All dwelling houses and effluent disposal systems shall be developed within the building envelope depicted on the Subdivision Guide Plan. Council may upon application from a lot owner agree to vary the building envelope providing it can be demonstrated to the satisfaction of Council that the new location is environmentally feasible.</li> <li>4. In order to conserve the landscape, trees and other indigenous vegetation shall not be felled or cleared without the prior written approval of the Council except where required for the erection of a single house, outbuildings, effluent disposal system, access ways, fences and firebreaks.</li> <li>5. No dam shall be constructed without the written approval of Council.</li> <li>6. No dwelling or buildings shall be constructed within 15 m of a lot boundary unless the Council approves a lesser distance; that is, if Council is of the opinion that (i) the topography or shape of the lot, or the natural flora upon it makes it desirable to alter this provision, and (ii) that the location of the building will not detract from the environmental quality of the area or from the amenity of existing or future residences on adjoining lots.</li> <li>7. Firebreaks shall be established and maintained to the specifications and satisfaction of the Council.</li> <li>8. With the intention of preventing overstocking or other practices detrimental to the amenity of the zone, the breeding or keeping of animals shall not be permitted without the approval in writing of Council. In considering any applications for breeding or keeping of stock, Council will be guided by advice from Agriculture Western Australia. Notwithstanding the above, in cases where stocking approval has been given but where environmental problems develop, Council, after consultation with Agriculture</li> </ol>

## (A) Specified Land

## (B) Special Provisions Relating to (A)

Western Australia, may take appropriate action to ban or reduce the stocking of animals. Individual landowners shall be responsible for organising and meeting all costs associated with obtaining advice from Agriculture Western Australia where the keeping of any stock is proposed.

9. Council may impose limits on the keeping of live-stock temporarily, seasonally or permanently.
10. The tree preservation and wetland area shown on Lot 7 in the Subdivision Guide Plan certified by the Shire Clerk being fenced so as to exclude stock and being managed by the prospective landowners(s) in accordance with Environmental Protection Authority guidelines so as to protect and conserve the tree preservation and wetland area.
11. The Subdivider shall make arrangements satisfactory to the Council to ensure that the prospective purchasers(s) of Lot 7 is/are advised of the management responsibilities inherent in the Environmental Planning Authority guidelines for the tree preservation and wetland area on that property.
12. No dwelling shall be approved by Council unless it is connected to an alternative domestic wastewater treatment system with an adequate phosphorous retention capacity, as approved by the Health Department of Western Australia, and with the base of the system or modified irrigation area being above the highest known water table to the satisfaction of the Council.
13. The Council will facilitate discussions between landowners and the Bush Fires Board with a view to locating firebreaks where they will prevent the spread of fire without adverse effects upon the landscape of the area.
14. A fuel free zone, clear of all flammable materials/vegetation to a distance of 20 metres is required around all buildings.
15. To assist in reducing nutrient discharge, minimising land erosion potential and to improve visual amenity, the subdivider shall be required to implement a landscape planting programme to the satisfaction of the Council.
16. All drainage from internal roads and domestic surfaces shall be disposed of onsite in a manner deemed environmentally acceptable to Council.
17. Prior to the sale of any subdivided lots, the subdivider shall erect a sign in a prominent place to inform prospective purchasers of these Special Provisions relating to the land.
18. The subdivider shall make arrangements satisfactory to the Council to ensure that prospective purchasers of the lots are advised that no reticulated water can be provided by the Water Authority of Western Australia.
19. Each dwelling shall be provided with a supply of potable water from a roof catchment of not less than 120m<sup>2</sup> in project plan area, connected to a storage tank with a minimum capacity of 92,000 litres.
20. All fencing shall be of open post and rail or post and wire construction and shall be maintained to the satisfaction of the Council."

**METROPOLITAN REGION TOWN PLANNING SCHEME ACT**  
**DECLARATION OF PLANNING CONTROL AREA NO. 36**  
**RAILWAY ACCESS TO ROCKINGHAM CITY**  
**CITY OF ROCKINGHAM**

File: 835-2-28-6  
 410-2-28-2

#### GENERAL DESCRIPTION

The Hon Minister for Planning has granted approval to the declaration of a Planning Control Area over land identified for railway purposes in Rockingham, as shown on Western Australian Planning Commission Plan No. 2.0759.

#### PURPOSE OF THE PLANNING CONTROL AREA

The Commission considers that this Planning Control Area is required to protect the opportunity for the future extension of the South West Corridor Rapid Transit rail line into and through the centre of Rockingham City. It wishes to ensure that no development occurs on this land which might prejudice this purpose until it is reserved in the Metropolitan Region Scheme.

#### DURATION AND EFFECTS

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000, and, in the case of a continuing offence a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.

#### WHERE THE PLANNING CONTROL AREA IS AVAILABLE FOR PUBLIC INSPECTION

1. Ministry for Planning, 1st floor 469 Wellington Street, Perth WA.
2. J S Battye Library, Alexander Library Building, Cultural Centre, Northbridge WA.
3. Municipal office of the City of Rockingham, corner of Civic Boulevard and Simpson Avenue, Rockingham WA
