**ARMADALE REDEVELOPMENT ACT 2001**  
 ARMADALE REDEVELOPMENT SCHEME 2004—AMENDMENT NO. 9

Notice is hereby given that, in accordance with the consent of the Minister for Planning and Infrastructure to its public notification, the proposed Armadale Redevelopment Scheme 2004—Amendment No. 9 has been prepared by the Armadale Redevelopment Authority.

The Amendment relates to Scheme Contribution Areas and proposes the introduction of new provisions at clause 8.9 of the Scheme that would permit alternative methods to be used for the calculation of owners' contribution area redevelopment costs contributions.

The purpose of the new provisions is to achieve greater equity in cost sharing amongst the various land owners, particularly in the Champion Drive and Brookdale precincts. To that end it has been concluded that application of a differential costing formula is necessary, and while it is expected the formulas may vary in respect to the different precincts, there are two underlying principles that apply in all cases: limiting global costs to only those items that all lots within the contribution plan area will benefit and; ensuring that only those lots that benefit from specific cost items contribute to those items.

A document setting out the Amendment is available for inspection or purchase at the offices of the Armadale Redevelopment Authority, Shops 4-5, Armadale Shopping City, Jull Street, Armadale, between the hours of 8.30 am and 4.30 pm, Monday to Friday, from Tuesday 4 April 2006 until Tuesday 16 May 2006. The document can also be viewed at and downloaded from the Authority's website at [www.ara.wa.gov.au](http://www.ara.wa.gov.au).

Written submissions on the Scheme should be addressed to—

Executive Director  
Armadale Redevelopment Authority  
PO Box 816  
Armadale WA 6992

Submissions may also be hand delivered to the Authority's office and the closing date for all submissions is 5.00pm, Tuesday 16 May 2006.
