FISH RESOURCES MANAGEMENT ACT 1994
NORTHERN DEMERSAL SCALEFISH INTERIM MANAGED FISHERY
MANAGEMENT PLAN 1997

FD 640/97 [150]

Made by the Minister under section 54.

Citation

1. This plan may be cited as the *Northern Demersal Scalefish Interim Managed Fishery Management Plan 1997*.

Commencement

2. This Plan will commence operation on 1 January 1998.

Cessation

3. This Plan will cease to have effect on 31 December 1999.

Interpretation

4. In this management plan, unless the contrary intention appears—
 - “ALC” means an Automatic Location Communicator;
 - “approved directions for use” means the directions for use of an ALC—
 - (a) as specified in the regulations; or
 - (b) given by the Executive Director in a notice in writing to the master of an authorised boat or the holder of a permit;

“authorised boat” means—

- (a) a licensed fishing boat, the name, licensed fishing boat number and length of which are specified in a permit; or
- (b) a boat specified in a written authority under regulation 132 where that boat is to be used in place of a boat described in (a);

“Commonwealth Fishing Boat Licence” means a licence issued pursuant to section 9 of the *Fisheries Act 1952* of the Commonwealth;

“Commonwealth Fishing Permit” means a fishing permit issued pursuant to section 32 of the *Fisheries Management Act 1991* of the Commonwealth;

“day” means a period of 24 hours or part thereof;

“demersal line” means a dropline, longline or handline;

“demersal scalefish” means any fish of the Families—Lutjanidae;
Lethrinidae;
Serranidae;
Nemiptetidae;
Haemulidae; and
Labridae;

“dropline” means a fishing line which is weighted at one end and which has not less than 6 hooks and not more than 30 hooks attached;

“exhausted” means the authority to use a fish trap or line which is conferred by a permit and expressed in terms of fish trap units or line units has been exercised in full in respect of the entitlement arising from—

- (a) the total number of fish trap units specified on the permit; or
 - (b) the total number of line units specified on the permit,
- as the case may be;

“Fishery” means the Northern Demersal Scalefish Interim Managed Fishery;

“fish trap” means—any device used for taking fish other than a hook and line, trawl net, gillnet, haul net, purse seine net, or rock lobster pot as defined in the *Fish Resources Management Regulations 1995*;

“fish trap/day” means one fish trap that may be used for one day;

“fishing boat licence” means a licence referred to in regulation 117 of the regulations;

“gear” means—

- (a) a fish trap;
- (b) a dropline; or
- (c) a handline;

“handline” means a fishing line weighted at one end with not more than 6 hooks attached;

“KGBMF licence” means a managed fishery licence which authorises the holder to take fish in the Kimberley Gillnet and Barramundi Managed Fishery as identified in the *Kimberley Gillnet and Barramundi Management Plan 1989*;

“Kimberley Demersal Line Interim Managed Fishery” means the Fishery identified in the *Kimberley Demersal Line Interim Managed Fishery Management Plan 1995* published in the *Gazette* of 19 December 1995;

“licensed fishing boat number” has the same meaning as defined in the regulations;

“licensing period” means the period from 1 January in any year to 31 December in the same year;

“line” means a handline or a dropline;

“line/day” means one handline or dropline that may be used for one day;

“longline” means a main line anchored to the sea bed at both ends and at intervals along its length, to which hooks or branch lines with hooks are attached;

“measured length” means the measured length of the authorised boat as defined by and determined in accordance with the Department of Transport Instruction to Surveyors notice 7/87 (reworked 1994) effective 21 September 1994 as reworked or superseded from time to time;

“nominated fishing day” is a day on which a person intends to exercise the entitlement arising from a fish trap unit or a line unit conferred by a permit;

“nomination to fish” is a notification sent to the Fisheries Department Office in Broome via ALC in accordance with directions for use as specified in the regulations;

“permit” means an interim managed fishery permit which authorises a person to fish in the Fishery;

“port area” means the area within 2 nautical miles of the areas described in Schedule 4;

“reel” means a device used to store, carry, set or haul any gear;

“regulations” means the *Fish Resources Management Regulations 1995*;

“sacrificial latch” means a device which will unfailingly allow the door of a fish trap to open within seven days should that fish trap be submerged at sea for longer than seven continuous days;

“set” in relation to gear means to position or release, leave or allow to remain in the waters of the Fishery;

