Home Building Contracts Act 1991

Home Building Contracts Amendment Regulations 2000

Made by the Governor in Executive Council.

1. Citation

These regulations may be cited as the *Home Building Contracts Amendment Regulations 2000*.

2. The regulations amended

The amendments in these regulations are to the *Home Building Contracts Regulations 1992**.

[* Reprinted as at 17 October 1997.

For amendments to 5 January 2000 see 1998 Index to
Legislation of Western Australia, Table 4, p. 161.]

3. Regulation 4A inserted

After regulation 4 the following regulation is inserted —

“

4A. Special condition for GST adjustments

- (1) This regulation applies in relation to contracts signed after this regulation comes into operation and before 1 July 2000.
- (2) When this regulation applies, the forms of contracts set out in Schedules 2 to 7 are taken to include a special condition in the form set out in Schedule 8.

”.

4. Schedule 8 inserted

After Schedule 7 the following Schedule is inserted —

“

Schedule 8 — Special conditions for GST adjustments

[r. 4A]

- (a) This special condition will apply if:
 - (i) this Contract is signed before 1 July 2000 and a supply is made under this Contract on or after 1 July 2000;
 - (ii) the Builder is registered or required to be registered for the purposes of the GST Act and has incurred further costs or had further costs imposed as a direct consequence of the introduction of the GST Act; and
 - (iii) the Builder has sought to claim the amount of GST payable on any supply made under this Contract as an adjustment to the Contract Price.
- (b) The Contract Price is to be adjusted for the amount of GST payable on each supply made under this Contract on or after 1 July 2000 and any reduction in the price of goods or materials to reflect the full effect of the repeal of wholesale sales tax.
- (c) If the Builder claims an adjustment to the Contract Price pursuant to this Special Condition the Builder must give the Owner a notice setting out details of the adjustment including the way in which the price adjustment has been calculated and must state that the adjustment is solely the result of the introduction of the GST Act.
- (d) Each adjustment to the Contract Price because of the amount of the GST payable on the supply or the repeal of wholesale sales tax is to be made by the Builder claiming or allowing a change to the price of the Works in a progress or final claim. Where the cost of a supply which is covered by a progress claim has both increased and decreased the net result of the change is to be claimed or allowed.

- (e) The Builder is not entitled to claim the amount of GST payable on any supply made under this Contract on or after 1 July 2000 as an adjustment to the Contract Price unless:
- (i) the value of all work and materials permanently incorporated in or affixed to the Site as at 1 July 2000 has been determined in accordance with the requirements of Section 19 of the Transition Act;
 - (ii) the supply to which the claim for payment of GST relates has been made under this Contract at the time of the claim; and
 - (iii) the valuation required by this Special Condition is the obligation of the Builder and is at the Builder's cost.
- (f) In this special condition:
- “GST Act”** means *A New Tax System (Goods and Services Tax) Act 1999* of the Commonwealth;
- “Transition Act”** means *A New Tax System (Goods and Services Tax Transition) Act 1999* of the Commonwealth;
- “GST”** and **“supply”** have the meanings given to those terms in the GST Act.

3. Regulations 5A and 5B inserted

After regulation 5 the following regulations are inserted —

“

5A. Re-sentencing of offender — courts of summary jurisdiction and Children’s Court (s 37A)

- (1) This regulation applies to an application (a “**lower court application**”) under section 37A(2) of the Act in relation to a sentence imposed by a court of summary jurisdiction or the Children’s Court.
- (2) A lower court application must be in an approved form and may be made at any time.
- (3) A lower court application must be lodged with the court that imposed the sentence concerned.
- (4) On receiving a lower court application, a court officer is to issue a summons (in an approved form) to all parties concerned to a hearing on a date and at a place fixed by the officer.
- (5) The summons must be served by the prosecutor on the offender.
- (6) If satisfied that all parties concerned have been served with a summons issued under this regulation, the court may, subject to section 14 of the Act, exercise the powers in section 37A(1) of the Act.
- (7) The court hearing a lower court application need not be constituted by the same judicial officer that constituted the court that imposed the sentence.

5B. Re-sentencing of offender — superior courts (s 37A)

- (1) This regulation applies to an application (a “**superior court application**”) under section 37A(2) of the Act in relation to a sentence imposed by a superior court.
- (2) A superior court application must be made in accordance with rules of court to the court that imposed the sentence concerned.
- (3) If satisfied that all relevant rules of court have been complied with in relation to the superior court application, the court may, subject to section 14 of the Act, exercise the powers in section 37A(1) of the Act.

- (4) The court hearing a superior court application need not be constituted by the same judicial officer that constituted the court that imposed the sentence.

”.

