**ENERGY COORDINATION ACT 1994****APPROVAL OF AMENDMENTS TO GAS RETAIL MARKET SCHEME**

The Authority, pursuant to Section 11ZOM of the *Energy Coordination Act 1994*, hereby gives notice that the following amendment to the retail market scheme operated by the Retail Energy Market Company Limited (“REMCo”) has been approved—Rule Change C03/09R.

On 1 October 2009, REMCo transferred its South Australian (“SA”) operations to the Australian Energy Market Operator and became a solely Western Australian (“WA”) operational entity. Rule Change C03/09R removes inoperative SA provisions in the Retail Market Rules (“Rules”) and amends Chapter 6 of the Rules so that existing compliance provisions align with the new WA-only REMCo Board composition. In addition, Rule Change C03/09R adds clarity on the application of the compliance mechanisms to pipeline operators and prescribed persons.

Rule Change C03/09R is to take effect from 16 April 2010.

Details regarding this amendment, including marked-up changes to the rules, are available from REMCo ([www.remco.net.au](http://www.remco.net.au)).