“shark” means the fish of that common name described by scientific classification opposite that name in column 2 of Schedule 7 of the regulations;

“statutory fishing return” means—

- (a) a written return made under and in accordance with section 18 of the *Fisheries Act 1905* and furnished to the Western Australian Fisheries Department;
- (b) a return made under and in accordance with regulation 64 of the regulations;
- (c) a “Northern and Western Non Trawl Fisheries Catch (Landings) Record” applicable to all fish species excluding tuna and billfish which was required by the *Fisheries Act 1952* (Commonwealth) or the *Fisheries Management Act 1991* (Commonwealth) as the case may be, to be completed by the holder of a Commonwealth Fishing Boat Licence or Commonwealth Fishing permit when fishing off the north coast of Western Australia east of 120° east longitude.

Procedure before amending this Plan

5. For the purposes of section 65 of the Act, the permit holders are the persons to be consulted before this management plan is amended or revoked.

Identification of the Fishery

6. The Fishery to which this Plan relates is the fishing for any species of demersal scalefish by the use of a fish trap or demersal line in the waters described in Schedule 1.

Zones of the Fishery

7. The Fishery is divided into Zones as described in Schedule 2.

Fishery an interim managed fishery

8. The Fishery is an interim managed fishery.

Persons prohibited from fishing in the Fishery

9. (1) Subject to subclause (2), a person must not fish in the Fishery other than—

- (a) in accordance with this Plan; and
- (b) under the authority of a permit.

(2) A person fishing in accordance with the Act for a non commercial purpose may fish in the waters described in Schedule 1.

Prohibition on fishing activities

10. A person shall not use or attempt to use a fish trap, handline or dropline in the waters described in Schedule 1 other than in accordance with this Plan.

Prohibition on selling, dealing in or purchasing demersal scalefish

11. A person must not sell, deal in or purchase any demersal scalefish taken from the Fishery unless the fish were taken by a person who holds a commercial fishing licence issued pursuant to the regulations and the fish were taken under the authority of a permit issued in accordance with this Plan and the Act.

Prohibited means of fishing in the Fishery

12. (1) A person must not fish in the Fishery by any means other than by a fish trap, handline or dropline.

(2) A person must not fish in Zone 1 by any means other than by handline.

(3) The master of an authorised boat being used to fish for demersal scalefish—

- (a) in Zone 1 must not permit more than five handlines to be used from that boat at any one time; or
- (b) in Zone 2 must not permit—
 - (i) more than five handlines or five droplines to be used from that boat at any one time; or
 - (ii) lines and fish traps to be carried on or used from that boat at any one time.

(4) A person, authorised to use fish traps or lines under the authority of a permit, when using lines to fish in the Fishery—

- (a) may leave the fish traps authorised to be used under the authority of that permit in an area of water specified in a notice (“a dump area”) in writing given by a fisheries officer to the holder of that permit;
- (b) must not leave any trap in any waters other than a dump area specified in a notice in writing given by a fisheries officer to the holder of that permit.

(5) A person must not leave fish traps in a dump area specified in a notice made under subclause (4) unless those fish traps are unbaited and the door of the fish trap is secured in the open position.

(6) The notice in writing referred to in subclause (4) may be repealed at any time or amended from time to time by a further notice in writing from a fisheries officer to the permit holder.

(7) A person fishing from an authorised boat in Zone 1 must not use a reel other than a manually powered reel to set or haul gear.

(8) A person must not use in the Fishery—

- (a) more than 5 handlines with more than six hooks attached to any handline; or

- (b) more than 5 droplines with more than 30 hooks attached to any dropline.
- (9) A person must not use any gear in the Fishery other than gear which is specified as authorised gear on the permit under the authority of which the person is fishing.
- (10) The master of an authorised boat must not permit the number of fish traps being—
 - (a) used in the Fishery from; and
 - (b) the number of fish traps being carried on,
 the authorised boat at any one time to be more than the number of fish traps which have been nominated in accordance with clause 29 for use on that boat at that time.
- (11) A person must not use fish traps in Zone 1 of the Fishery.
- (12) A person must not, in the Fishery, use, set or pull, or carry on board an authorised boat any fish traps or lines if those fish traps or lines do not have attached a surface float which—
 - (a) has a diameter of not less than 150 millimetres; and
 - (b) is branded or stamped with the initial letter and the licensed fishing boat number for the boat that is being used to fish in the Fishery, and each character of the brand or stamp must be legible and measure not less than 60 millimetres high and 10 millimetres wide.
- (13) Notwithstanding the provisions of subclause (12) a person may fish from an authorised boat by means of a handline or dropline without a surface float attached provided that handline or dropline is attached to the boat.
- (14) A person must not use a fish trap in the Fishery unless that fish trap—
 - (a) has an internal volume equal to or less than 2.25 cubic metres; and
 - (b) is fitted with a mesh which satisfies the specifications as described in subclause (16).
- (15) A person must not use a fish trap in the fishery after 1 January 1999 if that fish trap is not fitted with a sacrificial latch.
- (16) Each opening in the mesh of a fish trap shall be square with—
 - (a) each side of the square being not less than 50mm in length; and
 - (b) the measurement between diagonal corners of each square being not less than 70mm.

