SALARIES AND ALLOWANCES ACT 1975**DETERMINATION MADE ON THE REMUNERATION OF THE MEMBERS OF THE STATE ADMINISTRATIVE TRIBUNAL**

Section 6(1)(e) of the *Salaries and Allowances Act 1975* (The Act) requires the Tribunal, at intervals of not more than twelve months, to enquire into and determine the remuneration to be paid to a person holding any office prescribed for this section.

BACKGROUND

The remuneration of senior and ordinary members of the State Administrative Tribunal came under the jurisdiction of the Salaries and Allowances Tribunal through the *Salaries and Allowances Amendment Regulations 2007* which were gazetted on 16 January 2007. This regulation amendment prescribed these offices for the purposes of Section 6(1)(e) of the *Salaries and Allowances Act 1975*.

The remuneration of the members of the State Administrative Tribunal, which commenced operation on 1 January 2005, was originally set on the advice of the Department of Justice in April 2004. Since that date there has been no change to the remuneration of these office holders.

CURRENT ENQUIRY

The Tribunal received a submission from the State Administrative Tribunal and met with the President. It has also examined the remuneration paid to comparative Tribunals in other jurisdictions, namely the Victorian and Commonwealth Tribunals.

This determination applies only to full time members. As noted above, members' remuneration has not been adjusted since it was initially set in 2004. Since that time salary movements in comparable sectors have increased by significant amounts, of the order of 25 percent or more, and this Tribunal has addressed this issue as a matter of urgency. The Tribunal has determined the remuneration for full time senior members by using the base set in 2004 and applying the increments it has used in subsequent comparable determinations or recommendations. In relation to the remuneration of ordinary members, the Tribunal has adopted the position advocated in the submission and set it at 75 percent of that of senior members. The methodology adopted in this determination is for expediency in view of the time which has elapsed since this remuneration has been reviewed.

The submission from the President also suggested that the senior member position in this state may warrant comparison with a higher position in other states. This will be the subject of further enquiry and, if necessary, further determination in the short term. Remuneration for sessional members also will be determined later in the year.

The Tribunal has determined that the remuneration for the 14 full time members will be as set out in the attached Schedule.

WANTED!!!

Old copies of the *Government Gazette*

State Law Publisher is in the process of scanning all *Government Gazettes* (back to the first one ever published in the 1840's) with the intention of adding the archived copies to our existing on-line service.

We are looking for **donations** of any copies (pre 1994) that are no longer required by clients and would be appreciative of any assistance you can offer in this undertaking.

The scanning process requires single pages, therefore we need to trim the spine off each gazette, which unfortunately ruins the gazettes for future use.

Our preference is for unwanted copies, however, if a client requires their gazettes returned, State Law Publisher will reprint and replace individual editions. If a bound copy is supplied and is to be returned we will reprint all gazettes and arrange to have them rebound for the client.

The benefits of having all the gazettes and indices on-line and searchable will be enormous. This service should remove the need for clients to retain hard copies and will free up valuable storage space.

Barring any unforeseen delays, it should take around a month to scan each year and then release on our website.

Please contact John Thompson on 9426 0010 if you can assist by supplying editions of the *Government Gazette*. For large quantities we will arrange for them to be collected.
