STATEMENT OF SIGNIFICANCE: Young Australia League Building and House, a three storey rendered masonry and concrete building in the Inter-War Free Classical style (45 Murray Street) and adjacent two storey rendered and painted brick and iron roof house in the Federation Queen Anne style (55 Murray Street), has cultural heritage significance for the following reasons—

the place has been associated with the activities of the Young Australia League from the time of purchase by the League in 1920/1921 and is associated with the founder of the Young Australia League, J.J. Simons, and with other prominent West Australians who were members of the organisation including State Premier Sir Walter James and prominent architect Lionel Boas whose architectural firm Oldham Boas was responsible for the design of the Young Australia League building. It is also associated with the thousands of young people who took part in the programmes of the League;

the Young Australia League Building is representative of the Young Australia League philosophy and a way of life based on the expression of Australian nationalism and has been associated with the development of youth organisations in Australia and overseas;

the Young Australia League building is a rare example of the Inter-War Free Classical style enhanced by an unusual facade with a two-storey colonnade, semi-enclosed court and strong vertical detailing;

the house, a simple example of a two storey late nineteenth century residential building, is the only residential style building in the Murray Street East Precinct and a rare example of a late nineteenth century house in central Perth;

the house was the home of a prominent member of the Roman Catholic community, philanthropist, property investor and politician Timothy Quinlan who, together with his father-in-law, Daniel Connor, invested in significant land holdings in central Perth which became known as the Connor-Quinlan Estate; and,

the place forms an important component of the Murray Street East Precinct, which extends from Pier Street to Victoria Square, and the Young Australia League Building defines the corner of Murray Street and Irwin Street.

The Heritage Council invites submissions on the proposal. Submissions must be in writing and should be forwarded to the following address not later than 5pm on 5 July, 2002.

The Director, Office of the Heritage Council,
108 Adelaide Terrace, East Perth WA 6004

METROPOLITAN REGION TOWN PLANNING SCHEME ACT 1959

Shire of Serpentine-Jarrahdale

DECLARATION OF PLANNING CONTROL AREA No. 56

BUSH FOREVER SITE NO. 65

LOT 9000 & PT LOT 2, ABERNETHY ROAD, OAKFORD

General Description

The Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over the whole of Lot 9000 and portion of Lot 2, Abernethy Road, Oakford (Bush Forever Site No. 65) as shown on Western Australian Planning Commission Plan No. 3.1533/1.

Purpose of the Planning Control Area

The purpose of the Planning Control Area is to protect land identified in Bush Forever for its considerable conservation value. Regionally, the vegetation is classified as part of the Karrakatta Complex Central and South, which has historically been heavily cleared and consequently is considered to be of high importance for conservation value. In addition, the land contains areas of

declared rare flora and a threatened ecological community that is protected under Commonwealth legislation. The Commission considers that the Planning Control Area is required to ensure that no further development occurs on this land which might prejudice this purpose until it may be reserved for the purpose of Parks and Recreation in the Metropolitan Region Scheme.

Duration And Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