Use of boats

- 13. (1) A person shall not use a boat to fish in the Fishery unless the boat is an authorised boat.
- (2) The master of an authorised boat must not allow that boat to be in the waters of Zone 2 if the entitlement on the permit on which that boat is specified has been exhausted and there are lines or fish traps on board the boat.

Requirement to install an Automatic Location Communicator

- 14. (1) The Executive Director may from time to time by notice in writing direct the holder of—
 - (a) a permit which authorises the holder of that permit to fish in Zone 1 of the Fishery where the boat length specified on that permit is greater than 8 metres in measured length; or
 - (b) a permit which authorises the holder of that permit to fish in Zone 2 of the Fishery,
 to fit and maintain an approved ALC on the authorised boat specified on that permit.
- (2) Where an ALC is fitted in accordance with this clause the authority to fish conferred by a permit shall be of no effect unless that ALC has—
 - (a) been installed by an authorised installer in accordance with the approved specifications; and
 - (b) is being operated in accordance with the approved directions for use.
- (3) A reference to a Zone in the approved directions for use referred to in subclause (1) is a reference to a Zone as specified in Schedule 2.

Permitted and prohibited fishing areas

- 15. (1) Where the Executive Director is of the opinion that it is in the better interests of the Fishery to do so, the Executive Director, following consultation with the persons specified in clause 5, may by notice published in the *Gazette*—
 - (a) prohibit fishing in the Fishery or in any part of the Fishery;
 - (b) permit fishing in the Fishery or in any part of the Fishery.
- (2) A person must not fish in any part of the Fishery at a time when fishing in that part of the Fishery has been prohibited by a notice made under subclause (1).
- (3) The provisions of a notice made in accordance with subclause (1) may be made to apply at all times or at any specified time.
- (4) A person must not fish by fish trap or line in the waters described in Schedule 3.
- (5) A person must not fish under the authority of a permit in Zone 2 of the Fishery if the entitlement conferred by fish trap units or line units which are specified on that permit for that Zone have been exhausted.

Permits

- 16. (1) A permit may be a Class A permit or a Class B permit.
- (2) A Class A permit may authorise the holder to fish in Zone 1.
- (3) A Class B permit may authorise the holder to fish in Zone 2.

Criteria for a permit

17. (1) An applicant for a Class A permit must satisfy the Executive Director that—
- (a) (i) he or she is the holder of—
 - (A) a current fishing boat licence and in respect of that licence, statutory fishing returns were furnished to the Department which recorded a catch of demersal scalefish in each of any five months in each calendar year commencing 1 January 1992 and ending 31 December 1995 in the waters described as Zone 1 in Schedule 2; and
 - (B) a current managed fishery licence which authorises the holder to fish in the Kimberley Gillnet and Barramundi Managed Fishery;
 - or
 - (ii) he or she is the holder of a current fishing boat licence and in respect of that fishing boat licence statutory fishing returns were furnished to the Department which recorded a catch of demersal scalefish by line in any five months in each calendar year commencing 1 January 1992 and ending 31 December 1995 in the waters described as Zone 1 in Schedule 2;
- (b) the fish referred to in (a) were recorded on statutory returns furnished to the Department prior to 31 March 1996; and
- (c) the applicant applies for a permit before 31 December 1997.
- (2) An applicant for a Class B permit must satisfy the Executive Director that—
- (a) (i) he or she is the holder of a current fishing boat licence; and
 - (ii) that licence is endorsed to permit the holder to take fish by the use of a fish trap in Western Australian waters off the north coast east of 120° east longitude.
- or
- (b) (i) he or she is the holder of a current fishing boat licence that does not permit the holder to take fish by the use of fish trap in WA waters off the north coast east of 120° east longitude;
 - (ii) during the 4 year period commencing 1 January 1992 and ending on 31 December 1995 he or she was the holder of a—
 - (A) Commonwealth Fishing Boat Licence;
 - (B) Commonwealth Fishing Permit;
 - (C) fishing boat licence issued under regulation 2 of the *Fisheries Regulations 1938*; or
 - (D) fishing boat licence,which, at the appropriate time permitted the holder of that licence or permit to fish by demersal line in the waters off the north coast of Western Australia east of 120° east longitude; and
 - (iii) under the authority of the licence referred to in (i) and the licence or permit referred to in (ii) fished not less than 3 out of those 4 calendar years and in statutory fishing returns recorded a catch of not less than 5000 kilograms of demersal scalefish by fish trap or demersal line in each of those 3 years;
- (c) the statutory fishing returns referred to in (b)(iii) were furnished to the Department, Commonwealth Australian Fishing Service or the Commonwealth Australian Fishing Management Authority (as the case may be) prior to 31 March 1996; and
- (d) the applicant applies for a permit before 31 December 1997.

