 - 1.3 In Clause 5.3.3.4 add as a new paragraph—
Add after the words 'Scheme Map' in Clause 5.3.3.4 the words "or Development Guide Plan approved in accordance with the provisions of Clause 5.10 of the Scheme".

1.4 After Clause 5.9 add—

5.10 DALYELLUP DEVELOPMENT ZONE

5.10.1 Objective

The Dalyellup Development Zone is an interim zoning for land, which has previously been recognised as having potential for urban development in the Bunbury Wellington Region Plan and the Greater Bunbury Structure Plan. Council's objective is to provide for future urban development after comprehensive planning by means of preparation of an outline development plan. It is intended that land in this zone shall be progressively developed for residential purposes and for commercial, community and other use normally associated with residential estates. The zone is designed to be flexible in nature so as to overcome the inherent problems associated with detailed zoning of land prior to lot boundaries being established by subdivision.

5.10.2 Objectives for Urban Design in the Dalyellup Beach Estate—

- (a) To provide for the development of a functional and cohesive community consistent with the orderly and proper planning and in the interest of the amenity of the Estate,
- (b) To provide an appropriate mixture of lot sizes and dwelling types in order to promote a diverse community in an attractive built environment,
- (c) To integrate strong linear open space linkages into the subdivision design based upon existing vegetation,
- (d) To implement a clearly defined road hierarchy and pedestrian movement system which provides high levels of access to all areas within the Estate and to provide good connectivity to surrounding localities,
- (e) To provide appropriate retail, service commercial, commercial and community facilities to service the needs of the residents of the Estate with a view to integrating such facilities to maximise convenience,
- (f) To ensure that the built and natural environment of the Estate is developed and managed in a sustainable manner to provide quality lifestyle opportunities for the residents; and
- (g) Have regard to the Estates coastal position in the design of the subdivision.

5.10.3 Development Approval

No development shall be approved within the Dalyellup Development Zone unless it is generally in accordance with an approved Outline Development Plan approved by the Council and the Western Australian Planning Commission.

The provisions of Clause 5.1 DEVELOPMENT OF LAND apply in the Dalyellup Development Zone. Permitted uses of land are those uses nominated on the approved Outline Development Plan.

5.10.4 Subdivision

Prior to making recommendations to the Western Australian Planning Commission on subdivision applications the Council shall have approved an Outline Development Plan.

5.10.5 Outline Development Plan Requirements

An Outline Development Plan may comprise of a plan, diagram or report, or a combination of these, in such detail as determined by Council, to demonstrate that the land can be developed in a coordinated and orderly manner consistent with regional and district planning objectives. 5.10.10 Outline Development Plan Refinement

Council may require the preparation or further Outline Development Plans for any area notwithstanding that an Outline Development Plan may exist for that area. Such a plan may be a refinement of an existing plan and shall be read in conjunction with it. When a further Outline Development is required it shall be prepared and adopted in accordance with the provisions of Clauses 5.10.5 to 5.10.8 (inclusive).

5.10.11 Appeal

Where an applicant, having lodged an Outline Development Plan with Council or the Western Australian Planning Commission, is aggrieved by the Council or the Commission—
