- (m) maintain all electric wiring, gas services and fittings to comply in all respects with the requirements of all relevant public authorities.

Division 2—Ventilation of dwelling houses

3.2 Exemption for short term hostels and recreational campsites

This Division shall not apply to short term hostels and recreational campsites referred to in Division 2 of Part 8.

3.3 Overcrowding

The owner or occupier of a house shall not permit—

- (a) a room in the house that is not a habitable room to be used for sleeping purposes;
- (b) a habitable room in the house to be used for sleeping purposes unless—
 - (i) for every person over the age of 10 years using the room there is at least 14 cubic metres of air space per person; and
 - (ii) for every person up to, and including the age of 10 years, there is at least 8 cubic metres of air space per person; or
- (c) any garage or shed to be used for sleeping purposes.

3.4 Calculate sufficient space

For the purpose of clause 3.3, in calculating the space required for each person—

- (a) each room is to be considered separately and sufficient space is to be allowed in each room for the number of persons present in the room at any one time; and
- (b) a deduction is to be made for the space occupied by furniture, fittings and projections of the walls into a room.

3.5 Ventilation

- (1) A person shall not use or occupy, or permit to be used or occupied, a dwelling house unless the dwelling house is properly ventilated.
- (2) For the purpose of subclause (1) a dwelling house shall be deemed to be properly ventilated if it complies with the Building Code, including the provision of—
 - (a) natural ventilation; or
 - (b) a mechanical ventilation or air-conditioning system complying with AS 1668.2—2002.
- (3) The owner of a dwelling house provided with a mechanical ventilation or air-conditioning system shall ensure that the system is—
 - (a) maintained in good working condition and in accordance with AS/NZS 3666.2:2002; and
 - (b) in use at all times the building is occupied, if it is a building without approved natural ventilation.
- (4) If, in the opinion of an EHO, a dwelling house is not properly ventilated, the local government may, by notice, require the owner of the house to—
 - (a) provide a different, or additional method of ventilation; or
 - (b) cease using the dwelling house until it is properly ventilated.

3.6 Subfloor ventilation

The owner or occupier of a dwelling house shall make provision for subfloor ventilation by ensuring that air bricks and other openings are kept clear of refuse, vegetation, building materials, dirt and the like.

(1) The owner of a dwelling house shall ensure that it is connected with a separate and independent water supply from the mains of a licensed water service operator or a water supply to the satisfaction of the local government.

(2) The water supply shall at all times be capable of delivering an adequate supply of water to each tap in the house.

(3) The water supply to toilets or for garden use may be from a source other than drinking water.

3.8 Rain water tanks

(1) The owner or occupier of a dwelling house for which part of the water supply is drawn from a rain water tank shall—

(a) maintain in a clean condition—

(i) the roof, guttering and downpipes forming the catchment for the tank; and

(ii) the guttering and downpipes appurtenant to the roof;

(b) ensure that each rain water tank is fitted with a tight-fitting mosquito proof cover which shall not be removed at any time except for the purpose of cleaning, repairing or maintaining the tank; and

(c) thoroughly clean and disinfect such tank, at least once in each year, or whenever directed by an EHO to do so.

(2) The owner or occupier of a house for which its entire water supply is drawn from a rain water tank shall ensure that the storage capacity of the tank is not less than 90 000 litres.

(3) The owner or occupier of any non-residential premises on which rainwater and/or borewater is used for human consumption shall—

(a) once every calendar month, have the bacterial quality of each individual water source tested in accordance with the Australian Drinking Water Guidelines 2004, published by the National Health and Medical Research Council;

(b) disinfect the water supply prior to entry into the premises and monitor and record the level of disinfection and pH of the water on a daily basis;

(c) where chlorine is used as the method of disinfection, ensure a free residual chlorine level of between 0.2 milligrams per litre and 0.5 milligrams per litre in the water received from any outlet used for drinking purposes; and

(d) ensure the pH of the water received from any outlet used for drinking purposes is maintained between 7.2 and 7.8.

3.9 Wells

The owner or occupier of any premises must not use, or permit for human consumption, the use of the water of any bore or well unless the bore or well is—

(a) at least 30 metres from any soak well or other possible source of pollution unless otherwise approved by the Executive Director, Public Health; and

(b) covered with a tight-fitting cover without openings of any sort other than those essential for the insertion of a pump.

3.10 Pollution

A person must not deposit on or under any land, any sewage, offensive matter or any other thing, which may pollute or render unfit for human consumption, water from a well or other underground source.

*Division 4—Second-hand furniture, bedding and clothing***3.11 Prohibition on sale**

A person shall not offer for sale or sell any second-hand furniture, bedding or clothing which is filthy or infested with vectors of disease.

3.12 Prohibition of possession

A dealer in second-hand furniture, bedding or clothing shall not have on any premises used for the operation of the business, any second-hand furniture, bedding or clothing which is filthy or infested with vectors of disease.

*Division 5—Morgues***3.13 Licensing of morgues**

(1) All non-government morgues shall be licensed pursuant to the provisions of this clause.

(2) The annual fee for a licence for a place for the temporary reception and keeping of the bodies of the dead awaiting burial or cremation shall be the fee as fixed from time to time by the local government under section 344C of the Act.

(3) An application for a morgue licence shall be in the form approved by the local government from time to time.

- (4) A licence shall—
- (a) be in the form as determined by the local government from time to time; and
 - (b) expire on 31 December after the date of its issue.
- (5) A licence shall not be granted in respect of any premises unless—
- (a) provision has been made for the keeping of the bodies of the dead at a temperature not exceeding zero degrees Celsius;
 - (b) the walls are constructed of stone or brickwork or other approved material;
 - (c) the interior surface of all walls is covered with glazed tiles or is rendered impervious so as to be non-absorbent and washable;
 - (d) all floors are constructed of impervious material, having a fall to an outlet discharging over a trapped gully; and
 - (e) the premises are adequately ventilated by direct communication with the outside air.

PART 4—WASTE FOOD AND LIQUID REFUSE

Division 1—Liquid refuse

4.1 Interpretation

In this Division, unless the context otherwise requires—

liquid refuse includes all washings from windows and vehicles, overflow, bleed off, condensate and drainage from air-conditioning equipment including cooling towers and evaporative coolers and other liquid used for cooling purposes and swimming pool discharges; and

liquid waste means bathroom, kitchen, scullery and laundry wastes, all washings from animal and poultry pens and any other domestic or trade wastes that are discharged by means of a drain to a receptacle for drainage.

4.2 Deposit of liquid refuse

A person shall not deposit, or cause, or permit to be deposited, liquid refuse or liquid waste—

- (a) on a street;
- (b) in a stormwater disposal system; or
- (c) on any land or place other than a place or depot duly authorised for that purpose.

4.3 Disposal of liquid waste

(1) The owner or occupier of premises shall—

- (a) provide, by one of the methods prescribed in this clause, for the disposal of all liquid waste produced on the premises; and
- (b) at all times maintain in good working order and condition any apparatus used for the disposal of liquid waste.

(2) Liquid waste shall be disposed of by one of the following methods—

- (a) discharging it into the sewerage system of a licensed water service operator in a manner approved by the licensed water service operator;
- (b) discharging it into an apparatus for the treatment of sewage and disposal of effluent and liquid waste approved by the Executive Director, Public Health or the local government; or
- (c) collection and disposal at an approved liquid waste disposal site in a manner approved by the Executive Director Public Health.

4.4 Level of disposal field

Where, on any premises, any liquid refuse, liquid waste, or effluent, is disposed of on site, the level of the disposal field shall be a minimum of 1.2 metres above the highest known water table unless a reduced setback is approved by the Executive Director, Public Health.

Division 2—Transport of butchers waste

4.5 Interpretation

In this Division, unless the context otherwise requires—

butchers waste includes animal skeletons and rib cages from a boning room and the inedible products of an abattoir.

4.6 Restriction of vehicles

A person shall not use, for the transport of butchers waste—

- (a) a vehicle used for the transport of food or drugs; or
- (b) anything intended to be used for the packing or handling of food or drugs.

