## PUBLISHING ALTERATIONS

Periodically the normal *Gazette* publishing times need to be altered to cater for disruption caused by public holidays.

- Easter and Christmas holidays cause disruption each year.
- Australia Day and Anzac Day cause disruption when they fall on a Tuesday or Friday.

In these instances, notices warning of the change are generally published on page 2 for approximately 4 weeks prior to the date.

Readers are urged to check *Gazettes* accordingly, prior to contacting State Law Publisher.

#### CONSERVATION AND LAND MANAGEMENT ACT 1984

(Section 14)

##### NOTICE OF PROPOSAL TO RESERVE WESTERN AUSTRALIAN WATERS

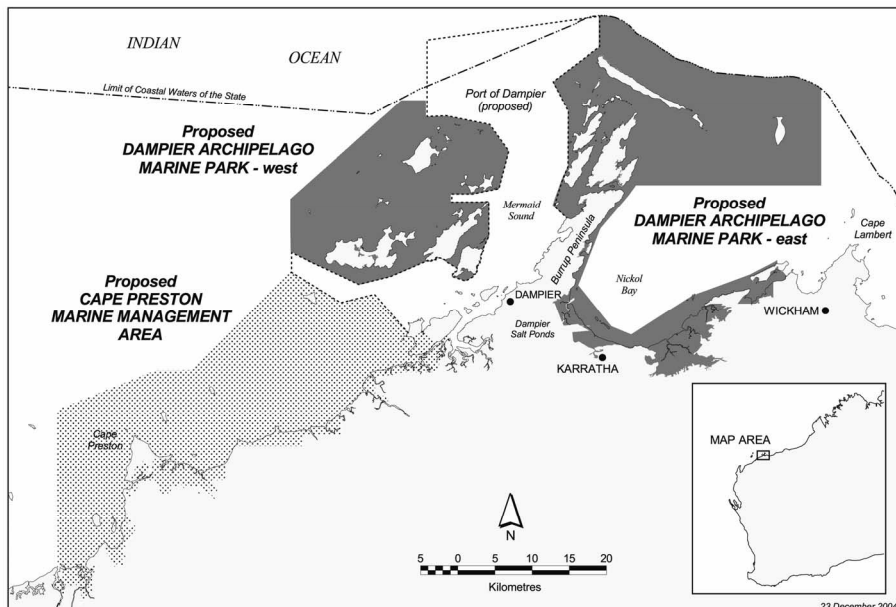

##### Proposed Dampier Archipelago Marine Park and Proposed Cape Preston Marine Management Area.

Notice is hereby given under section 14 of the *Conservation and Land Management Act 1984* (CALM Act) of a proposal to reserve Western Australian waters under section 13(1) of the CALM Act as a marine park in the waters surrounding the Dampier Archipelago and a marine management area in the waters surrounding Cape Preston. Notice is also given that it is proposed that the proposed marine park and marine management area will be classified as Class A.

Any person may make a written submission on this proposal and all persons with an interest in the proposal are encouraged to do so.

Marine parks are created to protect natural features and aesthetic values while at the same time enabling recreational and commercial uses where these activities do not compromise conservation values (the statutory purpose of marine parks is provided in CALM Act section 13B(1)).

Marine management areas are created for the purpose of managing and protecting the marine environment so that it may be used for conservation, recreational, scientific and commercial purposes (the statutory purpose of marine management areas is provided in CALM Act section 13C(1)).

A technical description of the boundaries of the proposed reserves is detailed in Appendix I of the Indicative Management Plan for the Proposed Dampier Archipelago Marine Park and Cape Preston Marine Management Area.

An indicative management plan has been prepared outlining how the proposed Dampier Archipelago Marine Park and Cape Preston Marine Management Area would be managed. This plan includes a map and details of the proposed boundaries, zoning and management strategies for the proposed reserves.

