- (3) Regulation 36(3) is amended by deleting “and the superintendent may issue all or part of the property to the prisoner or a person nominated in writing by the prisoner during

the period of his custody and any person receiving such property shall sign a receipt for it and a copy shall be retained by the superintendent”.

- (4) Regulation 36(4) is repealed.

5. Regulations 36A, 36B, 36C and 36D inserted

After regulation 36 the following regulations are inserted —

“

36A. Prisoner’s property brought by other people

- (1) A person who brings to a prison any property to be delivered to a prisoner, shall surrender the property to the superintendent upon arrival at the prison.
- (2) The superintendent to whom property is surrendered shall cause the property to be inspected, and shall then ensure that the property is dealt with in accordance with any directions issued by the chief executive officer.

36B. Refusing to store property

- (1) A superintendent may, at any time —
- (a) refuse to store, at a prison, any or all of a prisoner’s property; or
 - (b) decide to stop storing, at a prison, any or all of a prisoner’s property,
- in accordance with any directions issued by the chief executive officer.
- (2) A superintendent shall refuse to store property for a prisoner, or to allow a prisoner to have possession of property, of a type specified in a direction issued by the chief executive officer.
- (3) If, under subregulation (1) or (2), a superintendent refuses to store a prisoner’s property, or decides to stop storing a prisoner’s property, the superintendent is to —
- (a) inform the prisoner, in writing, that the property is not, or is no longer, going to be stored at the prison; and
 - (b) request the prisoner, in writing, to make arrangements to have the property removed within a time specified in that request.
- (4) If property has not been removed from a prison within a time specified under subregulation (3)(b), the superintendent shall impound that property and, subject to any directions of the chief executive officer and to subregulation (5), dispose of that property under regulation 37 as if it were abandoned property.

- (5) The superintendent shall ensure that —
 - (a) the disposal of a prisoner's property under subregulation (4) is recorded in the inventory of the prisoner's property; and
 - (b) if the disposal is by way of public auction, the net proceeds from the sale of that property are credited to the prisoner's account.

36C. Release of property

- (1) A superintendent may release to a prisoner, or to a person nominated in writing by that prisoner, all or any of the prisoner's property stored at the prison.
- (2) Property shall not be released to a prisoner's nominee, unless that nominee signs an acknowledgment of the receipt of the property at the time the property is released.

36D. Transfer of property between prisons

- (1) The chief executive officer may issue a direction specifying the maximum amount of a prisoner's property that can be transferred with the prisoner from one prison to another.
- (2) Upon the transfer of a prisoner with his or her property, the provisions of regulation 35 are to be applied at the prison to which he or she is transferred as if the prisoner had been admitted to that prison.
- (3) If a prisoner's property to be transferred exceeds the allowed maximum under subregulation (1), the superintendent of the prison where the property is held shall —
 - (a) inform the prisoner, in writing, that not all the property can be transferred with the prisoner because it exceeds the allowed maximum; and
 - (b) request the prisoner, in writing, —
 - (i) to nominate the items of property that are not to be transferred with the prisoner; and
 - (ii) to arrange for those items to be removed within a time specified in that request.
- (4) If the items nominated under subregulation (3)(b)(i) have not been removed within the time specified under subregulation (3)(b)(ii), the superintendent shall impound that property and, subject to any directions of the chief executive officer and to subregulation (5), dispose of that property under regulation 37 as if it were abandoned property.

- (5) The superintendent shall ensure that —
- (a) the disposal of a prisoner's property under subregulation (4) is recorded in the inventory of the prisoner's property; and
 - (b) if the disposal is by way of public auction, the net proceeds from the sale of that property are credited to the prisoner's account.

Schedule

Edith Cowan University

Statute No. 17 Edith Cowan University Foundation

The purpose of this Statute is to establish the Edith Cowan University Foundation and to specify the objectives, purpose and administration of the Foundation.

1. Definitions

- a. Unless the contrary intention appears, words and expressions defined in the University's Interpretation Statute, Statute No. 1, shall have the same meaning where used in this Statute.
- b. In this Statute unless the contrary intention appears—
 - “the Act” means the *Edith Cowan University Act 1984* and any amendments thereto.
 - “Board” means the Board of the Foundation constituted under section 6 of this Statute.
 - “Director” means the Director, Office of Marketing and Development or such other position as may be nominated in writing by the Vice-Chancellor from time to time.
 - “Donor” means any person or organisation who has donated moneys, property or assets to the Foundation, and for the purposes of this definition the term “person” includes a partnership, association, corporation or company whether incorporated or unincorporated.
 - “Foundation” means the Edith Cowan University Foundation established by section 2 of this Statute.
 - “Fund” and “Funds” means all property, both real and personal, from time to time held by the University on account of or for the Foundation pursuant to this Statute and all investments representing such property or any part thereof and any income arising therefrom.
 - “Patrons” means the Patrons of the Foundation appointed under section 7 of this Statute.