4.7 Transport of butchers waste

(1) A person shall not transport butchers waste otherwise than in—

- (a) a compartment complying with the following specifications—
 - (i) the floor and 4 walls to be made of an approved impervious material and the walls to be not less than 910 millimetres high;

- (ii) all joints to be sealed, welded, soldered or brazed and made watertight;
 - (iii) the loading doors, if any, to be watertight and kept closed at all times except when loading; and
 - (iv) the top to be completely covered by a tarpaulin or other impervious sheet material approved by an EHO, carried over, and secured to the outside of the walls at least 300 millimetres from the top so as to keep the load out of sight of the public; or
- (b) a watertight durable and impervious container fitted with a lid which can be tightly closed.
- (2) A person shall not transport any butchers waste in a vehicle unless the vehicle and its fittings, including the compartment or container referred to in this clause, are—
- (a) maintained in good order and condition; and
 - (b) thoroughly cleaned at the conclusion of each day's work.
- (3) A person shall not load, transport, or unload butchers waste in a manner that is or may be offensive due to—
- (a) the sight of animal skeletons, bones, offal or waste matter;
 - (b) the odour of putrefaction, offal or waste matter; or
 - (c) the presence of blood and particles of flesh or fat dropping onto the surface of the street pavement or ground.

PART 5—NUISANCES AND GENERAL

Division 1—Nuisances

5.1 Interpretation

In this Part, unless the context otherwise requires—

fertiliser includes manure; and

public vehicle means any vehicle to which the public ordinarily has access, whether by payment of a fee or not and includes a taxi or bus.

5.2 Footpaths etc, to be kept clean

An owner or occupier of premises shall maintain any footpath, pavement, area or right of way immediately adjacent to the premises, clear of any rubbish, matter or things coming from or belonging to the premises.

5.3 Public vehicles to be kept clean

The owner or person in control of a public vehicle must—

- (a) maintain the vehicle at all times—
 - (i) in a clean condition; and
 - (ii) free from vectors of disease; and
- (b) whenever directed to do so by an EHO, thoroughly clean and disinfect the vehicle as directed.

5.4 Transportation, use and storage of offal or blood

A person must not transport or store offal or blood, for the purpose of being used as manure, unless it has been sterilised by steam and properly dried.

5.5 Use or storage of fertiliser

An owner or occupier of premises must not use, or keep for the purpose of use, as fertiliser any—

- (a) pig manure;
- (b) human faeces; or
- (c) urine.

5.6 Storage and dispatch of artificial fertiliser

An owner or occupier of premises where artificial fertiliser is stored in bulk for sale must—

- (a) keep all artificial fertiliser in a building—
 - (i) of which the walls, floors and ceilings or undersides of the roof are constructed of durable and non-absorbent materials finished internally with a smooth surface; and
 - (ii) free from damp and properly ventilated;
- (b) take proper precautions to prevent the emission of dust or offensive effluvia from the building; and
- (c) ensure that all artificial fertiliser dispatched from the premises is packed in a manner that prevents any nuisance arising during transit.

5.7 Storage of fertiliser in a house

The owner or occupier of a house where fertiliser or compost is stored or used must—

- (a) prevent the escape of odours, dust or particles of fertiliser or compost;
- (b) treat the fertiliser or compost in a manner that effectively prevents it attracting or being a breeding place for flies or other vectors of disease; and

- (c) store only those amounts of fertiliser or compost—
 - (i) that can readily be used within a reasonable period; or
 - (ii) as may be directed by the local government.

Division 2—Keeping of animals

5.8 Slaughter of animals

(1) Subject to subclause (2), a person, unless exempted under Regulation 20 of the *Food Regulations 2009*, shall not slaughter any animal within the district.

(2) Subclause (1) does not apply to—

- (a) euthanasia of animals by veterinarians or other duly authorised persons;
- (b) slaughter of animals for the purposes of pet meat and game meat operations; and
- (c) slaughter of animals for human consumption in abattoirs approved by the local government.

5.9 Disposal of dead animals

(1) An owner or operator of a veterinary practice where dead animals are kept for more than 12 hours shall refrigerate the carcasses prior to their removal and disposal, at an approved disposal site.

(2) An owner or occupier of premises, other than a veterinary practice, on which there is a dead animal, shall, as soon as possible, remove the carcass for its disposal at an approved disposal site.

(3) An owner, or a person having the care of any animal that dies or is killed in a public or private place, shall, as soon as possible, remove the carcass and arrange for its disposal at an approved disposal site, except where it may be buried on broadacre farmland by the owner.

PART 6—PEST CONTROL

Division 1—Flies

6.1 Interpretation

In this Division, unless the context otherwise requires—

flies means any of the two-winged insects constituting the order Diptera commonly known as flies.

6.2 Fly breeding matter not to be left on premises unless covered or treated

An owner or occupier of premises shall not place, throw, leave, or permit or cause to be placed, thrown or left in, on or about the premises, any matter or thing which is liable to attract or be a breeding place for flies, unless that matter or thing is covered, protected, treated or dealt with in such a manner as to effectively prevent it from attracting or being a breeding place for flies.

6.3 Measures to be taken by an occupier

An owner or occupier of premises shall ensure that—

- (a) rubbish receptacles are kept clean and tightly sealed at all times except when refuse is being deposited or emptied;
- (b) food scraps and uneaten pet food are wrapped tightly and deposited in a rubbish receptacle without delay;
- (c) lawn clippings used on gardens as mulch are raked out thinly;
- (d) fertilisers are dug well into the soil;
- (e) compost heaps are kept well covered;
- (f) barbecues are kept clean and free from food scraps;
- (g) anything that is buried and may attract or be a breeding place for flies is covered with at least 100 millimetres of soil; and
- (h) excrement from pets is collected and properly disposed of without delay.

6.4 EHO may give notice directing measures to be taken

Where, in the opinion of an EHO, flies are prevalent or are breeding on any premises, an EHO may give to the owner or occupier of the premises notice in writing directing him or her to take, within the time specified in the notice, such measures as in the opinion of an EHO are necessary to—

- (a) control the prevalence;
- (b) effect the eradication; or
- (c) effectively prevent the breeding,

of flies.

6.5 Local government may execute work and recover costs

(1) Where—

- (a) a person is required under this Division or directed by a notice given under clause 6.4, to execute any work; and
- (b) that person fails or neglects to comply with the requirement,

the local government may execute the work and may recover from that person the cost of executing the work in addition to any penalty for which that person may be liable under these local laws.

(2) The costs and expenses incurred by the local government in the execution of a power under subclause (1) may be recovered in a court of competent jurisdiction from the person referred to in subclause (1).

(3) The local government shall not be liable to pay compensation or damages of any kind to the person referred to in subclause (1) in relation to any action taken by the local government under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

Division 2—Mosquitoes

6.6 Interpretation

In this Division, unless the context otherwise requires—

mosquitoes means any of the insects constituting the family Culicidae in the order Diptera commonly known as mosquitoes.

6.7 Measures to be taken to prevent mosquitoes breeding

(1) An owner or occupier of premises shall ensure that the premises are kept free from possible mosquito breeding sites and shall—

- (a) follow any direction or notice of an EHO for the purpose of—
 - (i) controlling the prevalence of mosquitoes;
 - (ii) eradication of mosquitoes; or
 - (iii) effectively preventing the breeding of mosquitoes; and
- (b) assist an EHO to locate any possible mosquito breeding sites that may be present in or about the premises.

(2) An owner or occupier of any premises where water is kept in a horse trough, poultry drinking vessel or other receptacle shall—

- (a) frequently change the water; and
- (b) keep the water clean and free from vegetable matter and slime.

(3) An owner or occupier of premises, where a septic tank is installed, shall ensure the fixture is in a sound condition at all times, with the inclusion of mesh covering any educt vent to the system, with openings no larger than 1.2 millimetres. Where there is a swimming pool on any premises where the circulation system does not function, or has not been used such that the pool water is green or stagnant and suitable for breeding mosquitoes, the owner or occupier shall, when required by a notice issued by an EHO—

- (a) reactivate the pool circulation system within a time specified and operate it so that the water is filtered for as many hours as may be specified; and/or
- (b) chlorinate and adjust the pH of the pool to—
 - (i) 4 milligrams per litre free chlorine; and
 - (ii) pH within the range 7.2-7.6; or
- (c) empty or drain the pool; or
- (d) add a larvicide to the pool at the specified rate; or
- (e) pour up to 1 litre of paraffin oil or kerosene onto the water surface of the pool; and
- (f) maintain the pool water free of mosquito breeding.

(4) An owner or occupier of land shall cause all drains and channels in or on the land to be kept in good order and free from obstruction.

6.8 Local government may execute work and recover costs

(1) Where—

- (a) a person is required under this Division or directed by a notice given under clause 6.7 to execute any work; and
- (b) that person fails or neglects to comply with the requirement,

the local government may execute the work and recover from that person the cost of executing the work, in addition to any penalty for which that person may be liable.

