DECLARATION OF PLANNING CONTROL AREA NO. 74

BUSH FOREVER SITE NO. 97

PORTION OF SWAN LOCATION 1432 PINE ROAD, BULLSBROOK
CITY OF SWAN

File: 835-2-21-13

General Description

The Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over a portion of land at Swan Location 1432 Pine Road, Bullsbrook as shown on Western Australian Planning Commission Plan No. 3.1719. This land also forms a section of Bush Forever Site No. 97.

Purpose of the Planning Control Area

The purpose of the Planning Control Area is to protect remnant vegetation identified in *Bush Forever* which recognises the site as a low-lying Conservation Category Wetland. The Commission considers that the Planning Control Area is required over the portion of the property to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for the purpose of Parks and Recreation in the Metropolitan Region Scheme.

Duration and Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
