ENVIRONMENT

EV301*

Environmental Protection Act 1986

**Environmental Protection (Regional
Power Stations Noise Emissions)
Exemption Order 2004**

Made by the Minister for the Environment with the approval of the deputy of the Governor under section 6 of the Act.

1. Citation

This order may be cited as the *Environmental Protection (Regional Power Stations Noise Emissions) Exemption Order 2004*.

2. Commencement

This order comes into operation on the day on which it is published in the *Gazette*.

3. Interpretation

In this order —

“**EP (Noise) Regulations**” means the *Environmental Protection (Noise) Regulations 1997*;

“**regional power station**” means premises owned or operated by the Western Power Corporation for the purposes of electrical power generation and located in or near a townsite specified in column 1 of Schedule 1;

“**Western Power Corporation**” means the body corporate continued under the *Electricity Corporation Act 1994*.

4. Application

- (1) This order applies to each of the regional power stations located in or near a townsite specified in column 1 of Schedule 1.
- (2) Subject to clause 5, this order ceases to apply to a regional power station in a townsite specified in column 1 of Schedule 1 on the date specified opposite that townsite in column 2 of Schedule 1.
- (3) Nothing in this order applies in respect of noise received on former WPC land after the day on which the former WPC land is sold or leased by Western Power Corporation.

- (4) In subclause (3) —
“**former WPC land**” means land that is, or premises that are —
- (a) owned by Western Power Corporation on the day on which this order comes into operation; and
 - (b) sold or leased after that day.

5. Extension of application of order

- (1) If Western Power Corporation believes that it will not be able to reasonably or practicably comply with the prescribed standards for noise emissions under the EP (Noise) Regulations in respect of a regional power station after the day on which this order ceases to apply to the regional power station under clause 4, Western Power Corporation may apply for an extension of the period during which the order is to apply to the regional power station.
- (2) An application under subclause (1) —
- (a) is to be made in writing to the Minister; and
 - (b) is to request a date to which the extension of the period of application of this order is to apply, being a date that is not later than the date specified in column 3 of Schedule 1 opposite the townsite where the regional power station is situated.
- (3) The Minister may —
- (a) grant an extension to a date specified by the Minister that is not later than the date requested in the application; or
 - (b) refuse to grant the extension.
- (4) Despite clause 4(2), if an application is made under subclause (1), this order continues to apply to the regional power station from the date specified in column 2 of Schedule 1 opposite the townsite until —
- (a) the date specified by the Minister under subclause (3)(a) or the date on which the extension is refused; or
 - (b) the date specified opposite that townsite in column 3 of Schedule 1,
- whichever is the sooner.

6. Declaration of exemption and requirement to comply

- (1) The provisions of Part V of the Act and the EP (Noise) Regulations do not apply to noise emitted from the operation of a regional power station to which this order applies.
- (2) In subclause (1) the reference to “noise emitted from the operation of a regional power station” does not include a reference to noise emitted from the following —
- (a) the operation of vehicles on the premises;

- (b) any construction work, as defined in regulation 13(1) of the EP (Noise) Regulations, on the premises;
 - (c) safety warning devices fitted to motor vehicles or buildings on the premises;
 - (d) audible alarms on the premises.
- (3) The exemption under subclause (1) is subject to clause 4(3) and the conditions specified in Schedule 2.
- (4) Western Power Corporation is required to comply, or to ensure compliance, with the conditions specified in Schedule 2.

Schedule 2 — Conditions of exemption

[cl. 6]

- 1. Excessive noise to be reduced where practicable**
- (1) Noise emissions from the operation of regional power stations to which this order applies are to be reduced as far as is reasonably practicable.
 - (2) Measures which have been introduced to control noise emissions are to be maintained so that their effectiveness in reducing noise emissions is not impaired.
 - (3) It is not a breach of this order if a reasonably practicable measure is identified, provided that the measure is implemented in the shortest reasonably practicable time after it is identified.

2. Western Power Corporation to report progress with compliance program

Western Power must provide a report to the Director of the Environmental Regulation Division, Department of Environmental Protection, every 6 months after the coming into operation of this order, giving details of —

- (a) the progress with the replacement of regional power stations to which this order applies during the previous 6 months; and
- (b) the implementation of any noise reduction measures in respect of those power stations during the previous 6 months.