(2) The costs and expenses incurred by the local government in the execution of a power under subclause (1) may be recovered in a court of competent jurisdiction from that person.

(3) The local government is not liable to pay compensation or damages of any kind to the person referred to in subclause (1) in relation to any action taken by the local government under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

Division 3—Rodents

6.9 Interpretation

In this Division, unless the context otherwise requires—

rodents means those animals belonging to the order Rodentia and includes rats and mice but does not include native rodents, laboratory bred rats and mice, or those kept as pets in an enclosure designed for the purpose of keeping as pets, animals of that kind.

6.10 Measures to be taken to eradicate rodents

- (1) An owner or occupier of any premises, shall at all times take effective measures to eradicate any rodents and prevent the harbourage or potential harbourage of rodents in or on the premises.
- (2) An EHO may direct, orally or in writing, an owner or occupier of premises to take whatever action, in the opinion of an EHO, is necessary or desirable to prevent or deter the presence of rodents in or on the premises.
- (3) An owner or occupier shall, within the time specified, comply with any direction given by an EHO under this clause.

6.11 Waste food etc to be kept in rodent proof receptacles

A person must not store, or allow to be stored, on any premises, any food, refuse or other waste matter unless it is contained in a rodent proof receptacle or compartment.

6.12 Restrictions on keeping of rodents

A person or body who keeps rodents shall—

- (a) at all times ensure that all live rodents are kept in the effective control of a person or in locked cages; and
- (b) if a rodent escapes—
- (i) forthwith take all reasonable steps to destroy or recapture the rodent; and
 - (ii) comply with the requirements of clause 6.10.

*Division 4—Cockroaches***6.13 Interpretation**

In this Division, unless the context otherwise requires—

cockroach means any of the various orthopterous insects commonly known as cockroaches.

6.14 Measures to be taken to eradicate cockroaches

- (1) An owner or occupier of premises shall take effective measures to eradicate any cockroaches in or on the premises.
- (2) An EHO may direct, orally or in writing, an owner or occupier of premises to take whatever action that, in the opinion of the EHO, is necessary or desirable to prevent or deter the presence of cockroaches in or on the premises.
- (3) An owner or occupier shall, within the time specified, comply with any direction given by an EHO under this clause.

*Division 5—Argentine Ants***6.15 Interpretation**

In this Division, unless the context otherwise requires—

Argentine Ant means an ant belonging to the species *Linepithema humile* (formally *Iridomyrmex humilis*).

6.16 Measures to be taken to keep premises free from Argentine Ants

An owner or occupier of premises shall ensure that the premises are kept free from Argentine Ant colonies and shall—

- (a) take all steps to locate any nests if Argentine Ants are noticed in, on or about the premises;
- (b) properly treat all nests of Argentine Ants with an approved residual based insecticide; and
- (c) whenever required by an EHO—
- (i) treat any area or infestation with an insecticide referred to in paragraph (b); and
 - (ii) remove any objects, including timber, firewood, compost or pot plants in accordance with a direction from an EHO.

*Division 6—European Wasps***6.17 Interpretation**

In this Division, unless the context otherwise requires—

6.18 Measures to be taken to keep premises free from European Wasp nests

An owner or occupier of premises shall ensure that the premises are kept free from European Wasp nests and shall—

- (a) follow any direction of an EHO for the purpose of destroying the European Wasps and their nests; and
- (b) assist an EHO, or his or her representative, to trace any nest that may be present in, on or about the premises.

*Division 7—Arthropod vectors of disease***6.19 Interpretation**

In this Division, unless the context otherwise requires—

arthropod vectors of disease includes—

- (a) fleas (*Siphonaptera*);
- (b) bedbugs (*Cimex lectularius*);
- (c) pubic lice (*Phthirus pubis*);
- (d) body lice (*Pediculus humanus humanus*, also known as *Pediculus humanus corporis*); and
- (e) head lice (*Pediculus humanus capitis*).

6.20 Responsibility of the owner or occupier

The owner or occupier of premises shall—

- (a) keep the premises and any person residing in or on the premises, free from any arthropod vectors of disease; and
- (b) comply with the direction of an EHO to treat the premises, or anything on the premises, for the purpose of destroying any arthropod vectors of disease.

PART 7—INFECTIOUS DISEASES*Division 1—General provisions***7.1 Requirements on owner or occupier to clean, disinfect and disinfect**

(1) The local government or an EHO may, by notice in writing, direct an owner or occupier of premises, within the time and in the manner specified in the notice, to clean, disinfect and disinfect—

- (a) the premises; or
- (b) such things in or on the premises as are specified in the notice,

or both, to the satisfaction of the EHO.

(2) An owner or occupier shall comply with a notice given under subclause (1).

7.2 EHO may disinfect or disinfect premises

(1) Where the local government or the medical officer is satisfied that any case of infectious disease has occurred on any premises, the local government or the medical officer may direct an EHO, other local government officer or other person to disinfect and disinfect the premises or any part of the premises and anything in or on the premises.

(2) An owner or occupier of premises shall permit, and provide access to enable an EHO, other local government officer or other person to carry out the direction given under subclause (1).

(3) The local government may recover, in a court of competent jurisdiction, the cost of carrying out the work under this clause from the owner or occupier of the premises in or on which the work was carried out.

(4) The local government shall not be liable to pay compensation or damages of any kind to the owner or occupier of premises in relation to any action taken by the local government or any of its staff or employees under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

7.3 Insanitary houses, premises and things

(1) An owner or occupier of any house or premises shall maintain the house or premises free from any insanitary condition or thing.

(2) Where the local government considers that a house is insanitary, it may, by notice in writing, direct an owner of the house, within the time and in the manner specified in the notice, to destroy or amend the house.

(3) Where an EHO considers that—

- (a) a house or premises is not being maintained in a sanitary condition; or
- (b) any thing is insanitary,

the EHO may, by notice in writing, direct, as the case may be—

- (i) the owner or occupier of the house or premises to amend any insanitary condition; or
- (ii) the owner or occupier of the thing to destroy or amend it,

within the time and in the manner specified in the notice.

(4) A person to whom a notice has been given under subclauses (2) or (3) shall comply with the terms of the notice.

7.4 Persons in contact with an infectious disease sufferer

If a person in any house is, or is suspected of, suffering from an infectious disease, any occupant of the house or any person who enters or leaves the house—

- (a) shall obey such instructions or directions as the local government or the medical officer may issue; and

- (b) may be removed, at the direction of the local government or the medical officer to isolation in an appropriate place to prevent or minimise the risk of the infection spreading and if so removed, shall remain in that place until the medical officer otherwise directs.

7.5 Declaration of infected house or premises

- (1) To prevent or check the spread of infectious disease, the local government or the medical officer may from time to time declare any house or premises to be infected.
- (2) A person shall not enter or leave any house or premises declared to be infected, without the written consent of the medical officer or an EHO.

7.6 Destruction of infected animals

(1) An EHO, upon being satisfied that an animal is or may be infected or is liable to be infected or to convey infection may, by notice in writing, direct that the animal be examined by a registered veterinary officer and all steps taken to enable the condition to be controlled or eradicated or the animal destroyed and disposed of—

- (a) in the manner and within the time specified in the notice; and
- (b) by the person in whose possession, or upon whose premises, the animal is located.

(2) A person who has in his or her possession or upon premises occupied by him or her, an animal which is the subject of a notice under subclause (1), shall comply with the terms of the notice.

7.7 Disposal of a body

(1) An occupier of premises in or on which is located the body of a person who has died of an infectious disease shall, subject to subclause (2), cause the body to be buried or disposed of in such manner, within such time and with such precautions as may be directed by the medical officer.

(2) A body shall not be removed from premises where death occurred except to a cemetery or morgue.

7.8 Local government may carry out work and recover costs

(1) Where—

- (a) a person is required under this Division or by a notice given under this Division, to carry out any work; and
- (b) that person fails or neglects to comply with the requirement,

that person commits an offence and the local government may carry out the work or arrange for the work to be carried out by another.

(2) The costs and expenses incurred by the local government in the execution of a power under this clause may be recovered in a court of competent jurisdiction from the person referred to in subclause (1)(a).

(3) The local government shall not be liable to pay compensation or damages of any kind to the person referred to in subclause (1)(a) in relation to any action taken by the local government under this clause, other than compensation or damages for loss or damage suffered because the local government acted negligently or in breach of duty.

Division 2—Disposal of used condoms and needles

7.9 Disposal of used condoms

(1) An occupier of premises on or from which used condoms are produced shall ensure that the condoms are—

- (a) placed in a sealed impervious container and disposed of in a sanitary manner; or
- (b) disposed of in such a manner as may be directed by an EHO.