Duration of permits

18. A permit expires on 31 December of the year for which it was issued.

Fees for application and issue of permits

19. (1) The fee set out in Part 1 of Schedule 5 opposite a particular type of application is the fee to be paid to make that application.
- (2) The fee set out in Part 2 of Schedule 5 is the fee to be paid in respect of the grant or renewal of that permit.

Items that may be specified on a permit

20. A permit granted or renewed in respect of the Fishery may specify the following -
- (a) name and business address of the holder of the permit;
 - (b) name of the licensed fishing boat, licensed fishing boat number and length of any licensed fishing boat which may be used for fishing in the Fishery under the authority of that permit;
 - (c) the permit number;
 - (d) the date of expiry of the permit;
 - (e) the name of the interim managed fishery to which the permit refers;
 - (f) the type of gear permitted to be used under the authority of the permit;
 - (g) the number of fish trap units or line units conferred by the permit;
 - (h) any conditions imposed on the permit.

Capacity of the Fishery

21. (1) The capacity of Zone 2 of the Fishery shall be limited to the maximum number of fish trap/days and line/days that the Executive Director determines before each licensing period may be used in the Fishery during the following licensing period.

(2) A determination made under subclause (1) in relation to the maximum number of fish trap/days may only be made after consultation by the Executive Director with the persons specified in clause 5 and advice from the Department's Director Research Services and shall be calculated using the following formula—

$$\frac{A}{B} = C$$

where

- A = the estimated Total Sustainable Catch, expressed in kilograms, of fish that may be taken by fish trap in Zone 2 of the Fishery;
- B = the estimated catching efficiency of a fish trap as determined by the Director of Research Services and expressed as kilograms taken per day per fish trap;
- C = the capacity expressed as the total number of fish trap/days that may be used in the Fishery during a licensing period.

(3) A determination made under subclause (1) in relation to the maximum number of line/days may only be made after consultation by the Executive Director with the persons specified in clause 5 and advice from the Department's Director Research Services and shall be calculated using the following formula—

$$\frac{A}{B} = C$$

where

- A = the estimated Total Sustainable Catch, expressed in kilograms, of fish that may be taken by line in Zone 2 of the Fishery;
- B = the catching efficiency of a line as determined by the Director of Research Services and expressed as kilograms taken per day per line;
- C = the capacity expressed as the total number of line/days that may be used in the Fishery during a licensing period.

(4) A determination made under subclause (1)—

- (a) must be published by the Executive Director in the Gazette within 14 days of the making of the determination;
- (b) may be made to take effect on gazettal or at a specified future time; and
- (c) revokes any previous determination.

Entitlement

22. (1) The authority to fish for demersal scalefish conferred by a Class B permit shall be limited by reference to a specified number of fish trap/days or line/days expressed in terms of fish trap units or line units.

(2) A person who satisfies the criteria specified in—

- (a) clause 17 (2), paragraphs (a), (c) and (d) may be granted a permit which specifies fish trap units;
- (b) clause 17 (2), paragraphs (b), (c) and (d) and is not the holder of a current fishing boat licence which authorises the holder to use fish traps in Western Australian waters off the north coast of Western Australia east of 120° east longitude, may be granted a permit which specifies line units or fish trap units; or
- (c) clause 17 (2), paragraphs (a), (c) and (d) and holds an interim managed fishery permit which authorises the holder to fish in the Kimberley Demersal Line Interim Managed Fishery may be granted a licence which specifies fish trap units or line units.

