NEW PUBLICATION**Parliament: Mirror of the People?
Members of the Parliament of Western
Australia 1890–2007**

Are our parliaments broadly representative of the people who elect them? How accurately do our elected members of Parliament reflect the views and values of their constituents? And who are our members, where do they come from and how do they get to Parliament?

These are some of the questions the authors, Phillip Pendal, David Black and Harry Phillips, seek to answer in *Parliament: Mirror of the People?* They examine the lives, the experiences, the educational backgrounds, the occupations and other influences on those who have been elected to the Parliament of Western Australia since responsible government was granted in 1890.

The book is written in a lively style that will appeal to the casual reader as well as the historian.
