- (a) fauna referred to in subregulation (2)(a) to (i) taken with the written permission of the CEO; or
 - (b) fauna taken in accordance with the *Fish Resources Management Act 1994*.
- (5) The operation of section 23(3) of the Act is excluded in relation to the taking of fauna contrary to section 16(1) of the Act if the fauna is taken —
- (a) without the written permission of the CEO; and
 - (b) on land that is relevant CALM land or urban land or in a townsite.
- (6) The operation of section 23(3) of the Act is excluded in relation to the taking of rare flora contrary to section 23F(4) of the Act if the rare flora is taken without the written permission of the CEO.

64. Permission of CEO

- (1) When giving written permission for the purpose of regulation 63, the CEO is to specify in the permission —
 - (a) the person or persons or group, body or association of persons to whom the permission applies; and

- (b) the conditions, if any, subject to which the permission is given.
- (2) The permission has effect —
 - (a) for the period of effect specified in the permission, unless it is sooner revoked by the CEO under regulation 65(2); or
 - (b) if no period of effect is specified in the permission, until it is revoked by the CEO under regulation 65(2).
- (3) The permission has no effect —
 - (a) in respect of any person to whom the permission applies who does not observe or perform a condition; and
 - (b) during any period in which the condition is not observed or performed by that person.

65. Variation and revocation of permission

- (1) If written permission for the purpose of regulation 63 (the *permission*) is given subject to conditions, those conditions may be added to, cancelled, suspended or otherwise varied by written notice given by the CEO to the person or persons or group, body or association of persons to whom the permission applies (the *permission holder*).
- (2) The CEO may at any time revoke the permission by written notice given to the permission holder.
- (3) If the CEO proposes to revoke the permission under subregulation (2), the CEO is to give the permission holder written notice of the proposal and the CEO's reasons for the proposal.
- (4) The notice is to state that the permission holder may make written representations to the CEO concerning the proposal within 21 days after the notice is given.
- (5) The CEO is not to give effect to the proposal without considering any representations received within that period.

By Command of the Governor,

N. HAGLEY, Clerk of the Executive Council.

14. Part 4 inserted

After regulation 12 insert:

Part 4 — Examinations

13. Terms used

In this Part —

candidate means a person taking or proposing to take an examination;

examination means an examination taken for the purposes of external assessment by the Authority;

examination centre means a place designated by the Authority as an examination centre and includes a

place inside an examination centre, such as an office or classroom, in which candidates take an examination;

private candidate means a person who may take an examination under regulation 14(3);

stage, in relation to a unit, refers to the level of difficulty of the unit;

supervisor, in relation to an examination, means a person appointed as a supervisor under regulation 17(1) to supervise the conduct of the examination;

unique reference number means the unique reference number allocated to a student under regulation 4.

14. Requirements relating to enrolment

- (1) A student may take an examination in a course if the student is enrolled in the course.
- (2) Unless given a written exemption by the Authority, a student in the final year of the compulsory education period must take an examination in a course if the student is enrolled in —
 - (a) a pair of units at stage 2 in the course; or
 - (b) a pair of units at stage 3 in the course.
- (3) A person who is not enrolled in a course at a school may take an examination in the course as a private candidate if the person —
 - (a) is a resident of the State; and
 - (b) makes a written application to the Authority within the period approved by the Authority; and
 - (c) pays the fee prescribed in Schedule 1 item 8.

15. Examination centres

- (1) The Authority is to give written notice to a candidate proposing to take an examination of —
 - (a) the examination centre where the candidate is required to take the examination; and
 - (b) the date of the examination; and
 - (c) the time no later than which the candidate is required to attend the examination centre to take the examination.
- (2) The person nominated by the Authority as the manager of an examination centre is to ensure that any examination papers or related materials provided to the examination centre by the Authority are kept secure as directed by the Authority.

16. Identification documents

- (1) The Authority is to issue to each candidate an identification document that sets out —
 - (a) the candidate's unique reference number; and
 - (b) any other information the Authority considers appropriate to identify the candidate.
- (2) A candidate taking an examination must produce his or her identification document if requested to do so by a supervisor.

17. Supervisors

- (1) The Authority may appoint a person as a supervisor to supervise one or more examinations.
- (2) A supervisor is to ensure that any examination papers or related materials provided to the supervisor by the Authority are kept secure as directed by the Authority.

