Soil and Land Conservation Act 1945

# Soil and Land Conservation Amendment Regulations 1999

Made by the Governor in Executive Council.

**1. Citation**

These regulations may be cited as the *Soil and Land Conservation Amendment Regulations 1999*.

**2. Commencement**

These regulations come into operation on the day on which the *Soil and Land Conservation Amendment Act 1999* comes into operation.

**3. Regulation 7 replaced by regulations 7 to 13**

Regulation 7 of the *Soil and Land Conservation Regulations 1992*\* is repealed and the following regulations are inserted instead —

“

**7. Steps to be taken before service charge imposed**

For the purposes of section 25A(8) the steps to be taken by the district committee of a soil conservation district before recommending to the Minister that a service charge be imposed for that district are —

- (a) that one or more public meetings in accordance with regulations 8, 9 and 10 be held; and
- (b) that consultation with local government in accordance with regulation 11 be undertaken.

## 8. Public meeting

- (1) A public meeting is to be held at a place within the district which is —
  - (a) reasonably accessible to the persons who would be liable to pay the proposed service charge;
  - (b) of a sufficient capacity to hold the number of persons reasonably expected to attend the meeting.
- (2) The district committee is to cause notice of a public meeting to be given not more than 4 weeks and not less than 2 weeks before the date of the proposed meeting in a newspaper circulating in the district.
- (3) The district committee is to give to all affected local governments not less than 6 weeks' notice in writing of the public meeting.
- (4) The notices referred to in subregulations (2) and (3) are to —
  - (a) specify the soil conservation purpose for which the service charge is proposed to be imposed;
  - (b) specify the category of persons who will be affected by the proposed service charge; and
  - (c) outline the purpose of the meeting.
- (5) A local government which receives a notice under subregulation (3) is to exhibit a copy of the notice to the public on a notice board at the local government's offices.
- (6) In this regulation and in regulations 9 and 10 —  
**“affected local government”** means a local government in which land on which it is proposed to impose a service charge is situated.

## 9. Procedure at public meeting

- (1) The chairperson of the meeting is to be —
  - (a) where there is only one affected local government, the mayor or president or in the absence of the mayor or president the deputy mayor or deputy president of that local government; or
  - (b) where there is more than one affected local government, the mayor or president or deputy mayor or president, as the case requires, of the local government which has the greatest number of persons who would be liable to pay the proposed service charge.

- (2) The quorum for the meeting is to be determined prior to the meeting by the Minister after consultation with the district committee.
- (3) The meeting procedure is to be —
  - (a) in accordance with the meeting procedure set out in the standing orders of the council of the local government which the chairperson represents; or
  - (b) in accordance with the meeting procedure determined by the majority of the persons present at the meeting and entitled to vote at the meeting.
- (4) Each person who is the owner of land upon which it is proposed to impose the service charge is entitled to vote at the meeting.

**10. Information to be placed before public meeting**

- (1) For the purposes of section 25A(9)(b) the information to be placed before a public meeting is —
  - (a) a detailed description of the proposed soil conservation service sufficient to enable a reasonably informed person without technical qualifications to assess the service;
  - (b) a plan of the way in which the proposed service will be implemented;
  - (c) a timetable for the proposed completion of stages of the proposed service, including a time for total completion of the service;
  - (d) a full costing of the proposed service, including separate details of expected administration costs; and
  - (e) details of the way in which it is proposed that the cost of the proposed service will be imposed on the persons by whom it will be payable.
- (2) The information referred to in subregulation (1) is to be in writing.

**11. Local government to be advised of result of meeting**

- (1) Where a meeting held in accordance with regulations 8, 9 and 10 votes for the imposition of the proposed service charge the district committee is to forward to all affected local governments as soon as practicable after the meeting a copy of —
  - (a) the information presented to the meeting in accordance with regulation 10;
  - (b) a summary of the progress of the meeting; and

- (c) the recommendation of the district committee on whether the proposed service charge should be imposed.
- (2) As soon as practicable after receipt of the information referred to in subregulation (1) the local government or local governments are to present that information to a meeting of the council for consideration.
- (3) After consideration by the council the local government is to advise the district committee on —
- (a) whether it supports or opposes the imposition of the proposed service charge (“**the proposal**”); and
  - (b) if it supports the proposal, whether it will be willing to make an arrangement under section 25B(1a)(b) to serve the notice of assessment of the proposed service charge,
- and give to the committee brief reasons to support its decision.

