AGRICULTURE AND RELATED RESOURCES PROTECTION ACT 1976

LIST OF DECLARED ANIMALS

Agriculture Protection Board,
South Perth, 6 October 2006.

Pursuant to Section 37 of the Agriculture and Related Resources Protection Act 1976, the Agriculture Protection Board hereby lists the classes of animals that are for the time being the subject of a declaration made under Section 35 of that Act, together with the matters specified pursuant to subsection (2) of that Section in relation to each class.

The following applies to the list below—

- If a species does not appear in this list and is not an indigenous animal or a fish (Class Pisces), it and hybrids thereof are prohibited as declared animals in categories A1, A2, A3. The meanings of those categories are summarised below. Of these species some (marked *) have been assessed for entry into the state and have been rejected, so they remain prohibited. Prohibited species should be immediately reported.
- Unless otherwise specified, declarations cover the entire State of Western Australia.
- Bird species declared in categories A1, A2, A3 are not to be held in private, public or research facilities outside the statutory zoo except by government departments permitted for that purpose by the Board.
- If a species does not appear in this list and is an indigenous species, it is not regulated under the *Agriculture and Related Resources Protection Act 1976*, but may be regulated under other legislation.
- It is an offence to liberate or attempt to liberate declared animals or to fail to prevent them being at large.
- Conditions for introduction and keeping of declared animals are specified in the Declared Animals regulations or by Board decision and documentation is available showing requirements for each species.
- Of the species not subject to declaration that are exempt, some (marked #) occur in a commensal or feral state and advice may be obtained from the Agriculture Protection Board on control or management of problems which they may occasionally cause.

Declaration categories under the *Agriculture and Related Resources Protection Act 1976*

- A1** Entry prohibited.
- A2** Subject to eradication in the wild.
- A3** Keeping prohibited.
- A4** Entry subject to Department of Agriculture permits and/or conditions.
- A5** Numbers will be reduced/controlled.
- A6** Keeping subject to Department of Agriculture permits and/or conditions.

- A7** A management programme for each species outlines the area and conditions under which controls may be applied. Programmes are for the whole of the State or as indicated for each species.