18. Conduct of examinations

- (1) A supervisor may exclude a candidate from an examination centre if the candidate attends the examination centre later than the time notified by the Authority under regulation 15(1)(c).
- (2) A candidate must not bring into an examination centre any materials other than those materials (if any) approved by the Authority for the examination the candidate is taking.
- (3) A supervisor may inspect any materials that a candidate brings into an examination centre.
- (4) A candidate must comply with —
 - (a) a supervisor's request to inspect any materials brought into an examination centre by the candidate; and
 - (b) any reasonable direction given to the candidate by a supervisor or by any other person authorised by the Authority to participate in the supervision of an examination.

19. Examinations to be answered in English

Unless the Authority approves or requires otherwise in respect of a particular examination, a candidate must answer questions in an examination in the English language.

20. Consumption of food and drinks

- (1) A candidate must not consume any food or drinks during an examination other than water from a container of a kind approved by the Authority.

- (2) Subregulation (1) does not apply to a candidate who —
 - (a) is given a written exemption by the Authority;
and
 - (b) complies with any conditions subject to which the exemption is given.

21. Communicating with other candidates etc.

- (1) In this regulation —
supervisor includes a person authorised as described in regulation 18(4)(b).
- (2) Unless given approval by a supervisor to do so, a candidate must not talk to, or otherwise communicate with, another candidate or any other person, other than a supervisor, during an examination.

22. Removal of examination materials from examination centre

Unless given approval by a supervisor to do so, a candidate must not remove any examination materials from the examination centre.

23. Leaving examination centre during an examination

Unless given approval by a supervisor to do so, a candidate must not leave the examination centre during an examination.

24. Practical examinations

- (1) In this regulation —
practical examination means an examination, or a discrete part of an examination, that does not consist of written answers to questions.
- (2) A candidate taking a practical examination, and any material submitted by the candidate to the Authority for the purposes of that examination, may be identified only by means of his or her unique reference number.
- (3) A student who submits any material to the Authority for the purposes of a practical examination must include with that material a written statement that —
 - (a) declares that the material submitted to the Authority is the result of work carried out solely by the student; and
 - (b) is signed by the student; and
 - (c) is witnessed by a teacher who supervised the student's work and by the principal of the student's school.

- (4) A private candidate who submits any material to the Authority for the purposes of a practical examination must include with that material a written statement, verified by statutory declaration, that the material submitted to the Authority is the result of work carried out solely by the candidate.

25. Disability and illness, injury or other impairment

- (1) The Authority may make special arrangements for a candidate if the Authority is satisfied that it is appropriate to do so because the candidate has a disability or is suffering illness, injury or other impairment.
- (2) A candidate who wants special arrangements to be made under subregulation (1) for the purpose of taking an examination must —
 - (a) make a written application to the Authority a reasonable period before the day of the examination; and
 - (b) provide the Authority with any evidence in support of the application that the Authority reasonably requires, which may include a medical certificate or another form of medical evidence.
- (3) If a candidate has an acute disability or acute illness, injury or other impairment on the day of the examination, the candidate may ask the Authority for special consideration in relation to the marks to be awarded for the examination.
- (4) A candidate who wants special consideration under subregulation (3) must —
 - (a) make a written application to the Authority on or before 28 November in the relevant year; and
 - (b) provide the Authority with any evidence in support of the application that the Authority reasonably requires, which may include a medical certificate or another form of medical evidence.
- (5) An application that is to be made, or any evidence that is to be provided, to the Authority under subregulation (2) by a candidate who is a student is to be submitted to the Authority by the principal of the student's school.

26. Fraud, collusion and other misconduct

- (1) In this regulation —
misconduct, engaged in by a candidate, includes the candidate's failure to comply with regulation 16(2), 18(2) or (4), 19, 20(1), 21(2), 22, 23 or 24(3) or (4);
relevant committee means a committee appointed by the Authority of 2 or more people the Authority considers suitably qualified for the purposes of this regulation.
- (2) If the relevant committee is satisfied that a candidate has engaged in fraud, collusion or other misconduct during an examination, the Authority may reduce the marks awarded to the candidate (including a reduction to zero) in respect of the whole, or any part, of the examination.
- (3) A candidate who is the subject of a reduction in marks under subregulation (2) may appeal to the Authority within 7 days after being notified of the reduction.
- (4) An appeal is to be in writing and is to set out the grounds of the appeal.
- (5) A candidate must provide to the Authority any evidence in support of the appeal that the Authority reasonably requires.

