CONSERVATION AND LAND MANAGEMENT ACT 1984
CONSERVATION AND LAND MANAGEMENT (REVOCAION OF
TIMBER RESERVE) ORDER (NO. 1) 2004

Made by the Lieutenant-Governor and Administrator in Executive Council under section 17 of the *Conservation and Land Management Act 1984*.

1. Citation

This order may be cited as the *Conservation and Land Management (Revocation of Timber Reserve) Order (No. 1) 2004*.

2. Background to this order

(1) The Shire of Nannup has requested that three small parcels of land be excised from Timber Reserve No. 107/25 to formally realign Chalwell Road. The proposed excisions will ensure that the road reserve for Chalwell Road coincides with the actual position of the formed road, which is situated about 10 kilometres south, south-east of Nannup.

(2) In accordance with section 17 of the *Act*, the Minister for the Environment, with the concurrence of the Minister for Agriculture, Forestry and Fisheries, recommends that the proposed excisions be put into effect.

(3) The land referred to in subclause (1) has been surveyed and is now described in Schedule 1.

3. Portion of Timber Reserve No. 107/25 excised

The land described in Schedule 1 is declared to be no longer Timber Reserve.

Schedule 1—Land no longer part of Timber Reserve No. 107/25

Nelson Location 13716 (comprising three severances) as shown on Deposited Plan 218232.

Area: 0.5817 hectares.

BUSH FIRES ACT 1954

Shire of Brookton

FIREBREAK ORDER 2004/2005

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, owners and occupiers of property within the Shire of Brookton are hereby required, on or before the 1st day of December 2004, to plough, cultivate, scarify, chemically spray or otherwise clear and thereafter maintain free of all flammable material until the 15th day of April 2005, firebreaks as stipulated in the following positions.

Schedule

ON LAND OUTSIDE OF THE TOWNSITE BOUNDARY

1.1 A firebreak, which is at least 5 metres wide, must be installed around and within 15 metres of the following—

A building, a haystack, a fuel drum, a fuel depot or any groupings of buildings, haystacks, fuel drums or fuel depots.

BURNING OFF

1.2 All landholders are required to have an operational independent mobile water filled fire fighting unit, having a water capacity of not less than 450 litres, within 50 metres of a paddock in which any burning off activity is being conducted during the *restricted* and *prohibited* burning periods. The tank of the unit shall be kept full of water at all times during the burning off.

1.3 During the *open* burning season all landholders are required to have a 2 metre firebreak cleared of all flammable material around any area to be burnt, or a fire fighting unit within 50 metres of any paddock in which burning off activity is being conducted.

DURING HARVESTING AND STRAW BALING

1.4 During any period when harvesting operations are being conducted there shall be provided in the same paddock or within 50 metres of that paddock an operational independent mobile water filled fire fighting unit, having a water capacity of not less than 450 litres. The tank of the unit shall be kept full of water at all times during the harvest operations. The responsibility to supply the unit being that of the landholder.

OPERATION OF PLANT AND MACHINERY

1.5 During the *prohibited* burning time all trucks, bulldozers and headers shall not be operated on rural land unless fitted with a fire extinguisher.

A fire extinguisher means a device, which comprises—

- (a) container filled with at least 7.5 litres of water, and is capable of discharging that water under pressure and which is in a sound working condition, or
- (b) an approved operative chemical extinguisher.

1.6 During the prohibited burning time, all internal combustion motors being stationary and unattended shall not be operated unless clear of all flammable material immediately surrounding the said motor for a distance of not less than 5 metres.

LAND WITHIN THE BROOKTON TOWNSITE BOUNDARY

2.1 All land with an area of less than 1000m² with no buildings, must be completely clear of all flammable material from the whole of the land.

2.2 All land with an area of less than 1000m² with buildings or groupings of buildings must have an area cleared of flammable material no less than 2 metres wide, not more than 15 metres from such building or groups of buildings or the external boundary of the land—whichever is the nearer.