## 12. Recommendation to the Minister

A recommendation by a district committee to impose a service charge is to be forwarded to the Minister together with —

- (a) copies of the information forwarded to local government in accordance with regulation 11(1);
- (b) copies of all newspaper notices referred to in regulation 8(2); and
- (c) evidence of local government support referred to in regulation 11(3).

## 13. Reports to the Minister on administration of service charge projects

A district committee is to report to the Minister at regular intervals of not more than 12 months on the progress of every service on which a service charge is imposed.

**10. Regulation 96C inserted**

After regulation 96B the following regulation is inserted —

“

**96C. Specific expenditure provisions**

- (1) The cost of an Aboriginal heritage survey conducted on land which is the subject of a mining tenement may be used in the calculation of expenditure expended on, or in connection with, mining on the mining tenement.
- (2) Where the cost of a survey is claimed under subregulation (1) —
  - (a) a copy of the survey must be submitted to the Registrar of Aboriginal Sites (appointed under section 37 of the *Aboriginal Heritage Act 1972*) as soon as practicable; and
  - (b) evidence that the survey has been submitted to the Registrar of Aboriginal Sites must be provided to the Department.
- (3) Administration and land access costs relating to land which is the subject of a mining tenement may be used in the calculation of expenditure expended on, or in connection with, mining on the mining tenement, but only up to 20% of the minimum commitment, or 20% of the total expenditure on the mining tenement, whichever is the greater amount.
- (4) The following costs and payments cannot be used in the calculation of expenditure expended on, or in connection with, mining on the mining tenement —
  - (a) the cost of marking out mining tenements;
  - (b) any costs associated with the acquisition or sale of mining tenements;
  - (c) research activities not directly related to a specific tenement;
  - (d) compensation payments made in respect to the mining tenement.

”.

**11. Regulation 126 amended**

H E A D  O F F I C E  U S E	This operations report received
---	---------------------------------

**INSTRUCTIONS FOR THE COMPLETION OF FORM 5**

1. The Form 5 "Operations Report" and mineral exploration report are required to be lodged annually for each mining tenement within sixty (60) days from the anniversary or surrender date of the mining tenement (or such further period as may be approved by the Minister prior to the expiry of that period).

These reports should be lodged with —

The Director General, Department of Minerals and Energy, 100 Plain Street, East Perth, WA 6004.

**N.B.** A mineral exploration report is not required if the general prospecting activities detailed in Attachment 2 are the only activities carried out.

2. The Form 5 and attachments must show expenditure incurred on the activities undertaken during the annual period of the mining tenement or the period up to surrender and may be varied according to the type of activities undertaken —
- for mineral-exploration and/or mining activities (see 3 below); and/or
  - for general prospecting and/or small scale mining activities (see 4 below).
3. For mineral-exploration and/or mining activities, the format of the Form 5 consists of the two pages (as shown on this form) plus Attachment 1 to provide details of the cost and description for each activity (see A and B below for examples of the activities to be shown). The full cost of Aboriginal heritage surveys is allowed (see C below). Administration/overheads/land access/native title costs are not to exceed 20% of the minimum expenditure commitment, or the total of expenditure incurred on activities, whichever is the greater (see D and E below for the costs that can be claimed). Full details and results of mineral-exploration activities are required to be submitted in a mineral-exploration report (see 6 to 8 below).
4. For all other general prospecting activities (i.e. non-geoscientific activities such as metal-detecting, loaming, panning, dollying, dry-blowing, trenching, plant and equipment hire, own labour costs) the format of the Form 5 consists of the two pages (as shown on this form) plus Attachment 2 to provide details of prospecting and/or small scale mining activities.

**A. MINERAL EXPLORATION ACTIVITIES**

**Geological activities:** geological mapping, sampling, drilling supervision, core logging, non-core drill-sample logging, geological data processing and interpretation, petrology, planning of exploration programs, report preparation; where appropriate, general prospecting can be added here.

**Geochemical activities:** geochemical sampling, analysis of surface geochemical samples or subsurface drilling samples, geochemical data processing and interpretation. ALSO show number of samples collected.

**Geophysical activities (surface/subsurface):** ground geophysical surveys, downhole logging, geophysical data processing and interpretation.

**Airborne geophysical activities:** aerial survey costs, geophysical data processing and interpretation.

**Remote sensing activities:** aerial photography, remote sensing images, photo interpretation, image processing and interpretation.

**Mineralogical activities (exploration for diamonds, heavy mineral sands, etc.):** bulk sampling, mineral separation, mineralogy and analysis of diamond indicator minerals or other minerals.

**Surveying activities:** gridding, line clearing, grid tie-in, tenement boundaries, etc.

**Core drilling:** diamond drilling costs (including pre-collar open-hole non-core drilling), access road and drill-site preparation; ALSO show metres drilled and number of holes completed.

