ENVIRONMENTAL PROTECTION

EP301*

Environmental Protection Act 1986

Environmental Protection (Belvoir Amphitheatre) Exemption Order 1999

Made by the Minister with the approval of the Governor in Executive Council under section 6 of the Act.

1. Citation

This order may be cited as the *Environmental Protection (Belvoir Amphitheatre) Exemption Order 1999*.

2. Definitions

In this order —

“**AS 1055.1-1989**” means the Australian Standard so designated, and as amended from time to time, that is published by the Standards Association of Australia, and includes a reference to an Australian Standard made in substitution for it;

“**Belvoir Amphitheatre**” means the venue of that name in the Shire of Swan, as indicated on the plan in Schedule 2, and includes the area of land adjacent to that venue indicated on that plan;

“**commencement**” means the day on which this order comes into operation;

“**concert**” means a musical, dance or vocal event held at the Belvoir Amphitheatre that has a duration of more than one hour;

“**dB**” means decibel;

“**Director**” means the Director of the Pollution Prevention Division of the Department of Environmental Protection, 141 St George’s Terrace, Perth, Western Australia;

“**L_{Aeq, 1 min}**” means the equivalent continuous A-weighted sound pressure level in decibels as specified in AS 1055.1-1989 determined over a measurement period of one minute with

sound level measuring equipment that complies with Schedule 4 to the Noise Regulations;

“**L_{Ceq, 1 min}**” means the equivalent continuous C-weighted sound pressure level in decibels as specified in AS 1055.1-1989 determined over a measurement period of one minute with sound level measuring equipment that complies with Schedule 4 to the Noise Regulations;

“**Noise Regulations**” means the *Environmental Protection (Noise) Regulations 1997*;

“**promotion**” means a musical, dance or vocal event held at the Belvoir Amphitheatre that has a duration of not more than one hour;

“**reporting period**” means (except in the first entry in the Table to clause 3(1) of Schedule 1) a period beginning on 1 July of each year and ending on the following 30 June during which this order is in operation;

“**sound level**”, in relation to a concert or promotion, means the level of noise emitted by the concert or promotion;

“**venue operator**” means Jingle Holdings Pty Ltd (ACN 009 244 660).

3. Declaration of exemption

- (1) Part V of the Act and, subject to clause 9 of Schedule 1, the Noise Regulations are declared not to apply to the sound levels produced by concerts and promotions held at the Belvoir Amphitheatre.
- (2) The declaration under subclause (1) is subject to the conditions specified in Part 2 of Schedule 1.

4. Requirement to comply with conditions

The venue operator is required to comply with the conditions specified in Part 2 of Schedule 1.

5. Review of order

The Minister is to carry out a review of the operation and effectiveness of this order —

- (a) in respect of the period from commencement to 30 June 1999; and
 - (b) in respect of each reporting period,
- within 3 months after the end of that period.

6. Revocation and repeal

The declaration under the *Environmental Protection (Belvoir Amphitheatre) Exemption Order 1997* is revoked, and that order is repealed.

Schedule 1 — Conditions of exemption

[cl. 3(2)]

Part 1 — Preliminary matters

1. Interpretation of certain references to concerts and promotions

Except in clauses 5(3), (4) and (6) and 10, a reference in this Schedule to a concert or promotion is taken to include a reference to any sound checking and testing, practising or rehearsing that takes place at the Belvoir Amphitheatre in connection with the concert or promotion.

2. Calculation of sound units

- (1) Except as stated in subclause (2), the number of sound units produced by a concert or promotion is, for the purposes of this Schedule, the aggregate of the sound units produced in each minute of the concert or promotion determined according to the $L_{Aeq, 1 \text{ min}}$ or $L_{Ceq, 1 \text{ min}}$ sound levels (whichever results in the greater number of sound units in respect of any sound level produced by the concert or promotion) as set out in Table 1 and Table 2 to this subclause.

Table 1

Sound level	Number of sound units produced in a minute
51 to 80 dB $L_{Aeq, 1 \text{ min}}$	0.017
81 to 85 dB $L_{Aeq, 1 \text{ min}}$	0.033
86 to 90 dB $L_{Aeq, 1 \text{ min}}$	0.067
91 to 95 dB $L_{Aeq, 1 \text{ min}}$	0.133
96 to 105 dB $L_{Aeq, 1 \text{ min}}$	0.267

Table 2

Sound level	Number of sound units produced in a minute
61 to 90 dB $L_{Ceq, 1 \text{ min}}$	0.017
91 to 95 dB $L_{Ceq, 1 \text{ min}}$	0.033
96 to 100 dB $L_{Ceq, 1 \text{ min}}$	0.067
101 to 105 dB $L_{Ceq, 1 \text{ min}}$	0.133
106 to 115 dB $L_{Ceq, 1 \text{ min}}$	0.267

- (2) The number of sound units produced in respect of any period during which a concert or promotion is held after 10 p.m. is double the number of sound units that would be produced for that period in accordance with subclause (1).