2. Establishment and Objectives

A foundation to be known as the “Edith Cowan University Foundation” shall be established with the objective of supporting the University in its general development by—

- a. raising Funds;
- b. managing the Funds;
- c. applying the Funds; and
- d. attracting other forms of support for the University.

3. The Funds

- a. The Funds shall be kept separately from the University's other funds and property and accounted for separately in the accounts and records of the University.
- b. Subject to sub-section 3a and pending any disposition, application or dealing with the Funds in accordance with sub-section 3c, the funds shall be invested by the University in accordance with the Act.
- c. The Council, after considering any relevant recommendations made by the Board, may, subject to the Act and this Statute, dispose of, apply or otherwise deal with any or all of the Funds as it sees fit and to give effect to any expressed intention of the relevant Donor(s).

4. Donations

Donations to the Foundation may be accepted from any source including (without limitation) the University, which donations may be made by way of—

- a. lump sum donations;
- b. donations in instalments;

- c. interest from amounts deposited with the University or otherwise; or
 - d. donations or bequests of real or personal property or assets of any kind or by any other means whatsoever.
5. Donors
The Director shall maintain a register of Donors.
6. Board
- a. The Board shall consist of—
 - i. a chairperson appointed by the Council;
 - ii. at least three persons, not being employees or enrolled students of the University, appointed by Council;
 - iii. ex-officio, the Vice-Chancellor or a person nominated in writing by the Vice-Chancellor;
 - iv. ex-officio, the Director, Office of Marketing and Development; and
 - v. ex-officio, the Executive Director, Finance and Administration.
 - b. The Council may approve the appointment of an alternate member for any member of the Board for a stated period or for any absence due to illness.
 - c. Each member of the Board, other than ex-officio members, shall hold office for a period of up to three years from the date of appointment and shall be eligible to be re-appointed for a maximum of two further terms.
 - d. The office of a member of the Board, other than the office of ex-officio members, shall be vacated if the member gives written notice of resignation to the Chairperson, or if the member is absent without leave of the Board for three consecutive meetings of the Board or the Council requests the member by written notice to vacate his or her position.
 - e. Each of the ex-officio Board members shall become a member of the Board upon his or her appointment to the relevant office, and shall remain a member during the term of his or her appointment to that office.
7. Patrons
- a. At least two persons and no more than three persons, not being employees or enrolled students of the University, shall be appointed by Council from time to time as Patrons of the Foundation.
 - b. A person appointed as a Patron shall vacate this role if he or she gives Council written notice of his or her resignation or the Council requests the Patron by written notice to vacate his or her position.
8. Dissolution
- a. The Council may, on the prior recommendation of the Board, resolve that the Foundation be dissolved and effect such dissolution by repealing this Statute.
 - b. In the event that the Foundation is dissolved, the Fund shall be disbursed by the Council in such manner as, after considering any recommendation of the Board, it shall consider appropriate and consistent with the Act and any expressed intention of the relevant Donor(s).

4. Introducing into "Residential Precincts—Appendix 15" of the Scheme Text the following—

Residential Precincts—Appendix 15

Description of Land & Precinct Number	Development Standards
<p>Portion of Wellington Location 871, Goodwood Road, Capel Precinct No. 3</p>	<p>Subdivision</p> <ol style="list-style-type: none"> 1. Subdivision shall be generally in accordance with the Subdivision and Development Guide Plan 95073P-14 dated November 2002 attached to the Scheme Amendment Report (Amendment No. 3). 2. Subdivision approval is to be sought for the whole of the subject land. Such staging as may be required is to be negotiated with and approved by Council having regard to the orderly implementation of the Subdivision and Development Guide Plan and the provision of infrastructure. 3. Council will request that as conditions of subdivision the subdivider be required to provide reticulated sewerage, scheme water and underground power to the total subdivision. 4. Subdivision development shall have regard to the Western Australian Planning Commission's Community Code Guidelines with respect to road design and development. 5. Council and Main Roads WA will request that as a condition of subdivision the subdivider contribute to the upgrading of Prowse and Goodwood Roads. Main Roads Western Australia will request that, as a condition of subdivision, the subdivider will cede free of cost to the Crown a 5 metre road widening to the Goodwood Road Reserve. 6. Council will request that as a condition of subdivision the subdivider provide pedestrian pathways within the subdivision and contribute to the provision of a dual use path that will link the subdivision area to community facilities. 7. Council will request that as a condition of subdivision the subdivider be required to prepare and implement a landscape plan to Council's satisfaction for the cleared land, open space areas and the 20 metre wide vegetation buffer area along Goodwood Road. 8. Council will request that as a condition of subdivision the subdivider be required to fence along the public open space and drainage reserves and along boundaries of adjoining farmland and roads to the specification and satisfaction of Council. 9. Council will request that as a condition of subdivision that the subdivider provide strategic fire breaks and access gates to its specification and satisfaction. 10. Council will request as a condition of subdivision the subdivider re-contour and landscape the existing dam and soak. 11. The 'Special Use' lots are to be the subject of a notification on title to the Water Corporation specifications and satisfaction, advising a sewerage service is only provided to the nominated Building Envelope area. 12. Council shall request, as a condition of subdivision, that the subdivider prepare and implement a drainage and nutrient management strategy which addressed the following issues— <ol style="list-style-type: none"> (i) landfill requirements; (ii) location of drainage basins; (iii) stormwater management; (iv) comprehensive drainage works and catchment planning; (v) protection of water quality of adjacent wetlands (and associated riparian vegetation), groundwater and the Capel River to the satisfaction of the Department of Environment, Water and Catchment Protection;