**Non-core drilling:** drilling costs, access road preparation; ALSO show metres drilled and number of holes completed. Costs for deep geochemical sampling by auger or air-core drilling can also be shown here. (N.B. Specify drilling for groundwater supply.)

**Costeaming:** plant and equipment hire for trenching and bulk sampling.

**Field supplies:** exploration equipment, consumables and supplies, plant and equipment hire, fuel, oil, etc., depreciation of direct exploration equipment, wages for non-professional field personnel.

**Drafting activities:** drafting equipment, consumables and supplies, salaries for drafting personnel.

**Travel:** travel costs directly associated with mineral exploration activities conducted on the tenement.

**Field camp activities:** establishment and maintenance of exploration base camps, food and accommodation, vehicle costs, contractor helicopter support.

**Environmental:** environmental studies.

**Feasibility study activities:**

**Rehabilitation activities:**

**B. MINING ACTIVITIES (DEVELOPMENT AND PRODUCTION)**

Mine planning, open-cut mining, underground mining, shaft sinking, decline construction, underground drilling, pre-blast bench drilling, ore treatment, construction and maintenance of ore stockpiles, waste dumps, tailings dams and dumps, etc. ALSO show tonnes mined or treated. Any costs associated with care and maintenance on an idle mining operation can also be shown here.

**C. ABORIGINAL HERITAGE SURVEYS**

A copy of any survey undertaken to be lodged with the Registrar, Aboriginal Sites, Aboriginal Affairs Department as soon as practicable, where the cost of conducting it is claimed for expenditure purposes. Evidence of lodgement of the survey must be provided to the Department of Minerals and Energy.

**D. ANNUAL TENEMENT RENT AND RATES**

Rental and local government rates, paid in connection with the mining tenement each year.

**E. ADMINISTRATION AND OVERHEADS**

All non-field activities such as head office costs, accounting, mining tenement management, administration, research, literature studies, training, etc.

**F. LAND ACCESS/NATIVE TITLE**

All other native title and land access costs including private land access costs but excluding payments for compensation.

**N.B.** The amount allowed under E and F not to exceed 20% of the minimum expenditure commitment or the total expenditure incurred on activities, whichever is the greater.

**NON-ALLOWABLE EXPENDITURE**

5. This includes the following —
- (a) cost of marking-out of mining tenements;
  - (b) acquisition costs of tenements and associated expenses;
  - (c) research activities not directly related to a specific tenement; and
  - (d) compensation payments.

**MINERAL EXPLORATION REPORTS**

6. The date for lodging a combined mineral-exploration report, on a group of two or more mining tenements, can be varied to a common reporting date, if prior written approval has been obtained from the Director of the Geological Survey in accordance with **section 115A(4)** of the Act and the **guidelines**.
7. The format and contents of all mineral-exploration reports must be to the satisfaction of the Minister in accordance with the **guidelines**.
8. All data in mineral-exploration reports will be kept confidential by the Department and may be available for release in accordance with regulation 96.

**COPYRIGHT**

9. Each mineral-exploration report must show that written authorization has been provided by the tenement holder(s), or any other person who is the owner of copyright for any data contained in the report, to allow the Minister to release all information in the report in accordance with regulation 96.

**EXEMPTION FROM EXPENDITURE CONDITIONS**

10. A tenement holder or an authorized agent can apply for an exemption from expenditure on a mining tenement in accordance with section 102 of the Act. Such application should be lodged with the Mining Registrar.

## New Publication - Now Available!

# The Western Australian Parliamentary Handbook 1998

This volume has been available through 19 editions for over three-quarters of a century and the effective reworking of its contents and presentation which was achieved in the centenary edition has now been greatly enhanced by the addition of a number of "user friendly" aspects. Use of colour coding and the addition of a comprehensive index make the information much more accessible than in the past.

Clear and logical presentation of information which covers not only biographical details of current Members and Officers of Parliament, but also a comprehensive historical record presented chronologically of Members of the Legislative Assembly from 1832 until the present day helps us all.

In addition to that general information, there are a number of small but extremely useful sections which deal with questions often asked about the Parliament, such as the youngest and oldest members ever to occupy various offices, statistics relating to women members of the Western Australian Parliament, slightly quirky information related to Members of Parliament who have been close relations, as well as concise and valuable information relating to changes of total membership and new membership following general elections and information on referendums

This volume is recommended as an invaluable reference tool for schools, researchers, private business organisations, government departments and authorities and local community libraries.
