**Metropolitan Redevelopment Authority Regulations 2011**

Works, acts and activities that do not constitute development

**Part 2****r. 4****Part 2 — Works, acts and activities that do not constitute development****4. Effect of exclusions in relation to heritage places****(1)** In this regulation —

**heritage area** means an area that is listed on a heritage inventory;

**Heritage Council** means the Heritage Council of Western Australia established under the *Heritage of Western Australia Act 1990* section 5;

**heritage inventory** means an inventory of heritage places and heritage areas prepared by the Authority under a redevelopment scheme;

**heritage place** means land, or a building or other structure, that is —

- (a) identified as a heritage place in a redevelopment scheme or in a plan, strategy or other instrument relating to heritage prepared and adopted under a redevelopment scheme; or
- (b) located within a heritage area; or
- (c) listed on the Register of Heritage Places;

**Register of Heritage Places** means the Register established under the *Heritage of Western Australia Act 1990* section 46.

**(2)** A declaration under regulation 5, 8 or 9 that any work, act or activity does not constitute development does not include any work, act or activity carried out in, or in relation to, a heritage place unless subregulation (3) applies to that work, act or activity.

**(3)** This subregulation applies to any work, act or activity —

- (a) that is of the kind referred to in regulation 5(a), (b), (c) or (d); or

**Metropolitan Redevelopment Authority Regulations 2011****Part 2** Works, acts and activities that do not constitute development**r. 5**

---

- (b) that —
  - (i) is of the kind referred to in regulation 5(e), (f), (g), (h) or (i), 8(2) or 9(2), (3) or (4); and
  - (ii) is carried out by or on behalf of the Authority in accordance with a conservation plan, or other arrangement relating to the conservation of the heritage place, prepared by the Authority in consultation with the Heritage Council.

**5. Minor and temporary works, acts and activities**

The following works, acts and activities do not constitute development in a redevelopment area for the purposes of the definition of *development* in section 3 —

- (a) the erection of a traffic control sign or device by a public authority or a local government;
- (b) the erection of a sign within a building (other than one that is attached to the inside of a window);
- (c) the carrying out of maintenance or repair work by a public authority, utility services provider or local government, other than construction of a new building or structure;
- (d) the carrying out by a local government, after consultation with the Authority, of —
  - (i) the construction of a new building or structure associated with roads, such as a bus shelter, public seating and lighting; or
  - (ii) any other work, act or activity associated with roads, such as paving, kerbing and landscaping;
- (e) minor filling, excavation or recontouring of land, or the construction of a retaining wall, if the cumulative change in the natural ground level over the 5 years before the completion of the work as a result of filling, excavation or recontouring of land, or the construction

**Metropolitan Redevelopment Authority Regulations 2011**

**Part 2****r. 6**

of the retaining wall, is no more than 0.5 m, which change is to include any sand pad or site works associated with building;

- (f) the carrying out of work inside a building that is not related to a change of use of any part of the building and does not alter its external appearance;
- (g) the carrying out of work for the maintenance of a building or structure where that work involves the replacement of materials by similar materials and does not materially affect the external appearance of the building or structure;
- (h) the erection, for the duration of construction work approved by the Authority, of a temporary building, structure or sign necessary for the construction work;
- (i) the erection, for the duration of a public event authorised or approved by the Authority, of a temporary building, structure or sign associated with the event;
- (j) the location of a single vehicle or single stall on public land, selling food or other items or providing a community service, for less than 24 consecutive hours in any period of 4 weeks, including any change in the use of the land necessary to permit the vehicle or stall to be used on the land.

**6. Subdivision works**

- (1) In this regulation —

**subdivision works** means works for the purpose of enabling the subdivision of land and includes, to the extent necessary for the subdivision, the following —

- (a) site works, including remediation;
- (b) road works;
- (c) the provision of utility services.

**Metropolitan Redevelopment Authority Regulations 2011****Part 2** Works, acts and activities that do not constitute development**r. 7**

---

- (2) The following works, acts and activities do not constitute development in a redevelopment area for the purposes of the definition of *development* in section 3 —
- (a) the carrying out of subdivision works by the Authority if the works are necessary or desirable for compliance by the Authority with the conditions attached to the approval of the subdivision;
  - (b) the carrying out of subdivision works by a person other than the Authority if —
    - (i) the works are —
      - (I) necessary for compliance by the person with the conditions attached to the approval of the subdivision; or
      - (II) in the opinion of the Authority, desirable for compliance by the person with the conditions attached to the approval of the subdivision;
    - and
    - (ii) the works are not carried out on land that is in a costs contribution area under a redevelopment scheme.