Part 2 — Conditions of exemption

3. Number, nature and frequency of concerts and promotions

- (1) Except as stated in subclauses (2) and (3), the venue operator is to ensure that concerts and promotions are programmed and held so that —
- (a) the number and nature of the concerts and promotions held during each reporting period are such that the number of sound units produced by them does not exceed the number specified for the period in column 2 of the Table to this subclause;
 - (b) concerts and promotions do not produce more than 200 sound units in any period of 14 days;
 - (c) concerts are not held on more than 2 consecutive days; and
 - (d) during the period from commencement to 30 June 1999, a concert or promotion during which more than 15% of the sound levels produced exceed the prescribed sound level is not held on more than 4 occasions.

Table

<i>Column 1</i>	<i>Column 2</i>
Reporting period	Maximum number of sound units
Commencement to 30 June 1999	240
1 July 1999 to 30 June 2000	820
1 July 2000 to 30 June 2001	900
1 July 2001 to 30 June 2002	900
1 July 2002 to 30 June 2003 (and each following reporting period)	900

- (2) The number of sound units produced in a reporting period may exceed the maximum specified in the Table to subclause (1) (or that maximum as reduced by the operation of subclause (3)), by no more than 72 sound units.
- (3) If subclause (2) applies in respect of a reporting period (the “**relevant reporting period**”), the number of sound units specified in the Table to subclause (1) in respect of the reporting period that follows the relevant reporting period is to be reduced by twice the number of sound units by which the maximum is exceeded in the relevant reporting period.
- (4) In subclause (1)(d) —
- “**the prescribed sound level**” means —
- (a) a $L_{Aeq, 1 \text{ min}}$ sound level of 95 dB; or
 - (b) a $L_{Ceq, 1 \text{ min}}$ sound level of 105 dB.

4. Appointment of approved persons for concerts and promotions

The venue operator —

- (a) is to appoint one or more persons, who are approved by the Director, to assist the venue operator in managing the sound levels produced by concerts and promotions;

- (b) is to ensure that at least one person who is approved under paragraph (a) is present at each concert or promotion and that one such person who is present at a concert or promotion is designated as the Manager for the purposes of that concert or promotion; and
- (c) is to ensure that it is a condition of the hire of the Belvoir Amphitheatre for a concert or promotion that the hirer is to allow the venue operator and the Manager to take any measures, in relation to managing the sound levels produced by the concert or promotion, that are necessary for compliance with this order.

5. Time and duration of concerts and promotions

- (1) The venue operator is to ensure that a concert does not begin before 10 a.m. or end after 11 p.m., except a concert that begins on 31 December may continue until 2 a.m. on 1 January.
- (2) The venue operator is to ensure that a promotion does not begin before 10 a.m. or end after 8 p.m.
- (3) The venue operator is to ensure that any sound checking and testing, practising or rehearsing (“**the preliminaries**”) that takes place in connection with a concert or promotion —
 - (a) has a duration that does not exceed 2 hours; and
 - (b) except as stated in subclause (4), takes place at a time that is as close as is practicable to the time when the concert or promotion is to begin.
- (4) If a concert or promotion is to begin on any day before 12 p.m., the preliminaries may, subject to subclause (3)(a), take place on the previous day between 12 p.m. and 6 p.m.
- (5) If the preliminaries do not take place during a continuous period, a period, other than a period referred to in subclause (6), during which the preliminaries are suspended is part of the duration of the preliminaries for the purposes of subclause (3)(a).
- (6) A period —
 - (a) during which the preliminaries are suspended because of bad weather or equipment failure; or
 - (b) between the end of the preliminaries and the beginning of the concert or promotion to which they relate,

is not part of the duration of the preliminaries for the purposes of subclause (3)(a).

6. Monitoring, measuring and recording of sound levels during concerts and promotions

- (1) The venue operator is to ensure that the $L_{Aeq, 1 \text{ min}}$ and $L_{Ceq, 1 \text{ min}}$ sound levels produced by a concert or promotion are monitored and, to the extent practicable, continuously measured during the concert or promotion.