4. References to “court of petty sessions” amended

- (1) The provisions mentioned in the Table to this regulation are amended by deleting “court of petty sessions” and inserting instead —

“ court of summary jurisdiction ”.

PLANNING

PD401***METROPOLITAN REGION TOWN PLANNING SCHEME ACT**

DECLARATION OF PLANNING CONTROL AREA No. 41

BADGERUP LAKE

CITY OF WANNEROO

File: 835-2-30-4

General Description

The Hon Minister for Planning has granted approval to the declaration of a Planning Control Area over land at Badgerup Lake, as shown on Western Australian Planning Commission Plan No. 3.1240.

Purpose of The Planning Control Area

The purpose of the Planning Control Area is to protect the regionally significant vegetation. The Commission considers that the Planning Control Area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for the purpose of Parks and Recreation in the Metropolitan Region Scheme.

Duration And Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000, and, in the case of a continuing offence a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.

Where the Planning Control Area is Available for Public Inspection—

- Ministry for Planning
1st floor, 469 Wellington Street
PERTH WA
- Municipal office of the City of Wanneroo

(a) SPECIFIED AREA
OR LOCALITY

(b) SPECIAL PROVISIONS TO REFER TO (a)

In exercising its discretion in respect to AA uses, the Council having regard to the Planning Guidelines for Nutrient Management shall only permit such uses when it is satisfied following consultations with Government Agencies that the land use does not involve excessive nutrient application or the clearing of the land.

2. No dwelling shall be approved by the Council unless it is connected to an alternative domestic wastewater treatment system as approved by the Health Department of WA with an adequate phosphorus retention capacity, as determined by the Department of Environmental Protection, and with the base of the system or the modified irrigation area being the required distance above the highest known water table.
3. No indigenous vegetation or trees shall be destroyed or cleared except, but subject to the developer of the estate/landowner obtaining the prior consent in writing of the Council, where such vegetation is dead, diseased or where the clearing is required for the purpose of a firebreak, dwelling, outbuilding, fence drainage systems, driveways and/or to accommodate the discretionary uses identified under Provision 1.
4. The subdivider shall, in accordance with the Subdivision Guide Plan and the Schedule of Landscaping for this estate, plant indigenous trees and shrubs of a species and at a density and distribution to the satisfaction of the Council prior to the transfer of a lot(s) to a new owner.
5. The subdivider shall either maintain the trees and shrubs planted until the land is sold, or shall plant sufficient numbers of trees and shrubs to allow for natural loss. Thereafter, the owners of the subdivided lots shall be responsible for the maintenance and replacement (if and where necessary) of those trees and shrubs planted by the subdivider to the satisfaction of the Council.
6. The subdivider shall prepare and implement a Fire Management Plan that identifies and implements the construction requirements relative to strategic firebreaks, water supplies and equipment and any other fire requirements that may be deemed necessary, to the specification and satisfaction of the local authority and the Bush Fires Board of WA.
7. Notwithstanding the obligations of the subdivider (under Clause 5.12.9e) of the Scheme, the subdivider shall drain the land and provide drainage detention areas in accordance with a Drainage Concept Plan provided prior to the commencement of on-the-ground works. Those easement and reserves required by Council or the Water Corporation shall be provided to the Council or the Water Corporation at the time of subdivision to provide for ongoing maintenance of the drainage system components.
8. At the time of the building application for each lot a plan of the site shall be submitted by the applicant to the satisfaction and specifications of the Council which shall show site contours, existing trees and stands of vegetation, those trees and vegetation to be removed and retained and proposals for tree planting and maintenance.

The land is situated within the catchment of the Peel-Harvey estuarine system where active nutrient management and responsible use of fertiliser is crucial to the health of the catchment and the estuary. The application, type and distribution of fertiliser to the land shall be within limits set by the Department of Environmental Protection for irrigated and non-irrigated pasture.

(a) SPECIFIED AREA
OR LOCALITY

(b) SPECIAL PROVISIONS TO REFER TO (a)

10. The keeping of horses, sheep, goats and other grazing animals where permitted shall be subject to the prior approval of Council. Approval to keep animals shall not exceed the stocking, rates recommended by Agriculture Western Australia for the applicable pasture types. Any approval to keep any grazing animal will require the fencing of all remnant vegetation and planted vegetation by the landowner to the satisfaction of Council.
11. Notwithstanding the controls specified by provision 1, development and use of the land is subject to the provisions of the Water Corporation By-laws applying to underground water supply and pollution control.
12. Bridle paths to be constructed by the subdivider in accordance with the Subdivision Guide Plan.
13. Development of dwellings on lots directly abutting the Wungong Reserve shall address the Reserve to the satisfaction of Council.

J. C. STAR, President.
I. BODILL, Chief Executive Officer.