(2) A person shall not dispose of a used condom in a public place except in accordance with subclause (1).

7.10 Disposal of used needles

A person shall not dispose of a used hypodermic syringe or needle in a public place unless it is placed in an impenetrable, leak-proof container and deposited in a refuse receptacle.

PART 8—LODGING HOUSES

Division 1—Registration

8.1 Interpretation

(1) In this Part, unless the context otherwise requires—

vector of disease means an arthropod or rodent that transmits, by biological or mechanical means, an infectious agent from a source or reservoir to a person, and includes fleas, bedbugs, crab lice, body lice and head lice.

(2) Where in this Part an act is required to be done or forbidden to be done in relation to any lodging house, the keeper of the lodging house has, unless the contrary intention appears, the duty of causing the act to be done, or of preventing the act so forbidden from being done, as the case may be.

8.2 Lodging house not to be kept unless registered

A person shall not keep or cause or allow to be kept a lodging house unless—

- (a) the lodging house is constructed in accordance with the requirements of this Part;
- (b) the lodging house is registered by the local government under clause 8.4;
- (c) the name of the person keeping or proposing to keep the lodging house is entered in the register of keepers; and
- (d) when required by the local government either—
 - (i) the keeper; or
 - (ii) a manager who, with the written approval of an EHO, has been appointed by the keeper to have the care and management of the lodging house,

resides or intends to reside continuously in the lodging house whenever there is 1 or more lodgers in the lodging house.

8.3 Application for registration

An application for registration of a lodging house shall be—

- (a) in the form approved by the local government from time to time;
- (b) duly completed and signed by the proposed keeper; and
- (c) accompanied by—
 - (i) the approved fee as fixed from time to time by the local government under section 344C of the Act; and
 - (ii) detailed plans and specifications of the lodging house.

8.4 Approval of application

The local government may approve, with or without conditions, an application by issuing to the applicant a certificate of registration in the form approved by the local government from time to time.

8.5 Renewal of registration

A person who keeps a lodging house which is registered under this Part shall—

- (a) during the month of June in each year apply to the local government for the renewal of the registration of the lodging house in the form approved by the local government from time to time; and
- (b) pay the approved fee as fixed from time to time by the local government under section 344C of the Act at the time of making each application for renewal.

8.6 Notification upon sale or transfer

If the owner of a lodging house sells or transfers, or agrees to sell or transfer, the lodging house to another person, he or she shall, within 14 days of the date of sale, transfer or agree to give to the local government, in the form approved by the local government from time to time, written notice of the full name, address and occupation of the person to whom the lodging house has been, or is to be, sold or transferred.

8.7 Revocation of registration

(1) Subject to subclause (3), the local government may, at any time, revoke the registration of a lodging house for any reason which, in the opinion of the local government, justifies the revocation.

(2) Without limiting the generality of subclause (1), the local government may revoke a registration upon any one or more of the following grounds—

- (a) that the lodging house has not, to the satisfaction of the local government, been kept free from vectors of disease or remained in a clean and sanitary condition;
- (b) that the keeper has—
 - (i) been convicted of an offence against this local law in respect of the lodging house;
 - (ii) not complied with a requirement of this Part; or
 - (iii) not complied with a condition of registration;
- (c) that the local government, having regard to a report from the Police, is satisfied that the keeper or manager is not a fit and proper person; and
- (d) that, by reason of alterations or additions or neglect to repair and renovate, the condition of the lodging house is such as to render it, in the opinion of the local government, unfit to remain registered.

(3) Before revoking the registration of a lodging house under this local law, the local government shall give notice to the keeper requiring him or her, within a time specified in the notice, to show cause why the registration should not be revoked.

(4) Whenever the local government revokes the registration of a lodging house, it shall give the keeper notice of the revocation and the registration shall be revoked as from the date on which the notice is served on the keeper.

(3) Where, in this local law, a duty, obligation or liability is imposed on an “owner or occupier” the duty shall be deemed to be imposed jointly and severally on each owner and occupier.

(4) Where, under this local law, the local government is authorised to carry out actions, or cause to be undertaken works, as a consequence of the failure of any person to comply with the terms of a notice or other conduct, the right to enter land is at all times subject to the provisions of Part 3, Division 3, subdivision 3 of the Act.

PART 2—KEEPING OF ANIMALS

Division 1—Animals

2.1 Interpretation

In this Division, unless the context otherwise requires—

- animal** includes cats, dogs, rabbits and ferrets or the like;
- catteries** are premises registered for the breeding or caring of cats;
- manure bin** means a receptacle constructed of smooth, impervious material and in such a manner as to be easily cleaned, which has a tight fitting lid or cover to prevent the release of odours and prevent the entry of flies;

2.2 Cleanliness

An owner or occupier of premises in or on which a dog, cat or other animal is kept shall—

- (a) keep the premises free from excrement, filth, food waste and all other matter which is or is likely to become offensive or injurious to health, or to attract rats or other vectors of disease;
- (b) when so directed by an EHO, clean and disinfect the premises; and
- (c) keep the premises, so far as possible, free from flies or other vectors of disease, by spraying with a residual insecticide or other effective means.

2.3 Animal enclosures

(1) A person shall not keep or cause, or permit to be kept, any animals on premises which are not effectively drained or of which the drainage flows to the walls or foundations of any building.

(2) The owner or occupier of premises where animals are kept shall, when directed by an EHO, pave, grade and drain the floors of all structures and the surface of the ground of all enclosures used for the keeping of animals.

2.4 Cats

(1) Subject to subclauses (6) and (7), a person shall not, without an exemption in writing from the local government, keep more than 3 cats over the age of 3 months on premises on any land within the district.

(2) An owner or occupier of premises may apply in writing to the local government for exemption from the requirements of subclause (1).

(3) The local government shall not grant an exemption under subclause (2) unless it is satisfied that the number of cats to be kept will not be a nuisance or injurious or dangerous to health.

(4) An exemption granted under this clause shall specify—

- (a) the owner or occupier to whom the exemption applies;
- (b) the premises to which the exemption applies; and
- (c) the maximum number of cats which may be kept on the premises.

(5) A person who is granted an exemption under subclause (3) may be required by the local government to house, or keep cats in such manner as directed by an EHO.

- (6) A person may keep more than 3 cats on premises used for veterinary purposes or as a pet shop.
- (7) The occupier of any premises shall not keep a cattery on those premises, unless the cattery is registered with the local government and the occupier has complied with the following conditions—
- (a) the occupier shall obtain approval from the local government to establish a cattery;
 - (b) upon receiving approval to establish a cattery, the occupier shall apply for registration of the cattery in the form approved by the local government;
 - (c) the occupier shall have paid, to the local government, the annual registration fee as determined from time to time by the local government under section 6.16 to 6.19 of the Act;
 - (d) the occupier shall provide, for every cat, a properly constructed shelter with an enclosure, which shall comply with the following conditions—
 - (i) every shelter shall have a floor area of not less than 0.5 square metres for every cat over the age of 3 months old that may be kept therein; and
 - (ii) the area of the enclosure appurtenant to any shelter or group of shelters forming a cattery shall not be less than 3 times the area of the shelter or group of shelters to which it is appurtenant;
 - (e) every shelter or enclosure shall be at least 10 metres from the boundary of any land not in the same ownership or possession, or at least 10 metres from any dwelling, church, schoolroom, hall, factory, dairy or premises wherein food is manufactured, packed or prepared for human consumption; and
 - (f) all enclosures, yards, runs and shelters within which cats are kept shall be maintained at all times in a clean condition and free from vectors of disease and shall at any time be cleaned, disinfected or otherwise dealt with as an EHO may direct.
- (8) A certificate of registration of a cattery issued by the local government shall—
- (a) be in the form approved by local government; and
 - (b) expire on 30 June next after the date of its issue.

Division 2—Keeping of birds

2.5 Keeping of poultry and pigeons in a residential zone

- (1) An owner or occupier of premises in a residential zone shall not keep or permit to be kept on the premises any poultry or pigeons—
- (a) unless approved by the local government in accordance with clause 2.6; and
 - (b) otherwise than in accordance with subclause (2).
- (2) An owner or occupier of premises in a residential zone shall not keep or permit to be kept on the premises—
- (a) more than 12 poultry; and
 - (b) more than 12 pigeons unless the owner or occupier is an affiliated person in which case the maximum number of pigeons may be increased to 100.