(3) The number of fish trap units that are to be allocated to and conferred by a permit when that permit is first granted shall be determined in accordance with the following formula—

$$\frac{C}{D} = E$$

where—

- C = The first determination of the capacity of the Fishery expressed as a number of fish trap/days determined in accordance with clause 21;
- D = The number of permits granted as at 1 January 1998 authorising the holder to use fish traps in the Fishery; and
- E = Number of fish trap units to be specified on a permit at the commencement of this Plan.

(4) The number of line units that are to be allocated and conferred by a permit when that permit is first issued shall be determined in accordance with the following formula—

$$\frac{C}{D} = E$$

where—

- C = Capacity of the Fishery expressed as a number of line/days determined in accordance with clause 21;
- D = The number of permits granted as at 1 January 1998 authorising the holder to use lines in Zone 2 of the Fishery; and
- E = Number of line units to be specified on a Class B permit at the commencement of this Plan.

(5) Any calculation made in accordance with subclause (3) or subclause (4) shall be rounded to the nearest whole number with 0.5 being rounded down.

Exercise of entitlement

23. (1) The entitlement conferred by a fish trap unit shall be exercised in full if the authorised boat specified on a permit that confers an entitlement to use fish traps is travelling in Zone 2 at less than 4 knots per hour for a period of not less than 15 consecutive minutes in any day as determined by a Fisheries Officer of the Fisheries Department.

(2) The entitlement conferred by a line unit shall be exercised in full if the authorised boat specified on a permit is travelling in Zone 2 at less than 4 knots per hour for a period of not less than 15 consecutive minutes in any day as determined by a Fisheries Officer of the Fisheries Department.

(3) Notwithstanding the provisions of subclause (1) a boat which is travelling at less than 4 knots per hour in a dump area as referred to in clause 12 shall not be taken to be used for fishing during the period it is in the dump area.

Unit values

24. (1) At the commencement of this Plan the extent of the entitlement arising from a fish trap unit shall be 1 fish trap/day which entitles the holder of a permit which specifies fish trap units to use 1 fish trap for one day for each fish trap/unit that is specified on the permit.

(2) At the commencement of this Plan the extent of the entitlement arising from a line unit shall be 1 line/day which entitles the holder of a permit which specifies line units to use 1 line for one day for each line unit specified on the permit.

(3) In any licensing period after 31 December 1998 when a Class B permit is renewed, the extent of the entitlement to fish arising from a fish trap unit or a line unit shall be limited by reference to an allocation of fish trap/days or line/days, as the case may be, as provided for in subclause (4) and subclause (5) respectively.

(4) The extent of the entitlement arising from a fish trap unit for each licensing period commencing on or after the licensing period commencing 1 January 1999 shall be determined using the following formula—

$$\frac{A}{B} = C$$

where

A = Total number of fish trap/days calculated from clause 21;

B = Total number of fish trap units in the Fishery; and

C = Value of a fish trap unit expressed as a number of fish trap days.

(5) The extent of the entitlement arising from a line unit for each licensing period commencing on or after the licensing period commencing 1 January 1999 shall be determined using the following formula

$$\frac{A}{B} = C$$

where

A = Total number of line/days calculated from clause 21;

B = Total number of line units in the Fishery; and

C = Value of line unit expressed as a number of line/days.

(6) Any calculation made in accordance with clauses (4) or (5) that does not result in a whole number shall be rounded down to the nearest whole number.

Bycatch of shark

25. (1) The maximum quantity of shark that the master of an authorised boat may be in possession of on that boat is two whole shark or parts of shark that may be determined to be in aggregate no more than 2 whole shark.

(2) If the fins of a shark have been removed from the shark then the trunk of the shark from which the fins were taken must be on board the boat while the fins from that shark are on that boat.

(3) A person must not mutilate, alter or disfigure any shark so that it will prevent the determination of the number of shark that are on an authorised boat.

(4) A person fishing from an authorised boat which already has two shark on that boat, must, on becoming aware of taking any further shark, take immediate steps to return the shark to its natural habitat with the least possible injury.

(5) For the purposes of subclause (1), the master of the authorised boat on which the shark are held or transported is to be taken to be in possession of the shark.