- (2) The venue operator is to ensure that a permanent record, in a form approved by the Director, is made of the measurements taken under subclause (1).
- (3) The venue operator is to retain a record made under subclause (2) and is to give a copy of it, on written request, to the Director or the chief executive officer of the Shire of Swan.
- (4) Subject to subclause (5), the sound levels produced by a concert or promotion are to be monitored and measured from the sound mixing desk, which the venue operator is to ensure is not more than 30 metres from the primary speaker banks used for the purposes of the concert or promotion.
- (5) If the primary speaker banks are in 2 or more locations, the venue operator is to ensure that the sound levels are monitored and measured by a sound level meter positioned at each location not more than 30 metres from the speaker banks.
- (6) The venue operator is to ensure that the measuring microphone of each sound level meter used for monitoring and measuring sound levels produced at a concert or promotion is positioned between 2.2 and 2.5 metres above ground level.

7. Venue operator is to ensure sound levels do not exceed certain limits

- (1) The venue operator is to ensure that at a concert or promotion —
 - (a) the $L_{Aeq, 1 \text{ min}}$ sound levels produced do not exceed 105 dB and at least 85% of those sound levels do not exceed 100 dB; and
 - (b) the $L_{Ceq, 1 \text{ min}}$ sound levels produced do not exceed 115 dB and at least 85% of those sound levels do not exceed 110 dB.
- (2) For the purpose of determining sound levels under this clause, any noise from the audience at a concert or promotion, whether in the form of applauding or cheering or in any other form, is not taken into account.

8. Notice to be given if limits are exceeded

- (1) If a concert or promotion is held during which more than 15% of the sound levels produced exceed the prescribed sound level, the venue operator is to give notice, during normal business hours on the next working day after the concert or promotion is held, of the extent to which the sound levels produced by the concert or promotion exceeded the prescribed sound level to —
 - (a) the chief executive officer of the Shire of Swan; and
 - (b) the Director.
- (2) In subclause (1) —

“the prescribed sound level” means —

 - (a) a $L_{Aeq, 1 \text{ min}}$ sound level of 105 dB; or
 - (b) a $L_{Ceq, 1 \text{ min}}$ sound level of 115 dB.

9. Venue operator to ensure compliance of instruments

The venue operator is to ensure that an instrument used for the purpose of monitoring or measuring sound levels at a concert or promotion for the purposes of this order is calibrated in accordance with, and otherwise complies with, Schedule 4 to the Noise Regulations.

10. Advice to be given to nearby residents

(1) The venue operator is to give written notice to each household within one kilometre of the stage of the Belvoir Amphitheatre and to the Director and to the chief executive officer of the Shire of Swan —

- (a) during the period from 1 to 15 June of each year, of the times and dates when concerts and promotions are proposed to be held during the following period from 1 July to 31 December; and
- (b) during the period from 1 to 15 December of each year, of the times and dates when concerts and promotions are proposed to be held during the following period from 1 January to 30 June.

(2) A notice given under subclause (1) is to include a statement that —

- (a) any change to the time or date when a concert or promotion that is referred to in the notice is to be held;
- (b) any cancellation of a concert or promotion that is referred to in the notice; or
- (c) any additional concert or promotion that was not referred to in the notice,

will be advertised by the venue operator in *The Midland Echo* newspaper.

(3) The venue operator is to ensure that any change to the time or date when a concert or promotion is to be held, or the cancellation or addition of a concert or promotion, is advertised in the manner described in subclause (2) at least one week before —

- (a) the concert or promotion was proposed to be held, if the concert or promotion is to be held later than was proposed or has been cancelled; or
- (b) the concert or promotion is to be held, if the concert or promotion is to be held earlier than was proposed or is an additional concert or promotion.

11. Venue operator to obtain report on construction of sound shell

- (1) The venue operator is to obtain a written report by a consulting engineer, approved by the Director, that examines the feasibility of the construction of a sound shell at the Belvoir Amphitheatre to reduce the level of the noise emissions received at residential premises within the vicinity of the Belvoir Amphitheatre from concerts and promotions.
- (2) The venue operator is to ensure that the report deals with —
 - (a) the design, acoustical characteristics and estimated cost of construction of a sound shell; and
 - (b) any other matters relating to the feasibility of the construction of a sound shell that are specified by the Director in writing to the venue operator.
- (3) The venue operator is liable for the cost of obtaining the report.
- (4) The venue operator is to submit the report to the Director by 30 June 1999.