2.6 Application for approval to keep poultry and pigeons in a residential zone

- (1) Subject to compliance with subclause 2.5(2), the local government may approve the keeping of poultry or pigeons in accordance with these local laws by an owner or occupier of premises within a residential zone subject to the following—
- (a) the owner or occupier submitting an application to the local government, which application shall—
 - (i) specify the number of poultry or pigeons proposed to be kept; and
 - (ii) include a site plan showing lot size, location of enclosure, distance from boundaries and buildings and proximity to houses on adjoining land.
- (2) The local government may, at its discretion, conduct public consultation with all owners/occupiers whose property abuts the applicant's property prior to the application being determined.
- (3) The local government may approve, with or without conditions, or refuse to approve an application received under this clause.
- (4) Where an approval for the keeping of poultry or pigeons is issued subject to conditions, the holder of the approval shall comply or cause compliance with those conditions.

2.7 Conditions for keeping of poultry

A person who keeps poultry or permits poultry to be kept shall ensure that—

- (a) no poultry shall be kept less than 9 metres from any residential building;
- (b) no poultry is able to approach within 15 metres of a public street, public building, commercial premises or food premises;
- (c) all poultry is kept in a properly constructed and securely fastened structure;
- (d) the structure has an impervious floor laid with a fall to the front of at least 1 in 50;
- (e) all structures or enclosures within which poultry are kept are maintained at all times in a clean condition; and
- (f) all poultry is kept continually confined.

2.8 Roosters, geese, turkeys and peafowl

Except on land in a rural or rural residential zone, or with the prior written permission of the local government, an owner or occupier of premises shall not keep any of the following—

- (a) roosters;
- (b) geese;
- (c) turkeys; or
- (d) peafowls.

2.9 Conditions for keeping of pigeons

(1) A person who keeps pigeons, or permits pigeons to be kept, shall ensure that—

- (a) all pigeons are kept in a properly constructed pigeon loft, except where registered homing pigeons are freed for exercise;
- (b) all structures or enclosures within which pigeons are kept are maintained at all times in a clean condition;
- (c) no opening to a pigeon loft, including openings for ventilation, is within 9 metres of any residential building; and
- (d) no opening to a pigeon loft, including openings for ventilation, is within 15 metres of a public street, public building, commercial premises or food premises.

(2) An affiliated person who keeps pigeons, or permits pigeons to be kept, shall do so in accordance with the Code of Practice—Pigeon Keeping, subject to the provisions of this local law.

2.10 Termination of approval to keep poultry or pigeons

If an owner or occupier of premises to whom an approval to keep poultry or pigeons has been granted by the local government pursuant to subclause 2.6(3)—

- (a) breaches a condition of the approval;
- (b) breaches clause 2.7 or clause 2.9 of this local law; or
- (c) fails to comply with a written notice served by the local government in relation to the keeping of poultry or pigeons,

then the local government may cancel its approval upon written notice of such cancellation being given to the owner or occupier within 60 days of the breach or failure to comply as the case may be.

2.11 Restrictions on pigeon nesting and perching

The local government may order an owner or occupier of a house on or in which pigeons are, or are in the habit of nesting or perching, to take adequate steps to prevent them from continuing to do so.

2.12 Conditions of keeping aviary birds

A person who keeps, or permits to be kept, aviary birds shall ensure that—

- (a) the aviary or cage in which the birds are kept is located at least 1 metre from any lot boundary and at least 5 metres from a residential building on any other lot;
- (b) there is a floor beneath the roofed area of the aviary or cage which is constructed of smooth, impervious material with a gradient of at least 1 in 50 to the front of the aviary or cage;
- (c) the aviary or cage is kept in clean condition and good repair at all times;
- (d) all feed for the birds other than that intended for immediate consumption is stored in vermin proof containers; and
- (e) effective measures are taken to prevent the attraction or harbourage of vermin.

2.13 Nuisance caused by birds

An owner or occupier of land shall not keep any bird or birds which—

- (a) are or create a nuisance; or
- (b) emit an unreasonable noise.

*Division 3—Keeping of bees***2.14 Permit required to keep bees**

(1) Subject to the provisions of this clause, a person shall not keep bees or allow bees to be kept on land except in accordance with a valid permit issued in relation to the land.

(2) Subclause (1) does not apply where—

- (a) the land is outside the townsite; and
- (b) the bees are kept—
 - (i) at least 500 metres from a thoroughfare; or
 - (ii) less than 500 metres from a thoroughfare but the vegetation or a screen or other barrier on the land is such as to encourage the bees to fly at a height over the thoroughfare as will not create a nuisance to users of the thoroughfare.

(3) Subclause (1) does not apply where an occupier of land keeps bees on the land—

- (a) for a continuous period not exceeding 8 weeks; and
- (b) for the purpose of pollinating a crop on the land.

(4) An occupier referred to in subclause (3), in keeping bees under that subclause, shall provide a good and sufficient water supply on the land which is readily accessible by the bees.

(5) Subclause (1) does not apply where a person keeps bees on Crown land.

2.15 Application for a permit

An applicant for a permit shall—

- (a) be a person registered as a beekeeper under section 8 of the *Beekeepers Act 1963*;
- (b) provide such details as may be required by the local government;
- (c) apply in the form approved by the local government; and
- (d) pay any application fee imposed and determined by the local government under sections 6.16 to 6.19 of the Act.

2.16 Determination of application

(1) The local government may—

- (a) refuse to determine an application for a permit which does not comply with clause 2.15;
- (b) approve an application for a permit subject to the conditions referred to in clause 2.14 and to such other conditions as it considers appropriate; or
- (c) refuse to approve an application for a permit.

(2) Where an application for a permit is approved subject to conditions, the permit holder is to comply with those conditions or is to cause those conditions to be complied with.

(3) Where the local government approves an application under subclause (1)(b), it is to issue to the applicant a permit in the form approved by the local government.

(4) A permit is valid from the date of issue unless, and until, it is cancelled under this local law.

2.17 Conditions of approval

(1) Without limiting the generality of paragraph 2.17(1)(b) an application for a permit may be approved by the local government subject to the following conditions—

- (a) the provision of a good and sufficient water supply on the land which is readily accessible by the bees on the land;
- (b) each bee hive shall be—
 - (i) kept at a distance specified by the local government from any thoroughfare, public place or boundary of the land; or
 - (ii) located near a screen or other barrier so as to prevent the bees flying low over a thoroughfare, public place or adjoining land;
 - (iii) no more than 2 bee hives are to be kept on land of less than 2 000 square metres in area; and
 - (iv) no more than 15 bee hives are to be kept on land between 2 000 square metres and 20 000 square metres in area.

(2) In respect of a particular application for a permit, the local government may vary any of the conditions referred to in subclause (1).

2.18 Variation or cancellation of permit and conditions

(1) The local government may vary the conditions of a permit after it has been issued.

(2) The local government may cancel a permit on the request of a permit holder to do so.

(3) Notwithstanding clause 2.22, a permit shall be cancelled on—

- (a) the permit holder ceasing to be registered as a beekeeper under section 8 of the *Beekeepers Act 1963*; or
- (b) the expiration of a continuous period of 12 months during which the permit holder has not kept any bees on the land to which the permit relates, without any action required on the part of the local government.

2.19 Permit holder to notify cessation of registration or keeping of bees

(1) In this clause a *permit holder* includes the holder of a permit cancelled by subclause 2.18(3).

(2) A permit holder is to notify the local government in writing as soon as practicable after—

- (a) the permit holder ceases to be registered as a beekeeper under section 8 of the *Beekeepers Act 1963*; or
- (b) a continuous period of 12 months has passed during which the permit holder has not kept any bees on the land described in her or his permit.

(3) A permit holder shall, within 7 days of the local government giving the permit holder a written notice to do so, provide to the local government—

- (a) written proof of her or his registration as a beekeeper under section 8 of the *Beekeepers Act 1963*;
- (b) in respect of land identified by the local government in its notice, a signed statement as to whether or not he or she has kept bees on the land within the 12 months preceding the date of the notice; or
- (c) both.

2.20 Permit not transferable

A permit is personal to the permit holder and applies only to the land described in the permit.

2.21 Nuisance

A person shall not keep, or allow to be kept, bees or beehives, or both, on land so as to create a nuisance.

2.22 Notice to remove bees

(1) Whenever, in the opinion of the local government, a person has contravened any provision of the *Beekeepers Act 1963* or of this local law which relates to the keeping of bees or bee hives, the local government may give the permit holder, in relation to that land, or if there is no valid permit in relation to that land, an owner or occupier of the land, a written notice requiring her or him to remove any bees or bee hives, or both, from the land within the time specified in the notice.