(6) For the purpose of this clause "trunk" means the body of a shark with either the head, viscera and fins removed or any combination of those three items removed.

Temporary transfer of entitlement

26. Where the holder of a Class B permit applies to transfer specified units for a limited period to the holder of another Class B permit and—

(a) the application is for a whole number of units; and

(b) the entitlement conferred by the specified units has not been exercised;

(c) the application refers to units which, at the time the application is received by the Executive Director, are not the subject of a nomination to fish as specified in clause 29, the Executive Director may transfer those units for a specified time.

Grounds for refusal to transfer entitlement

27. The Executive Director may refuse to transfer part of an entitlement from one permit to another permit if the proposed transfer is not for the transfer of a whole number of units.

Grounds to cancel a permit

28. It shall be grounds for the Executive Director to cancel—

- (a) a Class A permit if—
 - (i) the permit was granted under the criteria specified in clause 17(1)(a)(i) and the holder of that permit also ceases to hold a KGNBMF licence; or
 - (ii) the permit was granted under the criteria specified in clause 17(1)(b)(ii) and the holder of that permit ceases to hold the fishing boat licence that was used to satisfy the criteria specified in that clause; or
- (b) a Class B permit if the Executive Director transfers all the entitlement from that permit.

Nomination to fish

29. (1) A person must not allow an authorised boat, which is a boat specified on Class B permit, to be in the waters of Zone 2 unless a nomination to fish has been given and is in effect in accordance with this clause.

(2) A nomination must be made in accordance with any relevant requirement in the approved directions for use referred to in clause 14 and—

- (a) must be made before the authorised boat leaves a port area;
- (b) must be made only in relation to the intended fishing activities to be undertaken during that trip.

(3) A nomination must specify each day during which the holder of the permit intends to fish and the extent (by reference to the number of fish trap units or line units) to which the permit holder intends to fish during each day specified in the nomination.

(4) A nomination is only of effect where the minimum number of traps to be used is not less than 20.

(5) A new nomination is only of effect—

- (a) where the master of an authorised boat considers it appropriate to cease fishing and advises the Broome Regional Department Office—
 - (i) that he or she is ceasing fishing;
 - (ii) that fishing is ceasing on that nominated fishing day;
 - (iii) of the current position of the authorised boat in terms of latitude and longitude;
 - (iv) of the estimated weight and composition of fish on board the boat; and
 - (v) the intended destination and time of arrival of the boat; or
- (b) where the Executive Director considers that a new nomination is appropriate.

(6) For the purpose of determining the exercise of entitlement following a nomination to fish made in accordance with subclauses (1) and (2), fishing shall be taken to have commenced and the entitlement conferred by a fish trap unit or a line unit exercised in full when the boat—

- (a) is in the waters of Zone 2; and
- (b) is travelling at less than 4 knots per hour for more than 15 consecutive minutes in any day; and
- (c) is not in a dump area.

(7) The master of an authorised boat, on any day which is not a nominated fishing day in relation to that boat, must not allow that boat to be used to take fish by line or trap at any time in the waters of Zone 2 of the Fishery.

(10) For the purposes of this clause “new nomination” means a nomination which is intended to supersede a nomination made in accordance with subclauses (2) to (4) of this clause.

(11) If a new nomination refers to units that were the subject of a previous notification, the nomination is only of effect if the new nomination is made while the authorised boat specified on the relevant nomination is still in port.

Offences and major provisions

30. A person who contravenes a provision of clause 9, 10, 11, 12, 13, 14, 15, 25, 29(1), 29(2) or 29(7) commits an offence and for the purposes of section 75 of the Act these are major provisions.

Revocation

31. The *Kimberley Demersal Line Interim Managed Fishery Management Plan 1995* published in the Gazette of 19 December 1995 is revoked.

Schedule 1

Description of the Fishery

All Western Australian waters off the north coast of Western Australia east of 120° east longitude and north of 20° south latitude.

DOG ACT, 1976

City of South Perth

Local Law Relating to Dogs

No. 2 of 1997

In pursuance of the powers conferred upon it by the Local Government Act, 1995 and of all other powers enabling it, the Council of the City of South Perth hereby records having resolved on 26 November, 1997 to make the following Local Law :-

Short Title

1. This Local Law may be cited as the *Dog Local Law 1997*.

Commencement

2. This Local Law comes into operation fourteen days after the date of its publication in the *Government Gazette*.

Content and Intent

3. The purpose and intent of this Local Law is to provide for the control, registration, ownership and keeping of dogs within the district.