12. Venue operator to give inspectors access to Belvoir Amphitheatre

- (1) The venue operator is to ensure that inspectors and their assistants are given access to all areas of the Belvoir Amphitheatre and its car parking facilities for the purposes of performing functions relating to the monitoring and measuring of sound levels produced by a concert or promotion.
- (2) In subclause (1) —

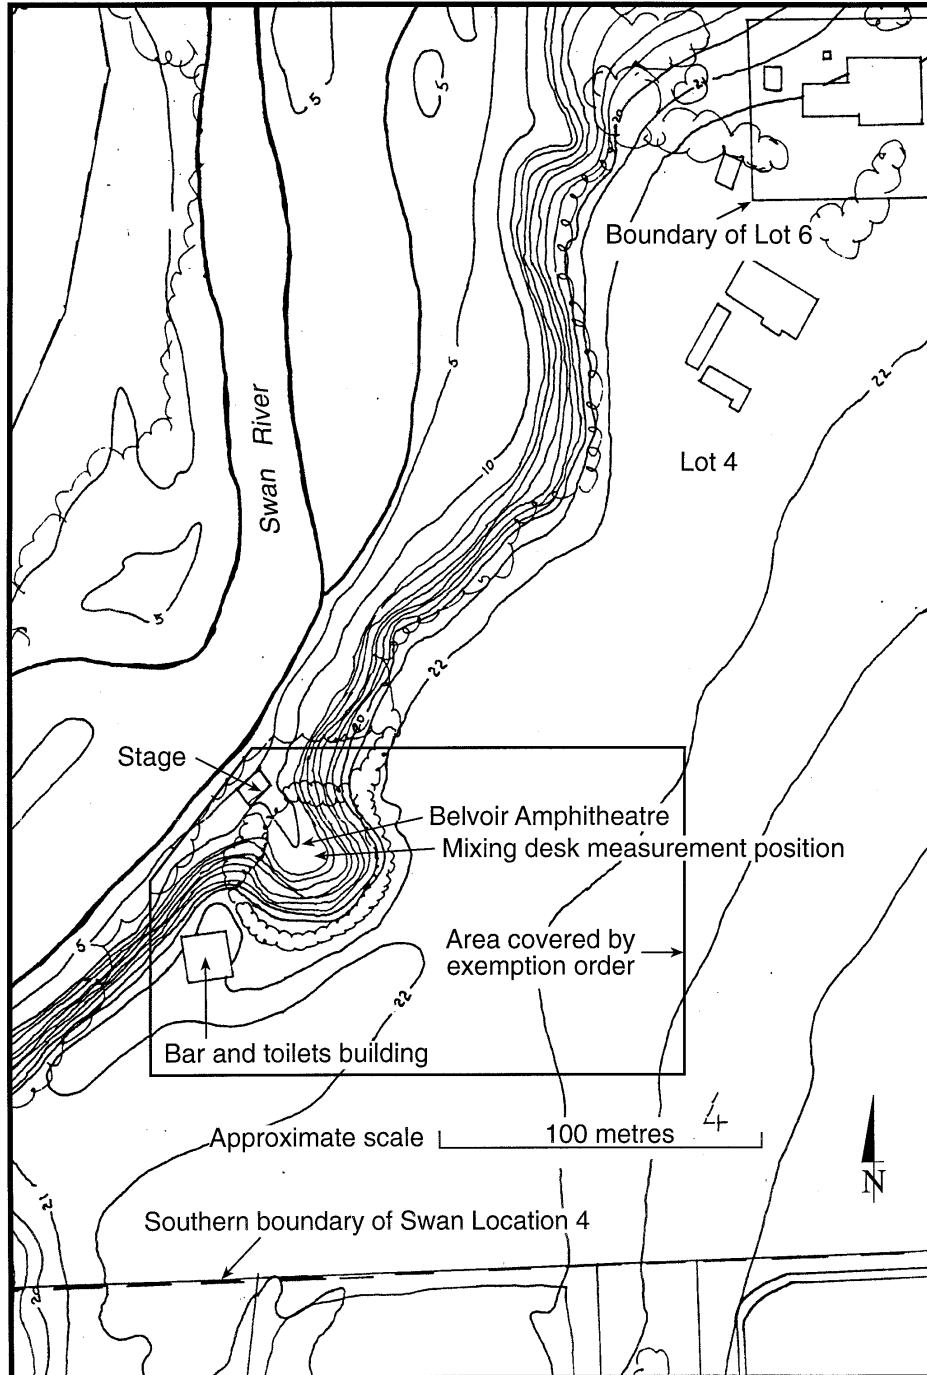

“inspectors” means inspectors appointed under section 88 of the Act or employed by the Shire of Swan.

13. Venue operator to report twice for each reporting period

- (1) The venue operator is to give 2 reports in respect of each reporting period to the Director and to the chief executive officer of the Shire of Swan.
- (2) The reports are to give details of the record made under clause 6(2) for, and the number of sound units produced by, each concert and each promotion held in the reporting period —
 - (a) for the purposes of the first report, during the period from 1 July to 30 December; and
 - (b) for the purposes of the second report, during the period from 1 January to 30 June.
- (3) The venue operator is to ensure that a report under this clause is given within one month after the period to which it applies.

Schedule 1 — Blood donor declaration

[r. 6]

There are some people in the community who **MUST NOT** give blood as it may transmit infections to people who receive it. So before you give blood we need you to answer some questions to ensure that it will be safe for people to be given your blood or blood products. The

following questions are a vital part of our effort to eliminate these diseases from the blood supply.