(2) Subject to Division 1 of Part 9 of the Act, on the giving of a notice referred to in subclause (1), any valid permit given by the local government relating to the keeping of bees or bee hives on that land is cancelled from the time specified in the notice, being not less than 7 days from the date it is given.

(3) Where a person fails to comply with a notice given under subclause (1), the local government may dispose of the bees or the bee hives or both, in such manner as it sees fit and recover the costs of so doing from the permit holder, or an owner or occupier, as the case may be, as a debt due to it.

*Division 4—Keeping of farm animals***2.23 Permit required to keep farm animals**

Subject to clause 2.28, an owner or occupier of land shall not keep, or allow to be kept, any farm animal unless—

- (a) in accordance with a valid permit authorising the keeping of such a farm animal issued in relation to the land pursuant to clause 2.26; or
- (b) in a rural zone and in accordance with the provisions of any local planning scheme applicable to that zone.

2.24 Application for a permit to keep farm animals

An application for a permit required by clause 2.23 shall be in the form approved by the local government and shall include the following information—

- (a) a plan of the property, at a scale not less than 1:200, with dimensions clearly marked, showing where it is proposed that the animal is to be kept and the distance of that location from any residential building on another lot, Class 6 building or Class 9 building, business premises or food premises;
- (b) a sketch plan, at a scale of 1:100, indicating the nature of the shelter or housing to be provided for the animal;
- (c) a detailed written plan for the management of manure which addresses—
 - (i) control of flies and other vermin;
 - (ii) disease prevention; and
 - (iii) prevention of nuisance odours; and
- (d) the appropriate application and permit fees as determined from time to time by the local government in accordance with sections 6.16 to 6.19 of the Act.

2.25 Determination of application to keep farm animals

(1) Subject to clause 2.26, the local government may—

- (a) refuse to determine an application for a permit which does not comply with clause 2.24;
- (b) approve an application for a permit subject to such conditions as it considers appropriate; or
- (c) refuse to approve an application for a permit.

(2) Where an application for a permit is approved subject to conditions, the permit holder shall comply with those conditions or cause compliance with those conditions.

(3) Where the local government approves an application under paragraph (1)(b), it is to issue to the applicant a permit in the form approved by the local government.

(4) A permit is valid from the date of issue until 30 June the following year, unless it is cancelled prior to that date under this local law.

2.26 Conditions of approval to keep farm animals

(1) A permit shall not be granted pursuant to clause 2.25—

- (a) unless the land for which the approval is sought is of such dimensions and configuration as will permit the subject animal to be confined in a minimum cleared area of 150 square metres and prevented from approaching within 15 metres of any residential building, Class 6 building or Class 9 building, business premises or food premises;
- (b) in the case of a horse (other than a miniature horse) or cow, unless the land for which the approval is sought has a minimum area of 1 hectare;
- (c) for the keeping of any pig (other than a miniature pig).

- (2) The local government shall take into account the opinions of occupiers of adjoining properties in determining whether to grant approval for the keeping of a farm animal.
- (3) Approval to keep a farm animal may be issued subject to conditions, including—
- (a) that a stable or shelter is provided for housing the approved animal;
 - (b) that a manure receptacle is provided in a position convenient to the shelter or place where the approved animal is kept, and that the receptacle is used for the receipt of all manure produced on the premises; or
 - (c) any other conditions that the local government considers necessary for the protection of the health and amenity of the neighbourhood;

and such conditions may be imposed at any time subsequent to the initial approval.

2.27 Variation or cancellation of permit to keep farm animals and conditions of permit

- (1) The local government may vary the conditions of a permit after it has been issued, and shall give notice of such variation to the permit holder.
- (2) The local government may cancel a permit in the event the permit holder—
- (a) fails to comply with any condition set under paragraph 2.25(1)(b);
 - (b) after being notified of a variation under subclause (1) fails to comply with the varied condition;
 - (c) breaches clause 2.28 or clause 2.31 of this local law; or
 - (d) fails to comply with a notice of breach issued under clause 6.1.
- (3) The local government may cancel a permit in the event the permit holder—
- (a) fails to comply with any condition of the permit;
 - (b) breaches clause 2.28 or clause 2.29 of this local law; or
 - (c) fails to comply with a notice of breach issued under clause 6.1.

2.28 Conditions for keeping farm animals

- (1) An owner or occupier of premises upon which a farm animal or farm animals are kept, shall—
- (a) maintain the place or places where the animals are kept in clean condition;
 - (b) ensure that any farm animal or farm animals kept on the premises does not cause or constitute a nuisance;
 - (c) maintain the premises free from flies or other vermin by spraying with residual insecticide or other effective means;
 - (d) if a manure receptacle is required to be used—
 - (i) cause all manure produced on the premises to be collected daily and placed in the receptacle;
 - (ii) cause the receptacle to be emptied as often as is necessary to prevent it becoming offensive or a breeding place for flies or other vermin, but in any case at least once a week; and
 - (iii) keep the lid of the receptacle closed except when manure is being deposited or removed; and
 - (e) not permit any farm animal to approach within 15 metres of any residential building, food premises, Class 6 building or a Class 9 building, or a business or commercial premises.
- (2) An owner or occupier of premises in a rural zone shall not keep more than 1 pig other than on premises registered as a piggery pursuant to the provisions of the *Health Act 1911*, except with the express written approval of the local government.

2.29 Keeping a miniature horse

- (1) An owner or occupier of a premises may keep only a sterilised miniature horse on land of not less than 1 000 square metres in area provided it is registered with the local government and the annual registration fee approved from time to time by the local government in accordance with sections 6.16 to 6.19 of the Act is paid.
- (2) An owner or occupier of premises shall—
- (a) not keep more than one miniature horse on land zoned residential or special rural without the written approval of the local government or an authorised person; and
 - (b) not permit a miniature horse to come within 9 metres of any house.
- (3) The local government or an authorised person may prohibit the keeping of a miniature horse on any land or may state the conditions under which a miniature horse may be kept.

2.30 Keeping a miniature pig

- (1) Except for a miniature pig, and subject to subclause (2) no person shall keep a pig or pigs, in any residential area or on any land zoned commercial or industrial under the town planning scheme.
- (2) Except for premises registered by the local government as an abattoir or a piggery under the provisions of section 191 of the *Health Act 1911*, and except in the case of a miniature pig, the keeping of pigs is forbidden.

- (3) The local government or an authorised person may prohibit the keeping of a miniature pig on any land, or state the conditions under which the miniature pig may be kept.
- (4) A person may keep 1 miniature pig in any residential or rural or special rural area provided it is registered with the local government and the annual registration fee approved from time to time by the local government in accordance with sections 6.16 to 6.19 of the Act is paid.
- (5) An owner or occupier of premises where a miniature pig is kept shall—
- (a) only keep a sterilised animal and retain written proof of its sterilisation;
 - (b) confine the animal on the property at all times;
 - (c) ensure the animal does not cause a nuisance to any neighbour regarding noise, dust, or odour; and
 - (d) maintain documentary evidence that the animal's veterinary treatment against roundworm and tapeworm is current.

2.31 Requirements for farm animal shelters

- (1) Any stable, enclosure or shelter provided for the keeping of farm animals, whether or not a permit is required for the keeping of such farm animals pursuant to clause 2.24, shall—
- (a) not be situated within 15 metres of any residential building, Class 6 building or Class 9 building, business premises or food premises;
 - (b) not be situated within 1 metre of any lot boundary;
 - (c) be constructed of materials approved by an authorised person;
 - (d) have on each side of the building between the wall and roof a clear opening of at least 150 millimetres in height, and of sufficient length, to provide adequate ventilation to the stable, enclosure or shelter;
 - (e) when required by the local government have a separate stall for each horse, cow or other approved animal, the shortest dimension of which shall be at least twice the length of the animal housed therein; and
 - (f) subject to subclause (2), have a floor, the upper surface of which shall—
 - (i) be raised at least 75 millimetres above the surface of the surrounding ground;
 - (ii) be constructed of cement, concrete or other similar impervious material; and
 - (iii) have a fall of 1 in 100 to a drain which shall empty into a trapped gully situated outside the stable or shelter.
- (2) A stable or shelter constructed with a sand floor may be approved by an authorised person subject to—
- (a) the site being well drained, with the sand floor being at least 1.5 metres above the highest known ground water level;
 - (b) a 300 millimetre thick bed of crushed limestone being laid under the sand of the stable;
 - (c) the sand, whether natural or imported, being clean, coarse and free from dust;
 - (d) footings to the stable or shelter being a minimum of 450 millimetres below ground level; and
 - (e) the design of the stable allowing for the access of small earthmoving machinery, such as a skid steer loader, into each stall to maintain the correct floor height.
- (3) An owner or occupier of any land upon which a stable or shelter is located must ensure that the stable or shelter complies in all respects with the requirements of subclause (1), and, where the approval referred to in subclause (2) has been granted, with the requirements of subclause (2).