Repeal

4. The Local Law Relating to Dogs as published by Council in the *Government Gazette* on 29 August, 1980 as amended, and all of the Council's other Dog Local Laws are hereby repealed.

Definitions

5. In this Local Law, unless the context requires otherwise—

“Council” means the Council of the City of South Perth;

“district” means an area of the State that has been declared to be a district under the Local Government Act 1995, and includes for certain purposes provided for in this Act other areas which although not being within the boundaries of a district are regarded for those purposes as being part of the district;

“Dog Act” means the Dog Act 1976, as amended;

“person liable for the control of the dog” means each of the following—

- (a) the registered owner of the dog;
- (b) the owner of the dog;

- (c) the occupier of any premises where the dog is ordinarily kept or ordinarily permitted to live; or
- (d) a person who has the dog in his possession or under his control; but does not include—
- (e) a registered veterinary surgeon, or a person acting on his behalf, in the course of his professional practice; or
- (f) a police officer or other person acting under a statutory duty or in the administration of the Dog Act;

“public place” means any place to which the public has access; and

“authorised person” means a person who is appointed by a Council, to exercise powers on behalf of the Council, under section 29(1) of the Dog Act.

Pound

6. The Council may establish and maintain a pound or pounds for the impounding of dogs pursuant to the provisions of the Dog Act. The pound established by the Council on Reserve No. 26917 being part of Lot 3816 of Swan Location 40 within the district of the City of South Perth has been established as a pound.

Fees Chargeable

7. The fees to be charged to the owner of a dog when that dog is, pursuant to section 29 of the Dog Act—

- (a) seized and returned to the owner of the dog;
- (b) detained in the pound; and/or
- (c) destroyed

are those specified in the First Schedule hereto. Those fees shall be paid upon the return of the dog to the owner, upon release of the dog, or upon destruction of the dog, as the case may be.

Number of Dogs

8. An occupier of premises within the district shall not keep or permit to be kept on those premises more than two dogs over the age of three months and the young of those dogs under that age.

Prohibited Areas

9. A person liable for the control of a dog shall not permit that dog to enter or remain in any part of those portions of the district as set out in the Second Schedule hereto.

Dog Exercise Areas

10. The lands specified in the Fourth Schedule are designated as Dog Exercise Areas.

Dog Excreta

11. Any person liable for the control of a dog within the district shall remove the excreta of that dog from any street, public place or any land, unless otherwise permitted by the occupier of the land.

Penalties

12. (1) Any person who commits a breach of any provision of this Local Law commits an offence and shall upon conviction be liable to a penalty not exceeding \$2,000.00.

(2) The offences described in the Third Schedule are prescribed pursuant to section 51(b) and 51(c) of the Dog Act as offences in relation to which a modified penalty applies and the amount appearing directly opposite each such offence is the prescribed modified penalty payable in respect of that offence.

(3) (a) Where an authorised person has reason to believe that a person has committed an offence against this Local Law as prescribed in clause 13, he may serve on that person an infringement notice and the infringement notices issued under this Local Law shall be substantially in the form depicted in Form 7 of the First Schedule of the Dog Act Regulations, 1976.

(b) An infringement notice may be served on an alleged offender personally or by posting it to his address as ascertained from him, at the time of or immediately following the occurrence giving rise to the allegation of the offence, or as recorded by Council pursuant to the Dog Act.

(c) Where a person who receives an infringement notice fails to pay the prescribed penalty within the time specified in the notice, or within such further time as may in any particular case be allowed, he is deemed to have declined to have the allegation dealt with by way of a modified penalty.

(d) An alleged offender on whom an infringement notice has been served may, within the time specified in that notice or such further time as may in any particular case be allowed, send or deliver to the Council the amount of the prescribed penalty, with or without a reply as to the circumstances giving rise to the allegation, and the Council may thereupon—

- (i) appropriate that amount in satisfaction of the penalty and issue an acknowledgment; or
- (ii) withdraw the infringement notice and refund the amount so paid.

(e) An infringement notice may, whether or not the prescribed penalty has been paid, be withdrawn by the Council by sending a notice in the prescribed form to the alleged offender at the address specified in the notice or his last known place of residence or business.

(f) The prescribed form of Withdrawal of Infringement Notice issued under this Local Law shall be substantially in the form depicted in Form 8 of the First Schedule of the Dog Act Regulations, 1976.