Even though there are a lot of questions they are all important and you need to answer every question on the form truthfully and to the best of your ability. Answering these questions truthfully is important because there are severe penalties including fines and/or imprisonment for giving false or misleading answers to any of the questions.

All donations of blood are tested for the presence of Hepatitis B and C, HIV 1 and 2 (AIDS virus), syphilis and HTLV I and II. Should your blood test be positive for any of these diseases or show a significantly abnormal result you will be notified.

DECLARATION

Thank you for answering the following questions.

If you are uncertain about how you should answer any of the questions please discuss your concerns with the interviewer.

You will be asked to sign this declaration in the presence of the interviewer once you have answered all the questions.

LAND ADMINISTRATION

LA401***LAND ADMINISTRATION ACT 1997****INSTRUMENT OF DELEGATION**

I, Doug Shave, MLA, Minister for Lands, acting in accordance with section 9 of the *Land Administration Act 1997*, hereby delegate to the Executive Director of Fisheries Western Australia my powers and duties under section 18 of the *Land Administration Act 1997*, subject to the following conditions—

A. Limited Extent of Delegation

- This delegation is limited to approving dealings over Crown land—
 - (i) for the purposes of the *Fish Resources Management Act 1994* and the *Pearling Act 1990*; or
 - (ii) the subject of a management order issued to the Minister for Fisheries pursuant to section 46 of the *Land Administration Act 1997*, or a vesting order issued to the Minister for Fisheries under section 33(2) of the *Land Act 1933*;
 - (iii) to the extent of the statutory power of the Minister for Fisheries to grant or deal in interests in such land;

(iv) in accordance with any terms and conditions of a management order issued under section 46 of the *Land Administration Act 1997* or a vesting order issued under section 33(2) of the *Land Act 1933*, and associated policies and law.

- This delegation does not extend to transfers in fee simple; assignments of vesting or management to other parties; or to leases for terms exceeding any limits specified in the Acts referred to in item (i) above or in any management order or vesting order issued in relation to the subject land.

B. Limited Term of Delegation

This delegation will only endure until—

- Legislation is enacted to exclude or modify the application of section 18 of the *Land Administration Act 1997* in relation (i) to Crown land subject to the provisions of, or tenures issued under, the *Fish Resources Management Act 1994* or the *Pearling Act 1990*, or (ii) to Crown land the subject of any management order or vesting order; or
- Existing management orders or vesting orders already issued in relation to the subject land are revoked and replaced by management orders issued under section 46 of the *Land Administration Act 1997*, excluding the need for the approval of the Minister for Lands to dealings in the subject land.

4 February, 1999.

DOUG SHAVE, Minister for Lands; Fair Trading;
Parliamentary and Electoral Affairs.

MEDICAL BOARD

MH401**MEDICAL ACT 1894**

IN THE MATTER OF A HEARING IN RELATION TO THE APPLICATION FOR
RE-REGISTRATION FOR DR WAYNE WILLIAM BRADSHAW

Date Heard: 15 December 1998

Medical Board of Western Australia.

I advise the Medical Board held a meeting on 15 December 1998 to consider the application from Mr Bradshaw for re-registration as a medical practitioner.

The Board, after considering both a submission from Counsel assisting the Board and Counsel for Mr Bradshaw has ordered that Mr Bradshaw's name be restored the Medical Board Register subject to the following conditions—

1. Dr Bradshaw shall only practise medicine as an employee and not be engaged in solo practice or in partnership for a period of 6 months from 15 December 1998;
2. Dr Bradshaw shall practise under the supervision of a doctor or doctors approved by the Board in writing, who shall submit quarterly reports to the Board on the nature of the clinical work and on his standards of practise; and
3. Dr Bradshaw shall appear before the Board on a date to be fixed in or about 6 months time, to report on his progress to that date. The Board will then consider whether any further conditions should be imposed or whether the existing conditions should be relaxed. The Board will take into account Dr Bradshaw's participation in continuing medical education, attendance at seminars, lectures and other postgraduate activities.

By Order of the Medical Board of Western Australia,

SIMON M. HOOD, Registrar.

