**PLANNING AND DEVELOPMENT ACT 2005**  
**DECLARATION OF PLANNING CONTROL AREA 102**

*City of Swan*

Former Swan Valley Nyungar Camp, Caversham

File: 835/02/21/18

**General description**

The Minister for Planning has granted approval to the declaration of a Planning Control Area over the former Swan Valley Nyungar Camp (Reserve 43131) Lots 11942 and 11966 Lord Street, Caversham as shown on Western Australian Planning Commission plan number 3.2491

**Purpose**

The purpose of the Planning Control Area is to allow the future reservation of the lands for Parks and Recreation.

The Commission considers that the planning control area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Parks and Recreation in the Metropolitan Region Scheme.

**Duration and effects**

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the Commission. The penalty for failure to comply with this requirement is \$50,000 and, in the case of a continuing offence, a further fine of \$5,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.

PL501\*

**PLANNING AND DEVELOPMENT ACT 2005**  
**METROPOLITAN REGION SCHEME MAJOR AMENDMENT 1210/41**  
**RATIONALISATION OF STIRLING HIGHWAY RESERVATION**

Call for Public Submissions

The Western Australian Planning Commission (WAPC) intends to amend the Metropolitan Region Scheme (MRS) in the local government areas of Claremont, Cottesloe, Fremantle, Mosman Park, Nedlands and Peppermint Grove and is seeking public comment.

**Purpose**

This MRS amendment proposes a rationalisation of the existing Stirling Highway Primary Regional Roads reservation.

The amendment area is bounded by Queen Victoria Street, North Fremantle and Hampden Road/Broadway, Nedlands and is limited to land near Stirling Highway.

Amending the reservation over Stirling Highway will provide clarity and certainty for landowners, enable orderly land use planning and, for the first time, confirm the long-term highway design.

The amendment proposes a significant reduction to the existing Stirling Highway Primary Regional Roads reservation in Nedlands, Claremont and northern parts of Cottesloe and Peppermint Grove. More than 25 hectares (250,000m<sup>2</sup>) of existing Primary Regional Roads reservation is proposed to be rezoned as Urban in this section of Stirling Highway.

The Stirling Highway reservation is proposed to be increased by approximately 3.48 hectares (34,800m<sup>2</sup>) in Mosman Park and North Fremantle, south of Jarrad Street in Cottesloe and Peppermint Grove, and at important intersections.

The amendment proposes a combination of a reduction of 26.4 hectares (264,000m<sup>2</sup>) and an increase of 3.48 hectares (34,800m<sup>2</sup>) to the existing Stirling Highway reservation, resulting in an overall reduction of more than 22 hectares (220,000m<sup>2</sup>).

**Concept design plans and reports**

Concept design plans and reports prepared for the Stirling Highway Activity Corridor Study demonstrate the proposed long-term road design for Stirling Highway, based on current road design principles. The proposed amendment reflects the highway design.

The concept design plans and reports are available in conjunction with the Metropolitan Region Scheme Amendment.

**Inspection locations**

The plans showing the proposed changes and the WAPC's amendment report, which explains the proposal and supporting documents (concept design plans and reports) are available for public inspection, free of charge from **Tuesday 20 March 2012 to Friday 27 July 2012** at—

- Western Australian Planning Commission, Level 2, 140 William Street, Perth
