SCHEDULE OF MODIFICATIONS REQUIRED BY THE HON MINISTER FOR PLANNING—CITY OF CANNING TOWN PLANNING SCHEME NO. 17A

The Hon Minister for Planning has granted approval for the City of Canning Town Planning Scheme No. 17A to be advertised for public inspection subject to the following Schedule of Modifications being advertised con-jointly with the Scheme. The Schedule identifies those areas of the Scheme requiring modification. Public submissions may be made both on the contents of the Scheme and the Schedule of Modifications.

SCHEME MAP

It is not apparent why the existing commercial and some of the other non-residential areas are included in the Scheme particularly as there does not appear to be any Scheme obligations that need to be satisfied should there be further development, redevelopment or subdivision of these sites. Similarly certain land parcels are designated under the Scheme for landuses that are currently not permitted under the district zoning scheme which may be viewed as fettering the rezoning process given the Scheme states that development in the Scheme Area should generally be in accordance with the Scheme Map. The Scheme should be modified accordingly.

SCHEME TEXT

1. All reference to "Local Authority" to be corrected to "Local Government".
2. Clause 3.1.2 to be deleted as being superfluous in view of the Commission's powers to determined subdivisions on merit and Clause 3.1.1 which indicates that the Scheme Map forms a "basis for subdivision and development".
3. Clause 3.1.3 to be modified to reflect the Minister for Planning's decision in respect of Amendment No. 5 to TPS No. 17.
4. In Clause 3.1.5. the word "may" in each instance to be replaced with the word "shall" and delete reference to the Commission.
5. In Clause 3.2.1. delete "s" from the word "owners" in line 4.
6. In Clause 3.2.2 modify line 6 to read "the land made available for that road, way, and pedestrian access way..."
7. In Clause 3.2.3 the relevance of the date 1st July 1985, needs to be established. The retrospective nature of this clause raises doubts concerning application and implementation which should be clarified.
8. In Clause 3.2.4 modify lines 4 and 5 by inserting the word "way" after the word "road".
9. In Clause 3.2.7 delete the word "shall" in line 3 and substitute the word "may" and in line 4 add the words "may be required" after the word "and".
10. In Clause 3.3.2 delete the words "or any part".
11. In Clause 3.3.3 the public open space should be transferred to the Crown not to the City. Due regard should be given to existing Clause 18 of TPS No. 17 in this instance.
In "(c)" of this clause add the words "if the owner(s) so agrees" between the words "or" and "transfer".
12. Clause 3.3.5 should be modified to state that a public open space contribution will not be required for subdivision of land that is not zoned for residential purposes under the district zoning scheme.
13. In Clause 3.3.10 the relevance of the date 18 February 1994 needs to be established.
After the word "located" in line 5 add the words "by all reasonable means".
14. In Clause 4.3.2 the Scheme should not fetter the arbitration process. The provisions should be deleted.
15. In Clause 4.4 add the word "Commercial" between the words "the" and "Arbitration".
16. In Clause 4.5.1 remove the capital from the word "Carrying".
17. In Clause 4.5.1 (g) add ", subdivision" after the word "resumption" in line 10 and add the words "and development" after the word "subdivision" in line 12.
18. The need for and relevance of Clause 4.5.2 in terms of the Scheme should be established.

PUBLIC SECTOR MANAGEMENT ACT 1994

CHIEF EXECUTIVE OFFICER APPOINTMENTS

The Government of Western Australia is keen to ensure that chief executive officers of all public service departments and agencies, are the most suitable for the position. I have therefore decided that it is generally preferable to advertise chief executive officer positions at the expiry of existing appointments, to ensure that competitive and merit-based appointments are made. This approach should not, however, be seen as a reflection upon the capacity of current chief executive officers whose terms of appointment have expired. I expect that present occupants will, in most cases, wish to apply for appointment to advertised positions.

Having received and considered relevant advice in respect of the chief executive officer listed below, I, Richard Fairfax Court, Minister for Public Sector Management, notify that I have not recommended the reappointment of—

Agency	Title	Name of Current Occupant
Fisheries Department of Western Australia	Chief Executive Officer	Mr Peter Rogers

I shall soon be requesting the Commissioner for Public Sector Standards to act to enable the filling of this vacancy.

RICHARD COURT, Premier and Minister for
Public Sector Management.
