter and to allow unimpeded access to vehicles up to 4 metres high.

By Order of the Council,

E. W. T. LUMSDEN, Chief Executive Officer.
