As a measure for preventing the outbreak of a bush fire, or for preventing the spread or extension of a bush fire which may occur, all owners and occupiers of land and verge adjacent to that land, within the City of Nedlands' district, are required on or before the 30th day of November in each year, or within 14 days of becoming an owner or occupier if after that date—

Residential Land—Slash all grass and clear all inflammable matter on the land and verge to a height no greater than 5cm and to maintain all grass and all inflammable matter on the land and verge at a height no greater than 5cm up to and including the 31st day of March in the following year.

In addition, trees must be trimmed back to provide a vertical clearance of a minimum three and a half metres (3.5m) to allow fire appliances to drive along the firebreak.

An owner or occupier of the land and verge adjacent that land who fails or neglects to comply with the requisitions of a notice given pursuant to section 33(1) of the *Bush Fires Act 1954* within the time specified in the notice commits an offence and is liable to a penalty of \$5,000 and the City of Nedlands may direct its officers together with such servants, workmen or contractors, and with such vehicles, machinery and appliances as the officers deem fit, to enter upon the land and verge and carry out the requisitions of the notice which have not been complied with and the City of Nedlands may recover the amount of any costs and expenses incurred in carrying out those requisitions in any court of competent jurisdiction as a debt due from the owner or occupier of the land.

If it is impracticable for any reason to clear firebreaks or take measures in accordance with this notice, you may apply to the City of Nedlands in writing before the 19th day of November of each year for permission to provide fire breaks in alternative positions or to take alternative measures to prevent the outbreak or spread of a bush fire. PLANNING AND DEVELOPMENT ACT 2005
 DECLARATION OF PLANNING CONTROL AREA 103
City of Swan

Whiteman Proposed Caravan and Park Home (Leasehold) Facility

File: 835/2/21/19

General description

The Minister for Planning has granted approval to the declaration of a Planning Control Area over the portions of Lots 32 and 11 Marshall Road and Beechboro Road North, Whiteman, as shown on Western Australian Planning Commission (WAPC) plan number 3.2523.

Purpose

The purpose of the Planning Control Area is to allow the possible future reservation of the lands for Public Purposes (Special Uses).

The WAPC considers that the planning control area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Public Purposes (Special Uses) in the Metropolitan Region Scheme.

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$50,000 and, in the case of a continuing offence, a further fine of \$5,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