27. Appeals committee

- (1) If an appeal is made to the Authority under regulation 26, the Authority is to appoint a committee of 2 or more people the Authority considers suitably qualified to decide the appeal (an *appeals committee*).
- (2) An appeals committee is to be appointed —
 - (a) within 5 days after the appeal is received by the Authority; or
 - (b) if the Authority requires evidence to be provided under regulation 26(5) — within 5 days after the evidence is received by the Authority.
- (3) The appeals committee is to have regard to the grounds of the appeal and any evidence provided by the candidate in support of the appeal.
- (4) In deciding the appeal, the appeals committee may —
 - (a) confirm the candidate's reduction in marks; or
 - (b) increase, to any extent the committee considers appropriate, the marks awarded to the candidate, but not so as to be greater than they were before their reduction under regulation 26(2).

- (4) The appeals committee is to decide the appeal and give the candidate written notification of that decision before the day on which the results of the relevant examination are to be published.

28. Committee procedures

Subject to the directions of the Authority, a committee appointed under regulation 26 or 27 is to determine its own procedures.

2. Modifying the Scheme Text—
 - (1) Modifying Part 6 (Special Control Areas) of the scheme text as follows—
 - (i) In Clause 6.1.1, insert a new dot point as follows—
 - 4. Hopetoun Waste Water Treatment Plant Buffer
 - (ii) Insert a new Clause 6.5 for the Hopetoun Waste Water Treatment Plant Buffer, as follows—

6.5 HOPETOUN WASTE WATER TREATMENT PLANT BUFFER

- 6.5.1 The purpose of identifying the Waste Water Treatment Plant Buffer is to avoid incompatible or odour-sensitive land use or development being established within the odour buffer, and to protect the long term operation of the plant which provides an essential service to the community through the treatment and safe disposal of Hopetoun’s waste water.
- 6.5.2 Despite the land use permissibility indicated in the Scheme Zoning Table or any provisions elsewhere in the Scheme, Planning Approval is required for any proposed use or development within the Hopetoun Waste Water Treatment Plant Buffer Special Control Area.
- 6.5.3 The Waste Water Treatment Plant and its associated infrastructure may create odour and/or noise nuisance to surrounding land uses. Therefore, when determining applications for planning approval for development or land use within the Special Control Area, the Council shall—
 - Consider the compatibility of the use or development with wastewater treatment plant infrastructure having regard to

potential odour and noise emissions from the waste water treatment plant;

- Consider whether the use or development would have a detrimental impact on the long term operation of the waste water treatment plant;
- Obtain and have regard to the advice and recommendations of the Water Corporation and the Department for Environment and Conservation and any relevant policies of the Department of Environment and Conservation and the Western Australian Planning Commission, including State Planning Policy 4.1 (State Industrial Buffer Policy);
- Impose conditions as appropriate on any planning approval to attenuate odour and noise impacts; and
- Not approve any application for land use or development within the buffer that would suffer unacceptable impacts from odour or noise emissions, or which by its nature may adversely impact on the continued operation of the waste water treatment plant

Town Planning Scheme No. 20—Amendment No. 128

Ref: TPS/0103

It is hereby notified for public information, in accordance with section 87 of the *Planning and Development Act 2005* that the Minister for Planning approved the City of Busselton local planning scheme amendment on 15 November 2012 for the purpose of—

1. Rezoning Lot 9005 Pickmore Circus, West Busselton, from ‘Residential’, ‘Recreation’ and ‘Development Investigation Area’ to ‘Special Purpose (Old Broadwater Farm Development Area)’.
2. Including Lot 9005 Pickmore Circus, West Busselton in Special Provision Area No. 43.
3. Inserting the following Special Provisions into Schedule 7 of the Scheme—

Particulars of Land	Zone	Special Provision
Lot 9005 Pickmore Circus, West Busselton	Residential, Business	<ol style="list-style-type: none"> 1. Subdivision and development of the land shall be generally in accordance with the Development Guide Plan for the land adopted by Council and endorsed by the Western Australian Planning Commission pursuant to the Scheme. 2. The provisions of the endorsed Development Guide Plan apply to the land as if its provisions were incorporated into the Scheme and are binding and enforceable in the same manner as those provisions included in the Scheme. 3. All provisions (such as land use and development controls or approval procedures) applicable to a zone, reserve

