### BUSH FIRES ACT 1954

#### *City of Armadale*

#### FIREBREAK NOTICE

Notice to all Owners and Occupiers of Land within the City of Armadale

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby required on or before the 30<sup>th</sup> day of November 2002 or within fourteen days of you becoming the owner or occupier of land should this be after the 30<sup>th</sup> day of November 2002, to clear firebreaks and remove

flammable materials from the land owned or occupied by you as specified hereunder and to maintain the specified land and firebreaks clear of all flammable materials up to and including the 14<sup>th</sup> day of March 2003.

### **FIREBREAKS**

Firebreaks must be established not less than three (3) metres in width in the following positions on all land owned or occupied by you and situated within the City of Armadale—

1. Immediately inside all external boundaries of the land.
2. Immediately surrounding all buildings erected on the land.
3. Immediately surrounding all fuel ramps and dumps on the land.
4. Immediately surrounding all haystacks on the land.

Such firebreaks may be constructed by one or more of the following methods—

#### **PLOUGHING, CULTIVATING, SCARIFYING, BURNING, CHEMICAL SPRAYING OR OTHER APPROVED METHOD**

and are to be cleared to the satisfaction of an Authorised Officer of the City of Armadale. In addition you may be required to carry out further works which are considered necessary by an Authorised Officer of the City and specified by way of a separate written notice forwarded to the address as shown on the City of Armadale rates record for the relevant land.

In some instances naturally occurring features such as rocky outcrops, natural watercourses or landscaping such as reticulated gardens, lawns or driveways may be an acceptable substitute for cleared firebreaks. This option must first be discussed with an Authorised Officer of the City, and approved by the Authorised Officer in writing.

On any lot having an area of less than 3000m<sup>2</sup> with a dwelling constructed on it, where the lot is substantially developed (i.e. at least 75% cleared of bush), the keeping of grass on the lot at all times covered by this notice to a height less than 5 centimetres will be accepted in lieu of clearing a firebreak. For the purpose of this notice grass kept at a height of less than 5 centimetres will be deemed not to be flammable material.

All firebreaks and other alternative arrangements allowed by the preceding parts of this notice must be established on or before the 30<sup>th</sup> day of November 2002 (or within 14 days of you becoming the owner or occupier should this occur after that date) and maintained clear of flammable material up to and including the 14<sup>th</sup> day of March 2003.

### **APPLICATION TO VARY THE ABOVE REQUIREMENTS**

If it is considered impracticable for any reason whatsoever to clear firebreaks or establish other arrangements as required by this notice, you may apply in writing to the Council of the City of Armadale, or its duly Authorised Officers not later than the 1<sup>st</sup> day of November 2002 for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly Authorised Officers you must comply with the requirements of this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

The penalty for failing to comply with this Notice is a fine not exceeding \$1,000 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this notice if it is not carried out by the owner and/or occupier by the date required by this notice.

By order of the Council,

R. S. TAME, Chief Executive Officer.