(a)
Location of Zone

(b)
Special Provisions

- (d) At the time of subdivision Council shall request the subdivider to prepare Building Design Guidelines to the satisfaction of Council. Building development on the land shall generally conform with the Building Design Guidelines adopted by the Council.
- (e) At the time of subdivision of the land into survey strata lots, building envelopes shall be established for each lot to Council's satisfaction. The building envelopes shall generally be setback no closer than 10 metres from the strata survey boundaries.
All buildings and structures shall be contained within these specified building envelopes. No relocation/extension of the building envelopes shall be permitted.
- (f) All dwellings shall be designed to incorporate energy efficient systems.
- (g) At the time of subdivision the subdivider shall make arrangements to the satisfaction of Council for storm water drainage, including nutrient stripping vegetation within detention basins.
- (h) At the time of subdivision of the land into survey strata lots, effluent disposal envelopes (indicating the location for any leach drains) shall be established for each lot to Council's satisfaction. In establishing the location of these envelopes the local topography and the location of leach drains on adjoining properties shall be taken into account. No extension/relocation of this envelope shall be permitted.
- (i) Prior to the occupation of any dwelling landowners are required to provide their own liquid and solid waste disposal systems to Council's and the Department of Health's specification and satisfaction. All leach drains will be required to be contained fully within the effluent disposal envelopes identified and approved by Council at the time of subdivision.
- (j) At the time of subdivision Council shall request the subdivider to—
- prepare a Fire Management Plan to the satisfaction of Council,
 - the subdivider shall make arrangements to the satisfaction of the Bush Fires Board and the Local Government for financial contributions towards the purchase of fire fighting equipment.
- (k) Boundary fencing shall be maintained so as to prevent the escape of stock.
- (l) Purchasers of strata lots shall be advised in writing by the subdivider that a farm operates on the neighbouring property to the east and require, the purchasers to acknowledge the existence of the farm and the "right to farm" the property by endorsing the written notice, a copy of which is to be lodged with Council.
- (m) The subdivider shall develop a Management Statement in consultation with the Council addressing the following issues—
- Building Design Guidelines
 - Keeping of Animals
 - Management of common land
 - Maintenance of private roads
 - Rubbish collection
 - Management of community centre and shop
 - Implementation of the Landscape Management Plan,

(a)
Location of Zone

(b)
Special Provisions

- Other issues as required by Council, and
 - Fire Management Plan.
- (n) The application of fertilisers on the land by either an individual property owner or the Body Corporate shall only be done in accordance with the Landscape Management Plan.
- (o) In addition to establishing and managing the arboretum, common areas on the property are to be managed as a farm as is currently the case with neighbouring properties. These activities entail the use of fertilisers, pesticides and herbicides, which, subject to other statutory controls, are permitted activities. However, the use of chemicals is to be minimised wherever possible and organic farming methods are the preferred solution.
- (p) At the time of subdivision Council shall request the subdivider to prepare a Landscape Management Plan taking into account soil types, land profiles, drainage, nutrient retention and fire hazards to the satisfaction of Council.
- (q) No trees or shrubs shall be felled or removed from the site except where—
- required for approved development works;
 - establishment of a fire break is required by regulation or by-law;
 - trees are diseased or dangerous, or
 - required by the approved Landscape Management Plan.
- (r) Tree planting in accordance with a Landscape Management Plan shall be undertaken on common property and strata lots by the developer prior to subdivision. The Landscape Management Plan shall thereafter be maintained and implemented by the Body Corporate.
- (s) Large grazing animals such as cattle and horses, with a propensity to damage vegetation and fencing shall not be permitted.
- (t) With the intention of preventing land degradation, Council may, with advice of Agriculture Western Australia, require reduction in stock numbers on the land.

7. Adding two new definitions to Schedule 1

—Interpretations—of the Scheme Text as follows—

- (a) Between the definitions of “Afforestation” and “Board” insert the following—
Arboretum—Means a garden of shrubbery and trees, especially of rare trees, planted and maintained for their aesthetic and scientific value.
- (b) Between the definitions for “Gazetted Date” and “Health Studio” insert the following—
Guesthouse—Means a building utilised for the purpose of providing holiday accommodation and typically offering full board for guests. The building would be characterised by individual suites which are serviced by centralised dining (not being a public restaurant) and other facilities. Suites would not be self contained and occupation would generally be reliant on services provided by management.

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act, 1928 (as amended) that the Hon Minister for Planning approved the Shire of Denmark Town Planning Scheme Amendment on 3 February, 1999 for the purpose of—

1. Rezoning Lot 60 Location 955 McLeod Road, Denmark from "Rural" to "Special Rural".
2. Amending the face of the Scheme Map accordingly.
3. Amending the Scheme Text by adding the following to Appendix 6—

