If permission is not granted by the Council or its duly Authorised Officers you must comply with the requirements of this notice.

All firebreaks and other alternative arrangements allowed by the preceding parts of this notice must be established on or before the 30th day of November 2009 (or within 14 days of you becoming the owner or occupier should this occur after that date) and remain clear of flammable material up to and including the 14th day of March 2010.