2.3 All land with an area of greater than 1000m² with no buildings must be completely surrounded by a firebreak of not less than 2 metres wide as near as possible to the boundary.

2.4 All land with an area of greater than 1000m² with buildings or groupings of buildings must have an area cleared of flammable material no less than 2 metres wide, not more than 15 metres from the building or groups of buildings or the external boundary of the land—whichever is nearer.

The firebreaks may be inspected shortly after the **1st day of December 2004**, and the penalty for failing to comply with this notice is a fine of not more than **\$1,000** or a penalty of **\$40** may be incurred by the issue of an infringement notice, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

If it is considered to be impracticable for any reason to comply with the provisions of this notice, application may be made not later than the 15th day of November 2004, in writing to the Council or its authorised officer for permission to provide alternative fire protection measures. If permission is not granted the requirements of this notice must be complied with.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954, which includes the necessity for permits to burn during the *restricted* and *prohibited* burning season.

Failure to comply with these requirements renders the offenders to the penalties prescribed in the Bush Fires Act 1954, as amended.

By Order of the Council,

IAN CURLEY, Chief Executive Officer.

LG502*

BUSH FIRES ACT 1954*City of Geraldton***FIREBREAK NOTICE**

First and Final Notice

Notice to all Owners and/or Occupiers of land in the City of Geraldton

Pursuant to the powers contained in Section 33 of the above Act, you are required on or before the 6th day of October of each year, or within 14 days of the date of you becoming an owner or occupier should this be after the 6th day of October to remove from the land owned or occupied by you, all inflammable materials or to clear firebreaks in accordance with the following and thereafter to maintain the land or the fire breaks clear of inflammable material up to and including the 31st day of March the following year—

- i. Where the area of land is 2020 square metres or less, all inflammable material on the land shall be removed from the whole of the land, and the property mowed. The height of the grass when mowed shall not exceed 75mm.
- ii. Where the land exceeds 2020 square metres in area, firebreaks (mineral earth break) at least 3 metres wide and high shall be cleared of all inflammable materials immediately—
 - (a) inside all external boundaries of the land; and
 - (b) surrounding all buildings situated on the land.

Inflammable material is defined for the purpose of this notice to include Wattle Tree, Tea Tree, dead trees, timber, boxes, cartons, paper and like inflammable material, rubbish and also any combustible matter, but does not include living trees, shrubs, growing bushes and plants under cultivation.

THE PURPOSE OF A FIREBREAK IS TO STOP THE SPREAD OF FIRE AND TO ALLOW THE ENTRY OF FIRE FIGHTING VEHICLES ALSO TO PROVIDE A BREAK FROM WHICH BACK BURNING CAN TAKE PLACE TO CONTROL A FIRE.

Persons who fail to comply with the requirements of this notice may be issued with an infringement notice or prosecuted. Where the owner fails to comply with the Requisitions of the notice, Council or its Duly Authorised Officers will carry out the required work at the cost of the owner or occupier.

In addition, you may be required to carry out further works, which may be deemed necessary and specified by way of a separate written notice forwarded to the address shown on the City of Geraldton rate records for that land.

Burning of any rubbish or refuse is not permitted with the City of Geraldton without Council permission; therefore burning of vegetation for clearing purposes is not a permitted method, except in special circumstances approval may be authorised by Council on receipt of a written application.

If it's considered to be impracticable for any reason to clear firebreaks by this notice, you may apply to Council or its Duly Authorised Officer, no later than 15th day of September of each year, for permission to provide firebreaks in alternative position or to take alternative action to abate fire hazards on the land. If permission is not granted by Council or its Duly Authorised Officer, you are to comply with the requirements of this notice.

The penalty for failing to comply with this notice is either \$250.00 infringement or a court fine to the maximum of \$5,000.00.

By Order of the Council,

R. W. JEFFERIES, Chief Executive Officer.