Division 5—Livestock

2.32 Livestock not to stray

The owner or person in charge of livestock shall not permit that livestock to stray or to be at large in a street, public place or upon private property without the consent of the property owner.

2.33 Impounding of livestock

- (1) An authorised person or a member of the police force may impound livestock found straying in contravention of clause 2.32.
- (2) Livestock being impounded shall be placed in the pound or secured on private property with the consent of the owner.

2.34 Property to be fenced

- (1) The owner or occupier of property on which livestock is kept, shall cause the property or a portion of the property to be fenced in a manner capable of confining the livestock, to that portion where the livestock is kept.
- (2) The minimum fencing requirements to confine livestock in a rural or special rural area shall be a fence of post and wire construction.

PART 3—BUILDING, DEVELOPMENT AND LAND CARE*Division 1—Litter and refuse on building sites***3.1 Provision of refuse receptacles**

The owner or occupier of a building or development site shall at all times provide and maintain a refuse receptacle, available for use on the site, which includes a suitable cover, to the satisfaction of an authorised person, of such design as will—

- (a) contain any refuse likely to be produced on the site; and
- (b) prevent refuse being blown from the receptacle by wind.

3.2 Control of refuse

(1) From the time of commencement of works on a building site or development site until the time of completion of such work, the owner or occupier of the site shall—

- (a) ensure all refuse on the site is placed and contained in the refuse receptacle and prevented from being blown from the site by wind;
- (b) keep the site free from any refuse;
- (c) maintain the street verge, and any other reserve, immediately adjacent to the site, free of refuse from the site; and
- (d) ensure the refuse receptacle is emptied when full.

(2) The owner or occupier of a building site or development site shall ensure that within 2 days of completion of works on the site, the site and the street verge immediately adjacent to it, is cleared of all refuse and all refuse receptacles are removed from the site.

3.3 Unauthorised storage of materials

(1) All construction materials must be located on the building site or development site under construction, unless written approval has been given by the local government to store materials on another property (including a road reserve).

(2) An application for approval under subclause (1) must be—

- (a) in writing; and
- (b) accompanied by the written approval of the landowner of the land on which materials are proposed to be stored.

*Division 2—Prevention of dust and liquid waste***3.4 Prohibited activities**

(1) An owner and or occupier of land must take effective measures to—

- (a) stabilise dust on the land;
- (b) contain all liquid waste on the land; and
- (c) ensure no dust or liquid waste is released or escapes from the land, whether by means of wind, water or any other cause.

(2) Where the local government forms the opinion that—

- (a) an owner or occupier has not complied with paragraph (1)(a) or paragraph (1)(b); or
- (b) the dust or liquid waste has been released or escaped from the owner's or occupier's land, the local government may serve on the owner and or occupier of the land, a notice requiring the owner and or occupier to do one or more of the following—
 - (i) comply with subclause (1)(a) or (1)(b);
 - (ii) clean up and properly dispose of any released or escaped dust or liquid waste;
 - (iii) clean up and make good any damage resulting from the released or escaped dust or liquid waste; and
 - (iv) take effective measures to stop any further release or escape of dust or liquid waste;
- (c) The requirements set out in a notice issued under paragraph (2)(a) must be complied with—
 - (i) within 48 hours of service of the notice where no other time is specified;
 - (ii) within such other period as is specified in the notice; or
 - (iii) immediately, if the notice so specifies.

(3) Where the local government forms the opinion that dust or liquid waste has escaped or has been released from an activity undertaken on land or as a consequence of the use of equipment on land, the local government may serve a notice on—

- (a) any owner or occupier of the land; or
- (b) any operator of equipment on the land,

requiring that the activity or use of equipment on the land be ceased immediately, for such period as is specified in the notice.

(4) Where the local government is of the opinion that dust or liquid waste may be released or escape as a result of an activity which is likely to be carried out from any land, the local government may give to the owner and or occupier a notice providing that the activity may only be carried on subject to conditions specified in the notice.

3.5 Dust management

If an owner or occupier of land intends to undertake any work involving the clearing of land, from which any sand or dust is likely to be released whether by means of wind, water or any other cause, shall—

- (a) submit to an authorised person a Dust Management Plan in accordance with the Department of Environment and Conservation document “A guideline for managing the impacts of dust and associated contaminants from land development sites, contaminated sites remediation and other related activities” (March 2011), or any updated version of this document;
- (b) obtain written approval of the Dust Management Plan from an authorised person before commencement of any work.

Division 3—Smoke

3.6 Burning of cleared vegetation prohibited

An owner or occupier of any building or development site shall ensure that no vegetation or other material cleared from the site is burnt on the site.

Division 4—Unsightly land and disused materials

3.7 Removal of refuse and disused materials

(1) The owner or occupier of a lot shall not keep, or permit to remain on the lot, any refuse, rubbish or disused material of whatever nature or kind which in the opinion of the local government or an authorised person is likely to give the lot an untidy appearance and does not conform with the general appearance of other land in that particular part of the district.

(2) The local government or an authorised person may give notice in writing to the owner or occupier of a lot requiring the removal of refuse, rubbish or disused material from the lot within the time specified in the notice.

3.8 Removal of unsightly overgrowth of vegetation

(1) The owner or occupier of a lot shall not permit to remain on a lot, any unsightly overgrowth of vegetation that gives the lot an untidy appearance and does not conform with the general appearance of other land in that particular part of the district.

(2) The local government or an authorised person may give notice in writing to the owner or occupier of a lot requiring the removal of the overgrowth of vegetation within the time specified in the notice.

3.9 Storage of vehicles, vessels and machinery

The owner or occupier of a lot shall not—

- (a) store, or allow to remain in public view on any lot, more than 1 vehicle, vessel or machinery (whether licensed or not) in a state of disrepair;
- (b) store, or allow to remain in public view on any lot, any vehicle, vessel or machinery in a state of disrepair for a period in excess of 1 month;
- (c) store, or allow to remain in public view on any lot, any vehicle, vessel or machinery parts (including tyres);
- (d) wreck, dismantle or break up any vehicle, part or body of a vehicle, vessel or machinery except where performed—
 - (i) inside a building; or
 - (ii) within an area enclosed by a fence or wall of not less than 1.8 metres in height and of such a nature as to screen all vehicles, parts or bodies of vehicles, vessels or machinery from the street and from adjoining properties; or
- (e) wreck, dismantle or break up a vehicle, vessel or machinery so as to cause a nuisance.

3.10 Disposing of disused refrigerators or similar containers

A person shall not place, leave or dispose of a disused refrigerator, ice chest, ice box, trunk, chest or other similar article having a compartment which has a capacity of 0.04 cubic metres or more on any land without first—

- (a) removing every door and lid and every lock, catch and hinge attached to a door or lid; or
- (b) rendering every door and lid incapable of being fastened; and
- (c) removing any refrigerants as per requirements of the *Environment Protection (Ozone Protection) Policy 2000*.

Division 5—Hazardous materials

3.11 Hazardous trees

(1) Where a tree on a lot endangers any person or thing on adjoining land, the local government may give a notice to the owner or the occupier of the lot to remove, cut, move or otherwise deal with that tree so as to make the tree safe.

(2) Where a tree on a lot presents a serious and immediate danger to any person or thing, the local government may take any remedial action it considers appropriate in order to make the tree safe without having given the owner or occupier notice pursuant to subclause (1).

(3) The local government reserves its right to recover any costs incurred by the local government for remedial action taken in terms of subclause (2).

3.12 Cyclonic activities

(1) Where in any circumstance there is likely to be a danger to the public or damage to property which may result from cyclonic activity, the local government may give a notice to the owner or the occupier of a lot specifying measures to prevent or minimise the danger or damage.

(2) Where a circumstance represents serious and immediate danger to the public or property, the local government or an authorised person may take any remedial action it considers appropriate to prevent or minimise the danger or hazard without having given the owner or occupier notice pursuant to subclause (1).

(3) Any costs incurred by the local government for remedial action taken in terms of subclause (2) cannot be recovered by the local government.

