METROPOLITAN REGION TOWN PLANNING SCHEME ACT 1959

NOTICE OF AMENDMENT OF PLANNING CONTROL AREA No. 68

Portion of Lots 5031 and 5032 Albany Highway, Gosnells

File No: 835-2-25-5

General Description

The Hon Minister for Planning has granted approval to amend Planning Control Area No. 68, previously declared over a portion of Lots 100, 101 and 102 Mills Road East, Martin, to include a portion of Lots 5031 and 5032, as shown on Western Australian Planning Commission Plan No. 3.1751.

Purpose of The Planning Control Area

The purpose of this amended Planning Control Area is firstly to enable a portion of Lot 5031, which is required for future Parks and Recreation and currently owned by Main Roads WA, to be exchanged for a portion of Lot 5032, which is currently owned by the Western Australian Planning Commission and surplus to its requirements. Secondly, the amended PCA will ensure that no further development occurs on this land which might prejudice this purpose until it may be reserved for the purpose of Parks and Recreation in the Metropolitan Region Scheme.

Duration and Effects

The amended Planning Control Area has effect from the date of publication of this notice in the *Government Gazette* to the original declaration expiry of 10 December 2007, or until revoked by the Western Australian Planning Commission with the approval of the Minister.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000, and in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.

Documents are available for inspection at the following locations—

- Department for Planning and Infrastructure, Wellington Street, Perth
- JS Battye Library, Francis Street, Northbridge