**Description of Land &
Precinct Number****Development Standards**

- (vi) the design of on-site drainage infrastructure, including public safety requirements;
- (vii) impacts of landfill and drainage works on neighbouring properties and mitigation of potential flood hazards; and
- (viii) mosquito management measures.

13. Council will request as a condition of subdivision, that the subdivider undertake a rare flora and fauna habitat survey.

14. Council will request as a condition of subdivision that a memorial is placed on all new titles and prospective purchasers are aware that mining activity could occur within 1000 metres of the subject land which may have a nuisance effect on residential amenity.

Development

15. Where land is coded R5 and boundary fencing is to be constructed, it is to consist of a minimum of post and 5 strand, ringlock, hinge joint wire or similar product. Asbestos, metal sheeting or wooden pickets or similar solid fencing will not be permitted in the building front setback area.

16. The maintenance of strategic firebreaks located within individual lots are to be the responsibility of individual lot owners.

17. Lot boundaries which are located across strategic firebreaks are to be fitted with gates accessible by emergency vehicles.

18. All building setbacks are to be in accordance with the Residential Planning Codes (either as R5 or R15 as designated on the Scheme Map), except that no development is permitted within 20 metres of the lot boundary adjacent to Goodwood Road reserve and 10 metres from the southern boundary of the land.

19. Notwithstanding the provisions of Clause 5.3.3 'Residential Planning Codes' of the scheme and requirements to vary from the Residential Planning Codes, Council may permit grouped dwellings on lots which are designated R15 on the Subdivision Guide Plan, but not including those lots affected by the 20 metre wide protection buffer area, at a ratio of one unit per 500m² minimum (R17.5 Code). Due regard would need to be given to the location criteria of the Western Australian Planning Commission's Policy.

20. Prior to subdivision or development on the subject land, evidence of an agreed management plan (between the subdivider and the mining company) is to be presented to the Western Australian Planning Commission which details the management techniques which will be used to ensure that the proposed mineral sands mining to the south will not have an adverse impact on the amenity of future residents.

5. Introducing into "Special Use Zone—Appendix 4" of the Scheme Text the following—

Special Use Zone—Appendix 4

Land Particulars	Permitted Uses	Development Standards/Conditions
Ptn Wellington Loc. 871 Goodwood Road, Capel	1. The following use is permitted 'P' —Single Dwelling 2. The following uses are not permitted unless Council has granted its Planning Consent 'AA' —Limited Grazing. —Recreational Agriculture —Stables	1. The Special Use lots are subject to the Development Standard provisions for Residential Precinct No. 3. 2. Building envelopes are nominated on Plan No. 95073P-14 dated November 2002 (Amendment No. 3). 3. All dwellings are to be located within the nominated building envelopes. All other buildings not located within the Building Envelope, shall have a minimum setback of 20 metres from all boundaries.

Land Particulars	Permitted Uses	Development Standards/Conditions
		4. Council may, in consultation with the Water Corporation, consider a modification to the building envelope location where it is necessary to facilitate connection of a dwelling to a sewerage service or reticulated water.
		5. If, in the opinion of Council, the 'Limited Grazing'; 'Recreational Agriculture' or other agricultural use approved by Council, is causing erosion or the degradation of vegetation, the landowner may be required to undertake such action as is necessary to correct the situation.
		6. Council may request, as a condition of subdivision, that the subdivider advise prospective purchasers that further subdivision will not be supported.
6. Amending "Appendix 1—Interpretations" of the Scheme Text by inserting the following term and meaning between 'Land' and 'Liquor Store'—		
	" 'Limited Grazing' means the grazing of land by a specified number and type of grazing animals, approved by Council, for the prime purpose of preventing pastureland from becoming a fire risk and for other domestic household requirements."	
7. Amending "Appendix 1—Interpretations" of the Scheme Text by inserting the following term and meaning between 'Reception Centre' and 'Recreation Private'—		
	" 'Recreational Agriculture' means the cultivation of land within a specified area of the property located outside of the building envelope, as approved by Council, for crops and flowers, and other horticultural practices and the keeping of animals and birds for consumption and enjoyment of the occupants of the subject allotment only.
