PUBLIC SECTOR MANAGEMENT ACT 1994 EXEMPTION

In accordance with s.25 (1)(a) of the *Public Sector Management Act 1994*, I exempt the Department of Planning and Infrastructure from the Recruitment, Selection and Appointment Standard, for a fixed term appointment to the Deputy Director General position for a twelve month period.

The exemption allows the fixed term appointment of a nominated person from a local government authority for twelve months. While technically the appointment is covered by the Recruitment, Selection and Appointment Standard, I have approved the exemption because I am of the view that, in effect, the arrangement is a twelve month secondment from a local government authority to the department.

The exemption will apply once only to this twelve month fixed term contract appointment of the person specified to me and cannot be used for any extension beyond twelve months or for any future vacancies that occur in this position or any other position in the department.

15 November 2005.

MAXINE MURRAY, Commissioner for Public Sector Standards.