Particulars of Land	Zone	Special Provision
		<p>or R-code pursuant to the Scheme shall apply to the corresponding land use designations pursuant to the endorsed Development Guide Plan. Notwithstanding this provision, clause 65 of the Scheme shall not apply to the Business Zone.</p> <p>4. Prior to final approval of the Development Guide Plan the developer will prepare a Local Water Management Strategy (LWMS) for the full extent of the site in accordance with the principles outlined in Better Urban Water Management (WAPC, 2008). The LWMS will be prepared to the satisfaction of the City of Busselton with advice from the Department of Water. The LWMS will provide a framework to ensure that the quality and quantity of surface and groundwater is maintained post-development. The strategy will address—</p> <ul style="list-style-type: none"> • Flood management (major events); • Specify measures to ensure that existing hydrological and ecological functions of the adjacent wetlands associated with the New River are not impacted by the future development; • Establish groundwater conditions (based on monitoring) and management requirements; • Identify and describe proposed measures to capture and treat the minor events; and • Outline future monitoring and management requirements. <p>5. As a condition of approval for a stage of subdivision, the developer is to prepare an Urban Water Management Plan (UWMP) for the relevant subdivision stage to the specification and satisfaction of the City of Busselton with advice from the Department of Water. The UWMP will specify how development will occur in a manner that is consistent with the objectives and requirements outlined within the LWMS. The primary objective of the UWMP will be to ensure the implementation of the LWMS at the time of development and will contain details of engineering design in relation to the proposed urban water management approaches.</p> <p>6. Prior to final approval of the Development Guide Plan the developer will prepare a Noise Impact Assessment to the satisfaction of the City of Busselton. The Plan will address the following—</p> <ul style="list-style-type: none"> • Identify likely future traffic volumes, road upgrades and/or changes in road surface conditions that may have implications for noise generated from the Busselton Bypass; and • Determine through quantitative modelling the noise emissions that are expected to be generated by the Busselton Bypass and the extent to which noise emissions are likely to extend into adjacent areas of the subject site.

Particulars of Land	Zone	Special Provision
		<p>The layout of the Development Guide Plan will reflect any requirements of the assessment that are spatially relevant and require land uptake considerations relevant at this stage of planning. Any future development will be undertaken in accordance with the requirements of the Plan, and details will be provided with subdivision applications as to how noise management is to be undertaken in a manner that is consistent with the Plan.</p> <p>7. As a condition of approval for a stage of subdivision adjacent to the Busselton Bypass the developer will prepare a Noise Management Plan to the satisfaction of the City of Busselton. The Plan will address the following—</p> <ul style="list-style-type: none"> • Identify appropriate noise criteria to apply to various uses within the subject site; and • Outline how the proposed noise criteria will be met within the subdivision area. <p>8. As a condition of approval for a stage of subdivision adjacent to the New River and associated wetlands, the developer will prepare a Foreshore Management Plan to the satisfaction of the City of Busselton. The primary objective of the Plan will be to ensure that the foreshore reserves provide an appropriate buffer to the wetland systems from residential development. The Plan will address the following—</p> <ul style="list-style-type: none"> • Identify proposed uses and any works to be undertaken within the foreshore reserves adjacent to subdivision, and provide a management framework to ensure that these do not adversely affect the adjacent wetlands or their hydrological or ecological functions and attributes; • Outline landscaping and revegetation works to be undertaken within the foreshore reserves; and • Specify ongoing monitoring and management activities for a period of not less than two years following subdivision at which point the responsibility for the management of the foreshore reserves will be transferred to the City of Busselton. <p>9. As a condition of the first approval to subdivide the developer is to prepare a Golf Course Management Plan to the satisfaction of the City of Busselton with advice from the Department for Environment and Conservation, to apply to the land to be retained as the golf course. The primary objective of the Plan will be to ensure the preservation of both Western Ringtail Possum and <i>Caladenia procera</i> within the golf course site. The Plan will address the following—</p> <ul style="list-style-type: none"> • Provide details regarding any proposed realignment of the golf course fairways and other infrastructure/facilities;