18. Limbourne Road Special Rural Zone

(a) Denmark Lot 60 Location 955 McLeod Road, Denmark

(b) Rural Residential

Permitted Uses (P): Single House

Permitted at Council's Discretion (AA)—

- Home Occupation
 - Horticulture (floriculture) (see provision vi(a))
 - Holiday Accommodation (on the basis this is limited to accommodation which is solely within the existing dwelling)
- (c) (i) All subdivision within the zone shall be generally in accordance with the Subdivision Guide Plan (Plan No. 92/17/6) as signed by the Chief Executive Officer.
- (ii) No dwelling shall be constructed or approved for construction unless a minimum of 92,000 litre water storage tank and an approved method of effluent disposal has been incorporated into the approved plans, and no dwelling shall be considered fit for human habitation unless such supply of water and method of effluent disposal has been installed and is operating.
- (iii) (a) All buildings and effluent disposal systems within the zone shall be located within a defined building envelope of no greater than 3,000m², which has been selected and delineated on-site by the landowner, and approved by Council.
- (b) The location of the approved building envelope shall be such that—
- it has regard for the locations of building envelopes delineated on the Subdivision Guide Map.
 - no additional clearing or disturbance will take place within the Landscape Protection or Creekline Protection as defined on the Subdivision Guide Plan.
 - is consistent with the building setback areas referred to in by Clause 5.1 "Table 2—Development Standards".
 - the location of the building envelope and low fuel zones will not affect the Tree Preservation Areas defined on the Subdivision Guide Map.
 - the location of the building envelope will not detract from the environmental quality of the area or from the amenity of adjoining residences.
 - it has regard for the capability and suitability of the land.
- (c) In the event that a future landowner wishes to relocate a building envelope to a position different to that shown on the Subdivision Guide Plan, Council will require a revised landscaping plan to be submitted demonstrating suitable screening. Once approved by Council the plan is to be implemented by the landowner in accordance with Council's requirements.
- (d) All on-site effluent disposal systems shall be located no closer than 100 metres horizontal separation from the watercourse as defined on the Subdivision Guide Plan and 2m vertical separation from the highest known groundwater levels.
- (e) If an on-site effluent disposal system cannot achieve a 100m horizontal separation from a watercourse on the Subdivision Guide Plan, then Council will require, as a condition of building approval, that an approved alternative system be used to the specifications of the Health Department to be located no closer than 50 metres horizontal separation from the watercourses as defined on the Subdivision Guide Plan.
- (iv) (a) Within the Landscape Protection, Creekline Protection and Tree Preservation Areas defined on the Subdivision Guide Plan, no indigenous trees or substantial vegetation shall be felled or removed except where—
- trees are dead, diseased or dangerous;
 - the establishment of a fire access track is required under regulation or by-law.
- (b) The removal of indigenous trees or substantial vegetation for any purposes other than the above exceptions shall require the consent of Council, and as condition of granting consent, Council may require the planting and maintenance, for a period of at least 3 years, of endemic native trees of species and in locations approved by Council.

- (c) Council will not permit fencing along property boundaries where such fencing will go through the Landscape Protection, Creekline Protection or Tree Preservation Areas as defined on the Subdivision Guide Plan unless to comply with Provision (vi)(c).
- (v) (a) Council may request the Commission impose conditions at the time of subdivision which will ensure the implementation of those initiatives contained within the Bush Fire Management Plan included within the Amendment Report.
- (b) Bush fire facilities shall be constructed to a standard approved by Council in accordance with Council's "Standard of Fire Protection Guidelines" and may include a contribution to the upgrading of fire equipment.
- (c) Council shall require that individual landowners are responsible for the maintenance of a Strategic Firebreak where it crosses the landowner's lot.
- (d) Limited clearing may be required by Council around dwellings to establish low fuel zones. The size of each low fuel zone shall be determined by reference to the Bush Fire Management Plan. The low fuel zones shall be kept free of debris and maintained to a standard approved by Council and where required are not to intrude into the Tree or Creekline Preservation Areas.
- (e) Council may request the Commission to impose a condition at the time of subdivision requiring the subdivider to make arrangements to the satisfaction of Council to ensure prospective purchasers, in the transfer of lots, are aware of the fire management guidelines of the Homeowners Bushfire Survival Manual and the Australian Standard 3959-1991—"Construction of Buildings in Bushfire Prone Areas".
- (f) Council shall require the construction of unlocked gates where fences cross the Strategic Firebreak to the specifications and satisfaction of the Bush Fires Board in accordance with the Bush Fire Management Plan.
- (vi) (a) With the intention of preventing agricultural practices detrimental to the amenity of the land, rural pursuits and the keeping of animals for commercial gain shall not be permitted without the approval in writing of Council. The Council may impose limits on stocking or any other conditions in the light of prevailing seasonal conditions.
- (b) Council will only permit the keeping of animals in areas that area already substantially cleared and pastured so as not to conflict with Clause (iv).
- (c) Council will impose fencing requirements as a condition of its approval to protect substantive vegetation in the Landscape Protection, Creekline Protection and Tree Preservation Areas as defined on the Subdivision Guide Plan.
- (d) Provision of an adequate water supply to the stock will also be required as a condition of approval to keep stock.
- (vii) (a) Council will request the Commission impose a condition at the time of subdivision that requires the preparation of a Landscape Plan for the site.
- (b) The Council will require the planting and maintenance, for a period of at least 3 years, of the Landscape Protection and Creekline Protection Areas as defined on the Subdivision Guide Plan, using endemic native trees of species and in locations approved by Council as shown on the Landscape Plan which will be required as a condition of subdivision.
- (c) Commencement of development within the Landscape Protection and Creekline Protection Areas as defined on the Subdivision Guide Plan shall require the prior approval of Council. Development shall be deemed to include preclusion of Riparian rights by damming, diversion or other impediment to water flow, regarding the natural banks, clearing and construction of bridges, fencing or any form of marine structure.
- (viii) (a) All buildings and water tanks constructed within the zone shall be sympathetic to existing landscape elements (namely landform and vegetation) in terms of their design, materials and colour.
- (b) All buildings and water tanks shall be constructed of roof and external wall materials, comprising earth brown or green vegetation colours or finishes.
- (c) All residential buildings shall be single storey except where it can be proved to Council that a variation to the height restriction would not adversely affect the visual amenity of the locality from McLeod Road Tourist Route.
- (d) All buildings and water tanks shall be sited to maximise the natural screening effect of vegetation and topography.
- (e) Proposals to vary the height restrictions pursuant to Special Provision viii(c) shall be accompanied by such plans, elevations and sketches as is determined by the Council to assess the effect on the visual amenity and the natural screening effect of vegetation and topography including any proposed landscaping.
- (ix) Council may request the Commission impose a condition at the time of subdivision requiring a Drainage and Nutrient Management Plan to be prepared and implemented that addresses the drainage requirements on the site and addresses impacts on local water regions for both during the subdivision construction phase and upon completion of the works.

