1. Amending clause 36 of the Scheme to reword the title as follows—

**36. HERITAGE PROTECTION**

2. Replacing clauses 36(1)—36(10) with new clauses 36(1)—36(15) as follows—

**Heritage List**

- (1) The Council is to establish and maintain a Heritage List to identify those places within the Scheme area which are of cultural heritage significance and worthy of conservation under the provisions of the Scheme, together with a description of each place and the reasons for its entry.
- (2) Until such time as Council has established a Heritage List, the Heritage List means the municipal inventory prepared by Council pursuant to section 45 of the *Heritage of Western Australia Act 1990*.
- (3) In the preparation of the Heritage List the Council is to—
  - (a) have regard to the municipal inventory prepared by the Council under section 45 of the *Heritage of Western Australia Act 1990*; and

- (7) The Council may remove or modify the entry of a place on the Heritage List by following the procedures set out in clause 36(4).

Note: 1. The purpose and intent of the heritage provisions are—

- (a) to facilitate the conservation of places of heritage value; and
  - (b) to ensure as far as possible that development occurs with due regard to heritage values.
2. "Place" has the same meaning as it has in the *Heritage of Western Australia Act 1990*.

**Designation of a Heritage Area**

- (8) If, in the opinion of the Council, special planning control is needed to conserve and enhance the cultural heritage significance and character of an area, the Council may, by resolution, designate that area as a heritage area.

  - (12) After the expiry of the period within which submissions may be made, the Council is to—
    - (a) review the proposed designation in the light of any submissions made; and
    - (b) resolve to adopt the designation with or without modification, or not to proceed with the designation.

  - (17) In dealing with any matters which may affect a heritage area or individual entry on the Heritage List, including any application for planning approval, Council shall have regard to any Local Planning Policy of the Council.
  - (18) The Council may, in considering any application that may affect a heritage area or individual entry on the Heritage List, solicit the views of the Heritage Council of Western Australia and any other relevant bodies, and take those views into account when determining the application.
4. Replacing clause 36(16) with a new clause 36(19) as follows—

**Formalities of Application**

- (19) In addition to the application formalities prescribed in sub-clauses (16) to (18) above, formalities or requirements associated with applications for planning approval contained in any other provision of the Scheme, the Council may require an applicant for planning approval, where the proposed development may affect a place of cultural heritage significance or a heritage area, to provide one or more of the following to assist the Council in its determination of the application—
