METROPOLITAN REGION TOWN PLANNING SCHEME ACT 1959

READVERTISING OF METROPOLITAN REGION SCHEME AMENDMENT NO. 1029/33

Alkimos–Eglinton

Call for Further Public Submissions

File No.: 809-2-30-10 Pt 1

The Western Australian Planning Commission is readvertising a proposed amendment to the Metropolitan Region Scheme for the Alkimos–Eglinton area in the City of Wanneroo. Further public comment is invited.

Purpose

As a result of meetings between landowners and stakeholders, the original proposal has been modified. The modifications relate to the realignment of Marmion Avenue generally further eastwards and to east-west roads where they connect with Marmion Avenue. The other main elements of the proposed amendment as previously advertised remain the same, and are—

- Relocation of Waste Water and Ground Water Treatment Plants, improving access to the regional beach at Alkimos;
- Changes to land reserved for Parks and Recreation, to improve coastal access and create a town park at Alkimos; and
- Reduction of the area reserved for the Alkimos Central City Area.

Full details of the amendment's proposals can be found in the Commission's explanatory *Amendment Report (Modified)*.

Environmental Review

The Environmental Protection Authority required the proposed amendment to be formally assessed by way of an Environmental Review (Assessment No. 1635). An Environmental Review was prepared for the Commission to examine the likely environmental impacts of the amendment if implemented, and put forward proposed environmental management measures.

The Review, unaltered from the first submission period, again accompanies the readvertised Metropolitan Region Scheme Amendment to allow comment to be made on both environmental and planning related matters.

The Environmental Review documents comprise an *Environmental Review Summary Report*, and the four separate specialist reports addressing the Environmental Review, Planning Context, Transport and Engineering Infrastructure and Coastal Planning Strategy.

Display

All documents and plans showing the proposed changes to the zones and reservations of the Scheme will be available for public inspection for two months from Friday, 11 March 2005 to Friday, 13 May 2005 at the following locations—