- (x) Council may request the Commission to improve a condition at the time of subdivision requiring the battleaxe leg be constructed, paved and drained to the satisfaction of Council.
- (xi) Any proposed clearing of roadside vegetation for the provision of underground/overhead power to the total site to be developed as part of connection to the reticulated network, will require the prior consent of Council or alternative location of such servicing infrastructure so as to avoid the loss of vegetation.
- (xii) The subdivider making arrangements to the satisfaction of Council to ensure prospective purchasers and successors in title are aware that general farming and intensive agricultural pursuits are conducted adjacent to the site and in the area generally and all current and future landuses and development within this zone shall be designed and conducted in such a manner so as to not create conflict with these landuses and adversely impact on the rural amenity of the area
- (xiii) A surveyor's plan (pre-calculated drawing) shall be lodged with Council prior to the clearance of diagrams of survey and show Landscape Protection, Creekline Protection and Tree Preservation Areas, Strategic Firebreaks, .01 metre PAW and roads and drains as proposed and as required by Council for approval.

PD405***METROPOLITAN REGION TOWN PLANNING SCHEME ACT**NOTICE OF PROPOSED AMENDMENT (SECTION 33A) TO THE METROPOLITAN
REGION SCHEMETO CLARIFY THE APPROVAL REQUIREMENTS UNDER THE METROPOLITAN REGION
SCHEME FOR DEVELOPMENT BY A PUBLIC AUTHORITY

Amendment No.: 1009/33A.

File No. 833-2-1-32

PROPOSAL

The Metropolitan Region Scheme text is proposed to be amended pursuant to Section 33A of the Metropolitan Region Town Planning Scheme Act, to address an anomaly regarding approval for development by public authorities on land reserved under the Metropolitan Region Scheme.

DESCRIPTION

Clause 16 of the Metropolitan Region Scheme text is to be amended by inserting the additional words underlined—

- “(1) Reserved land owned by or vested in a public authority may, except as provided in sub-clause (2) of this clause, be used or developed without the written approval of the Commission referred to in Clause 13 if the land is used or developed—
- (a) for the purpose for which it is reserved under this Scheme;
 - (b) for any purpose for which it is was lawfully used before coming into force of this Scheme; or
 - (c) for any purpose for which the land may be lawfully used or developed by the public authority.
- (2) Reserved land owned by or vested in a public authority may be used or developed for any other purpose approved by the Commission with or without conditions”.

CERTIFICATE

The Western Australian Planning Commission hereby certifies that, in its opinion, the amendment does not constitute a substantial alteration to the Metropolitan Region Scheme.

EXHIBITION

The proposed amendment will be exhibited for public comment during normal office hours at—

1. Office of the Ministry for Planning, 469 Wellington Street, PERTH
2. All metropolitan local Council offices.
3. JS Battye Library, Alexander Library Building, Francis Street, NORTHBRIDGE