Particulars of Land	Zone	Special Provision
		<ul style="list-style-type: none"> • Identify areas of remnant vegetation within the golf course site that provide habitat for Western Ringtail Possum or Caladenia procera, and develop management measures to ensure that the habitat functions of these areas are maintained and where possible enhanced; • Detail revegetation that will be undertaken to enhance existing habitat functions within the golf course site; and • Provide a framework for ongoing monitoring and reporting on the resident Western Ringtail Possum population, the Caladenia procera population and any revegetation undertaken for three years following the issue of the title for the golf course lot, and any management response measures proposed. <p>10. As a condition of the first approval to subdivide the developer is to prepare an Orchid Reserve Management Plan to the satisfaction of the City of Busselton with advice from the Department for Environment and Conservation, to apply to the Orchid Reserve. The primary objective of the Plan will be to ensure that the Orchid Reserve is created and managed in a way that ensures the ongoing presence of a viable population of Caladenia procera. The Plan will address the following—</p> <ul style="list-style-type: none"> • Provide construction management measures to minimise impacts to the Caladenia procera population when subdivision works are being undertaken and the Orchid Reserve is created; • Allow for the identification and relocation of Caladenia procera currently outside the reserve (in areas to be developed) to within the Orchid Reserve when subdivision works are undertaken; • Specify a program of weed monitoring and weed management; • Detail access management measures to ensure that uncontrolled access does not impact on the Caladenia procera population; • Outline any revegetation that will be undertaken to increase the resilience of the remnant vegetation within the Orchid Reserve; and • Specify a program of monitoring and maintenance within the Orchid Reserve for three years from when the Orchid Reserve is created. <p>11. 		<p>Plan to the satisfaction of the City of Busselton with advice from the Department for Environment and Conservation. The primary objective of the Plan will be to ensure that the overall future development of the site is undertaken in a way that is sympathetic to the resident Western Ringtail Possum population. The Plan will address the following—</p> <ul style="list-style-type: none"> • Detail the results of Western Ringtail Possum counts/surveys involving at least two additional and more recent (two night) counts, that are in addition to the two surveys that have already been undertaken; • Provide details on how the resident Western Ringtail Possum population can be supported onsite and development occur without requiring animal translocations, or alternatively provide a framework for translocations to occur; • Outline measures to ensure that potential Western Ringtail Possum habitat will be created within the subdivision area, and in particular in areas of Public Open Space and in road reserves; • Ensure the creation and maintenance of east west and north-south corridors through the site through a combination of Public Open Space, adjacent road reserves, foreshore reserves, road reserve landscaping and the planting of these areas with <i>Agonis flexuosa</i>; • Provide construction management measures to ensure that site works do not result in Western Ringtail Possum mortalities; and • Specify an ongoing monitoring and maintenance program to extend for three years after the completion of subdivision works (on a stages basis) and to include Western Ringtail Possum counts, <i>Agonis flexuosa</i> canopy condition monitoring, revegetation/landscaping survival. <p>12. As a condition of the first approval to subdivide the developer is to prepare a Western Grey Kangaroo Management Plan to the satisfaction of the Department of Environment and Conservation;</p> <p>13. As a condition of subdivision approval, the proponent shall prepare a developer contribution plan to the satisfaction of the City of Busselton. An appeal right will exist in respect to determination of the plan pursuant to clause 96 (2) of the Scheme.</p>

4. Modifying the boundary of the existing 'Special Purpose' zone and amending Schedule 4 Additional Uses No. 56 as outlined in the following table—

No.	Particulars of Land	Land Use Permitted/Specified	Conditions
56	Lot 9005 Pickmore Circus, West Busselton	1. Bed and Breakfast or Chalets or Guesthouse 2. Restaurant/Reception Centre 3. Managers/Caretakers Residence 4. Single House	1. The additional uses specified shall be deemed to be "AA" uses for the purpose of clause 21 of the Scheme. 2. No development shall occur on the land prior to preparation of a conservation plan that is approved by the Council. 3. Development of the land shall generally be in accordance with a conservation plan approved by Council.

5. Amending the Scheme Map accordingly.

Order your Bound Volumes of Government Gazette 2012

An attractively presented set of
4 Bound Volumes of Government Gazette

For Government Departments and private firms who require bound copies of Government Gazettes, the State Law Publisher offers a subscription covering 4 Quarterly Volumes at a cost of \$1,289.00.

The Gazettes will be bound in black cloth with gold foil lettering on the spine and can be personalised by the addition of the client's name in gold lettering on the front cover if required.

PLEASE NOTE

On the rare occasion where extra gazettes are published in one quarter, a fifth volume may be required. In this instance the extra cost involved will be borne by the State Law Publisher and not passed on to clients.
