*Two Peoples Bay Nature Reserve 1995-2005*

NOTICE OF PROPOSED AMENDMENT TO MANAGEMENT PLAN

The Conservation Commission of Western Australia advises that an amendment is proposed to the Two Peoples Bay Nature Reserve Management Plan.

In 1995 the Management Plan proposed to change the tenure of the reserve from nature reserve to national park to reflect the high levels of recreational use. Subsequent representations from the public and other key stakeholders have put forward the case for the reserve's tenure to remain as nature reserve. If the reserve were to remain as nature reserve, recreational use and management would remain as at the date of the amendment until the Management Plan is fully reviewed.

This proposal to retain the Nature Reserve status of Two Peoples Bay Nature Reserve is open for public comment. The closing date for submissions is 8 August 2003.