The proposed management zones for the proposed Dampier Archipelago Marine Park are intended to be classified under CALM Act section 62(1a) as general use area, sanctuary area, recreation area, special purpose area for mangrove protection, special purpose area for benthic protection, special purpose area for intertidal reef protection, special purpose area for multiple use and special purpose area for aquaculture or pearling.

Two recreation areas are proposed in the proposed Dampier Archipelago Marine Park. The following activities are considered to be incompatible with the purpose of these areas: all commercial fishing activities; pearling; aquaculture; recreational aquarium/specimen collecting; petroleum drilling; mineral development; trading vessels in transit; and dredging and dredge spoil dumping for shipping activities.

One special purpose area for the primary purpose of mangrove protection is proposed in the proposed Dampier Archipelago Marine Park. The following activities are considered to be incompatible with the purpose of this area: all commercial fishing activities; aquaculture; pearling; access by foot; access by vehicle; recreational netting; recreational spearfishing; recreational specimen/aquarium collecting; and dredging and dredge spoil dumping for shipping activities.

Four special purpose areas for the primary purpose of benthic protection are proposed in the proposed Dampier Archipelago Marine Park. The following activities are considered to be incompatible with the purpose of these areas: all commercial fishing activities; recreational lobster fishing; recreational line fishing (except trolling); recreational netting; recreational spearfishing; recreational crabbing; recreational specimen/aquarium collecting; anchoring; and dredging and dredge spoil dumping for shipping activities.

Two special purpose areas for the primary purpose of intertidal reef protection are proposed in the proposed Dampier Archipelago Marine Park. The following activities are considered to be incompatible with the purpose of these areas: all commercial fishing activities; aquaculture; pearling; charter fishing; vehicle access; recreational lobster fishing; recreational netting; recreational spearfishing; recreational specimen/aquarium collecting; anchoring; and dredging and dredge spoil dumping for shipping activities.

One special purpose area for the primary purpose of multiple use is proposed in the proposed Dampier Archipelago Marine Park. The following activities are considered to be incompatible with the purpose of this area: all commercial fishing except commercial aquarium/specimen collecting which will be phased out within three years of creating the proposed reserves; aquaculture; pearling; and recreational aquarium/specimen collecting.

Three special purpose areas for the primary purpose of aquaculture or pearling are proposed in the proposed Dampier Archipelago Marine Park. The following activities are considered to be incompatible with the purpose of these areas: commercial mud crabbing; recreational specimen/aquarium collecting; dredging and dredge spoil dumping for shipping activities. In addition to this, all commercial fishing (except commercial aquarium/specimen collecting which will be phased out within three years of creating the proposed reserves) is considered to be incompatible with the two special purpose aquaculture or pearling zones that are located within the western portion of the Marine Park.

In the proposed Cape Preston Marine Management Area there are three classification types under CALM Act section 62(1b), for the purpose of flora/fauna protection, mangrove protection and aquaculture or pearling.

The plan is available on CALM's NatureBase website at [www.naturebase.net](http://www.naturebase.net).

Copies of the indicative management plan can be inspected at the office and libraries of the Shire of Roebourne, and the following Department of Conservation and Land Management (CALM) offices—

- State Operations Headquarters, 17 Dick Perry Avenue, Technology Park, Western Precinct, Kensington WA 6151;
- Marine Conservation Branch, 47 Henry Street, Fremantle WA 6160; and
- Karratha Regional Office, Mardie Road, Karratha Industrial Estate, Karratha WA 6714.

Copies of the plan can be obtained from the above CALM offices from 31 January 2005

Written submissions on the plan should be directed to the Plan Coordinator, Indicative Management Plan for the Proposed Dampier Archipelago Marine Park and Cape Preston Marine Management Area, Marine Conservation Branch, Department of Conservation and Land Management, 47 Henry Street, Fremantle WA 6160.

Written submissions can also be forwarded by e-mail to [dampier@calm.wa.gov.au](mailto:dampier@calm.wa.gov.au)