**7. Home occupations**

- (1) In this regulation —
- home occupation* means any work, act or activity that meets the following criteria —
- (a) it is an occupation carried out in a dwelling or on land around a dwelling by an occupier of the dwelling;
  - (b) it is not likely to adversely affect the amenity of the neighbourhood;
  - (c) it does not involve the sale or hire of goods of any nature from, or display of goods of any nature at, the dwelling;

Works, acts and activities that do not constitute development

**Part 2****r. 8**

- (d) in relation to vehicles and parking, it does not —
    - (i) require a greater number of parking facilities than the number permitted for a single dwelling under the applicable redevelopment scheme; or
    - (ii) result in an increase in traffic volume in the neighbourhood;
  - (e) it does not involve the use of a utility service of greater capacity than normally required in the planning zone in which the use is carried out;
  - (f) it does not —
    - (i) involve the employment of more than 2 persons who are not members of the occupier's household; or
    - (ii) occupy an area greater than 50 m<sup>2</sup>; or
    - (iii) require the presence or use of a motor vehicle of more than 3 tonnes tare weight; or
    - (iv) require provision for the fuelling, repair or maintenance of motor vehicles.
- (2) A home occupation does not constitute development in a redevelopment area for the purposes of the definition of **development** in section 3.

**8. Certain works, acts and activities by Authority**

- (1) In this regulation —  
**public work** has the meaning given in the *Public Works Act 1902* section 2.
- (2) The following works, acts and activities do not constitute development in a redevelopment area for the purposes of the definition of **development** in section 3 —
  - (a) the use by the Authority of any land held by the Authority or Crown land, if that use is not prohibited under the relevant redevelopment scheme;

**Metropolitan Redevelopment Authority Regulations 2011****Part 2** Works, acts and activities that do not constitute development**r. 9**

---

- (b) a public work carried out by the Authority on land held by the Authority or Crown land, if the value of the work, as estimated by the Authority, is less than \$1 million.

**9. Certain buildings and related works**

- (1) A declaration under this regulation that any work, act or activity does not constitute development does not include any work, act or activity that —
  - (a) requires the exercise of a discretion under a redevelopment scheme; or
  - (b) is carried out in the development control area as defined in the *Swan and Canning Rivers Management Act 2006* section 3(1).
- (2) The following works, acts and activities do not constitute development in the Armadale redevelopment area for the purposes of the definition of **development** in section 3 —
  - (a) the erection of a single dwelling on a lot with an area greater than 350 m<sup>2</sup>, if the dwelling complies with the redevelopment scheme for that redevelopment area;
  - (b) the erection of an outbuilding to a dwelling, if the outbuilding is less than 60 m<sup>2</sup> in floor area.
- (3) The following works, acts and activities do not constitute development in the Armadale redevelopment area or Midland redevelopment area for the purposes of the definition of **development** in section 3 —
  - (a) the erection of a single storey extension at the side or rear of a dwelling;
  - (b) the erection of solar panels on the roof of a building, if the panels are affixed at the same pitch as the roof;

## Development applications

**Part 4****r. 15****Part 4 — Development applications****15. Criteria for determining whether development application is standard or major application: s. 63(1)**

- (1) For the purposes of section 63(1), a standard application is a development application that, in the opinion of the Authority, has an estimated cost of less than \$7 million.
- (2) For the purposes of section 63(1), a major application is a development application that, in the opinion of the Authority, has an estimated cost of \$7 million or more.

**16. Development application**

A development application must be —

- (a) made in the form approved by the chief executive officer; and
- (b) accompanied by the relevant fee set out in Schedule 5 item 1 or 2.

**17. Plans to accompany development application**

- (1) Except as stated in regulation 20, every development application must be accompanied by at least 4 sets of the following plans —
  - (a) one or more plans showing, in relation to the land on which the development is proposed (the *site*), the following —
    - (i) the location and existing and proposed use of existing buildings;
    - (ii) the location, design and use of any building proposed to be erected or demolished;
    - (iii) existing and proposed means of access for pedestrians and vehicles to and from the site;
    - (iv) the location, design and dimensions of all car parking spaces proposed to be provided, together with access details and any specific allocation of

---

- parking (such as disabled parking and loading zones);
  - (v) the location and dimensions of any area proposed to be provided for the loading and unloading of vehicles and the means of access to and from those areas;
  - (vi) the location of any existing trees and other vegetation;
  - (vii) the location of any areas proposed to be landscaped and the nature and extent of the proposed landscaping;
  - (b) a site plan, relevant floor plans, cross-sections, elevations and details (including materials and finishes) of any building proposed to be erected or altered and of any building proposed to be retained;
  - (c) a plan showing details of any proposed signage or advertising structures, including size, location and any illumination.
- (2) The plans must —
- (a) be clearly legible; and
  - (b) be drawn to a scale commensurate to the development proposed and to a standard scale; and
  - (c) include all relevant dimensions, including —
    - (i) the overall size of the proposed development; and
    - (ii) setbacks to boundaries; and
    - (iii) existing and proposed lot boundaries.
- (3) All measurements used on the plans must be metric.
- (4) If the plans are lodged electronically —
- (a) they must be capable of being reproduced in black and white; or

**Metropolitan Redevelopment Authority Regulations 2011**

## Development applications

**Part 4****r. 18**

---

- (b) if paragraph (a) is not complied with, a version of the plans must also be lodged that is capable of being reproduced in black and white.
- (5) If the plans are not lodged electronically, at least one set of the plans must be drawn to scale at an A3 size capable of being copied in black and white.

**18. Statements to accompany development application**

- (1) In this regulation —
  - heritage area* has the meaning given in regulation 4(1);
  - Register of Heritage Places* has the meaning given in regulation 4(1);
  - statement* includes a document that includes a plan or drawing.
- (2) Except as stated in regulation 20, every development application must be accompanied by at least 4 sets of the following statements —
  - (a) a statement about the effect of the proposed development on the appearance of streets, vegetation and buildings accompanied by —
    - (i) if the application relates to a proposed building with more than 2 storeys (other than a single dwelling) — a perspective drawing indicating that effect and a streetscape analysis; or
    - (ii) if the application relates to a proposed building to be located in a heritage area — a streetscape analysis;
  - (b) a statement about any effect of the proposed development on views, privacy and overshadowing;
  - (c) a statement about the proposed use and operation of the proposed development;

**Metropolitan Redevelopment Authority Regulations 2011****Part 4** Development applications**r. 19**

---

- (d) a statement about any effect the proposed development may have on transport networks, such as public transport, vehicle, bicycle and pedestrian networks;
- (e) if the proposed development does not comply with any requirement of the applicable redevelopment scheme — a statement of the reasons for that failure to comply;
- (f) if the proposed development relates to a place entered in the Register of Heritage Places — a statement about the effect of the proposed development on the heritage values of the place.

**19. Other material to accompany development application**

Except as stated in regulation 20, every development application must be accompanied by —

- (a) a copy of the certificate of title for the land on which the development is proposed; and
- (b) 4 sets of any further information or material required by the approved form.

**20. Electronic lodgment under regulation 17, 18 or 19**

If a development application and one set of anything the application is required to be accompanied by under regulation 17(1), 18(2) or 19 are lodged electronically, no other sets of plans, statements, further information or material are required to accompany the application unless regulation 17(4)(b) applies.

**21. Authority may request additional information**

After a development application is given to the Authority, the Authority may request the applicant to give it further plans or information in relation to matters specified in the request in order to enable it to decide the application.

***Metropolitan Redevelopment Authority Regulations 2011***

## Development applications

**Part 4****r. 22****22. Amending development approval on application**

- (1) A person to whom a development approval has been issued by the Authority may apply to the Authority to do any or all of the following —
  - (a) to amend the approval so as to extend the period within which any development approved must be substantially commenced;
  - (b) to amend or delete any condition to which the approval is subject;
  - (c) to amend an aspect of the development approved that, if amended, would not substantially change the development approved.
- (2) The application must be —
  - (a) made in the approved form; and
  - (b) accompanied by any information or supporting material required by the approved form; and
  - (c) accompanied by the fee set out in Schedule 5 item 3.
- (3) The Authority may give written notice of the particulars of an application under subregulation (1) to any person mentioned in section 64(1) and have regard to any submissions made by the person.
- (4) In considering an application under subregulation (1), the Authority must have regard to the matters mentioned in section 66(1).
- (5) The Authority may decide an application under subregulation (1) by —
  - (a) approving the application with or without conditions; or
  - (b) refusing the application.
- (6) The Authority must decide the application within 90 days after the application is made.

***Metropolitan Redevelopment Authority Regulations 2011*****Part 4**                      Development applications**r. 23**

---

- (7) The Authority must give written notice of any decision under this regulation to the applicant and to any person mentioned in section 64(1)(a) or as it otherwise thinks fit.
- (8) The decision takes effect on the day on which written notice of it is given to the applicant.
- (9) A decision under this regulation in relation to a development approval does not extend the period decided under section 66(3) in respect of the development approval unless that is a specific term of the decision.
- (10) This regulation applies in relation to a development approval under section 60 as if any reference in this regulation to the Authority were a reference to the Minister.

**23.      Review of Authority's decision by SAT**

- (1) An applicant under regulation 22 may apply to the State Administrative Tribunal for a review, in accordance with the PAD Act Part 14, of a decision of the Authority made under that regulation.
- (2) For the purposes of subregulation (1), a failure by the Authority to decide an application under regulation 22 within 90 days after the application is made is to be taken to be a decision of the Authority to refuse the application.

**Metropolitan Redevelopment Authority Regulations 2011**

## Functions of Authority

**Part 5****r. 24****Part 5 — Functions of Authority****24. Delegation: s. 14**

Each of the following persons is prescribed for the purposes of section 14(1)(c) as a person to whom the Authority can delegate a power or duty —

subdivision approval or a requirement of a redevelopment scheme.

- (2) When the Authority receives a request referred to in subregulation (1), the Authority must give the applicant an estimate, in the form approved by the chief executive officer, of —
  - (a) the hours that staff members will spend dealing with the request; and
  - (b) the total fee, calculated in accordance with that form, that the Authority will impose for dealing with that request.
- (3) In an estimate given under subregulation (2), the hourly rates for staff members must be decided by the Authority but must not exceed —
  - (a) for the person in charge of planning at the Authority, \$83.00 per hour; or
  - (b) for a senior planner or manager, \$63.00 per hour; or
  - (c) for a planning officer, environmental health officer or other officer with qualifications relevant to the request, \$34.70 per hour; or
  - (d) for a secretary or administrative officer, \$28.40 per hour.
- (4) The Authority may reduce the estimated total fee specified in an estimate given under subregulation (2).
- (5) The Authority may refuse to deal with a request referred to in subregulation (1) until —
  - (a) the estimated total fee specified in the estimate given under subregulation (2) is paid; or
  - (b) if that fee is reduced under subregulation (4), the reduced fee is paid.

(6) If the Authority —

- (a) decides not to implement the adoption or amendment of a structure plan or the adoption of an amendment to a redevelopment scheme; or
- (b) decides to discontinue the adoption or amendment of a structure plan or the adoption of an amendment to a redevelopment scheme,

any amount paid by the applicant to the Authority for the adoption or amendment and not expended by the Authority on the provision of that service must be refunded to the applicant.

**31. Additional costs and expenses payable by applicants**

- (1) The following costs and expenses, if incurred by the Authority in providing a service described in Schedule 5 items 1 to 7 or referred to in regulation 30, are payable by the applicant in addition to the fee for the provision of the service —
  - (a) costs and expenses of advertising the application and advertising matters related to the application;
  - (b) costs and expenses of any specific assessment, such as an environmental assessment, required in relation to the application;
  - (c) costs and expenses of consultation procedures required in relation to the application;
  - (d) costs and expenses of technical resources and equipment, such as computer modelling, required in relation to the application;
  - (e) costs and expenses of specialist advice, such as advice in relation to heritage matters, required in relation to the application.

- (2) The Authority, in an account given to the applicant, may —
  - (a) require the applicant to pay the costs and expenses referred to in subregulation (1) that the Authority estimates it will incur; or
  - (b) require the applicant to pay the actual costs and expenses referred to in subregulation (1) after they have been incurred.
- (3) Any amount paid in advance by an applicant to the Authority for estimated costs or expenses referred to in subregulation (1) that are not incurred by the Authority must be refunded to the applicant on the completion of the service.

**32. Itemised account to be provided on request**

If an applicant so requests, the Authority must give the applicant an itemised account of any fee the Authority has imposed on the applicant under regulation 30 or 31.

**33. Dispute as to amount payable**

- (1) If a dispute arises as to an amount payable for or in relation to a service to be provided by the Authority arising from a request referred to in regulation 30(1), the dispute may be referred in writing by the Authority or applicant to a Panel for its decision.
- (2) The referral of a dispute to a Panel does not affect the provision of the service for or in relation to which the fee is payable or the requirement to pay that fee, but the Panel may order the Authority to refund any part of the fee paid.
- (3) A Panel's decision on a dispute is final.

**34. Authority may waive or refund fee**

The Authority may waive or refund, in whole or in part, the payment of a fee imposed under this Division.