PART 4—NUISANCES AND DANGEROUS THINGS

Division 1—Light

4.1 Use of exterior lights

An owner or occupier of land on which floodlights or other exterior lights are erected or used, shall not allow the floodlights or other exterior lights to shine directly onto any other premises.

4.2 Emission or reflection of light

An owner or occupier of land shall ensure that—

- (a) artificial light is not emitted or reflected from anything on the land so as to illuminate premises outside that land to more than 50 lux; and
- (b) natural light is not reflected from anything on the land so as to create or cause a nuisance to the occupier of any other premises or to a person lawfully using a thoroughfare.

4.3 Notice may require specified action to prevent emission or reflection of light

(1) Where—

- (a) floodlights or other exterior lights shine directly onto any other premises;
- (b) artificial light is emitted or reflected from anything on the land so as to illuminate premises outside the land to more than 50 lux; or
- (c) natural light is reflected from anything on the land so as to create or cause a nuisance to the occupier of any other premises or to a person lawfully using a thoroughfare,

the local government may by notice in writing direct the owner or occupier to take such actions as an authorised person considers necessary within the time specified in the notice.

(2) The notice referred to in subclause (1) may direct that—

- (a) floodlights or other exterior lights are used only during the hours specified in the notice;
- (b) the direction in which the lights shine be altered as specified in the notice;
- (c) any reflective surfaces be painted or otherwise treated so as to abate the nuisance; or
- (d) any combination of these measures that the local government believes to be appropriate to the circumstances.

Division 2—Smoke, fumes, odours and other emissions

4.4 Burning rubbish, refuse or other material

(1) A person shall not set fire to rubbish, refuse or other materials.

(2) Subclause (1) does not apply to rural residential zoned lots.

(3) A person shall not set fire to rubbish, refuse or other materials on rural residential zoned property unless—

- (a) written approval has first been obtained from the local government;
- (b) the person demonstrates to the satisfaction of the local government that reasonable alternatives for the disposal of the rubbish, refuse or other material do not exist and the potential for pollution is low;
- (c) the material does not include any plastic, rubber, food scraps, green garden materials or other material likely to cause the generation of smoke or odour in such quantity as to cause a nuisance to other persons;
- (d) a haze alert has not been issued by the Bureau of Meteorology for the period during which burning is to take place; and
- (e) the burning complies with the *Bush Fires Act 1954*, any annual fire hazard reduction notice issued by the local government under that Act and any conditions of approval as determined by the local government.

(4) Subclauses (1) and (3) shall not apply to any barbeque, solid fuel water heater, space heater or ovens fired with dry paper, dry wood, synthetic char or charcoal type fuel.

(5) Subclause (4) is subject to any fire danger rating as determined by the Bureau of Meteorology.

4.5 Escape of smoke, fumes, odours and other emissions

An owner or occupier of land or premises shall not cause or permit the escape of smoke, fumes or odours from the land or premises in such quantity or of such a nature as to cause or to be a nuisance to any person.

Division 3—Trucks

4.6 Livestock vehicles

(1) A person shall not park a vehicle containing livestock in a townsite for a period in excess of 30 minutes.

(2) A person shall not park a vehicle which contains or has been used for the carriage of livestock so as to create or be a nuisance to any person, by reason of the odour emanating from the vehicle.

(3) If a person parks a vehicle containing livestock in a townsite in accordance with subclause (1), then the person does not contravene subclause (2).

4.7 Truck noise from residential land

A person shall not start or drive a truck on land zoned, approved or used for residential purposes between the hours of 10.30 pm and 6.30 am on the following day without first obtaining the written consent of the local government.

Division 4—Swimming pool backwash management

4.8 Disposal of swimming pool backwash

(1) The owner or occupier of land on which a swimming pool is constructed shall ensure that all backwash is not permitted to discharge onto or run-off onto adjacent land so as to cause a nuisance, or cause damage to any structures situated on adjacent land.

(2) Subclause (1) shall not prevent the discharge of swimming pool backwash from a lot into a local government approved stormwater drain or road by a method approved by an authorised person.

Division 5—Stormwater management

4.9 Containment of stormwater

(1) Subject to subclause (2), the owner or occupier of a lot shall ensure that all stormwater received by any building, house, other structure or any paved or sealed or other surfaced areas including any vehicle access ways on the lot is contained within the lot and is not permitted to discharge onto or run-off onto adjacent land so as to cause a nuisance, or cause damage to any structures situated on adjacent land.

(2) Subclause (1) shall not prevent the discharge of stormwater from a lot into a local government approved stormwater drain or road.

Division 6—Amusement activities

4.10 Nuisance

A person shall not, without written authorisation from the local government, provide or conduct any amusement on land so as to create or be a nuisance to any owner or occupier of land in the district.

4.11 Abatement by authorised person

Subject to subdivision 3 of Division 3 of Part 3 of the Act, an authorised person may enter on any land where an amusement is provided or conducted and may do any act or thing reasonably required to abate a nuisance referred to in clause 4.10.

Division 7—Advertising, bill posting and junk mail

4.12 Placement of advertisement, bill posting or junk mail

(1) A person shall not, without written authorisation from the local government, place or affix any letter, figure, device, poster, sign or advertisement on any buildings, fences or posts.

(2) A person shall not place in or on any letter box, gate, fence or generally leave or distribute to any property in the district, any handbill, poster, pamphlet, flyer or other form of advertising or promotional material, where there is clearly displayed a sign or notice which states “no junk mail” or words of similar effect.

4.13 Exemptions

Clause 4.12 does not apply to—

- (a) delivery of articles by Australia Post;
- (b) documents issued under or for the purposes of an Act of Parliament;
- (c) an authorised person or member of the Police Force acting in the course of their duties;
- (d) electoral materials; or
- (e) legal process.

*Division 8—Bird nuisance***4.14 Restrictions on feeding of birds**

(1) A person shall not feed a bird—

- (a) so as to cause a nuisance, or
- (b) with a food or substance that is not a natural food of a bird.

(2) Where an authorised person forms the opinion that a person has not complied with subclause (1) the authorised person may serve the person a notice requiring the person to clean up and properly dispose of any feed or waste products specified in the notice.

PART 5—OBJECTIONS AND APPEALS**5.1 Objections and appeals**

When the local government makes a decision under this local law as to whether it will—

- (a) grant a person a permit or authorisation;
- (b) vary or cancel a permit or authorisation; or
- (c) give a person a notice,

the provisions of Division 1 of Part 9 of the Act and regulation 33 of the Regulations shall apply to that decision.

PART 6—ENFORCEMENT*Division 1—Notice of breach***6.1 Notice of breach**

(1) Where a breach of any provision of this local law has occurred, the local government may give a notice in writing to the person alleged to be responsible for such breach.

(2) A notice issued pursuant to subclause (1) shall—

- (a) specify the provision of this local law which has been breached;
- (b) specify the particulars of the breach; and
- (c) state the manner in which the recipient is required to remedy the breach to the satisfaction of the local government within a time period stipulated in the notice which shall be not less than 14 days from the giving of the notice.

(3) It is an offence to fail to comply with a notice issued by the local government pursuant to subclause (1).

6.2 Form of notices

Where this local law refers to the giving of a notice other than the giving of an infringement notice and no particular form is prescribed, it will be sufficient that the notice be in writing giving adequate details to enable the owner, occupier or other person to whom the notice is issued to know the offence committed and the measures required to be taken or conditions with which compliance is required, as the case may be.

6.3 When local government may undertake work required by notice

(1) This clause applies only in respect of a notice issued under subclauses 3.7(2), 3.8(2), 3.11(1) and 4.3(1) of this local law.

(2) Where a person fails to comply with a notice referred to in subclause (1) the local government may, subject to compliance with the requirements of subdivision 3 of Division 3 of Part 3 of the Act, do anything that it considers necessary to achieve, so far as is practicable, the purpose for which the notice was given.

(3) The local government may recover the cost of anything it does under subclause (2) as a debt due from the person who failed to comply with the notice.

*Division 2—Offences and penalties**Subdivision 1—General***6.4 Offences and penalties**

(1) A person who—

- (a) fails to do anything required or directed to be done under this local law;
- (b) fails to comply with the requirements of a notice issued under this local law by an authorised person; or
- (c) does anything which under this local law that person is prohibited from doing;

commits an offence.

(2) Where, under this local law, an act is required to be done or forbidden to be done in relation to any land or premises, the owner or occupier of the land or premises has the duty of causing to be done the act so required to be done, or of preventing from being done the act forbidden to be done.

(3) A person who commits an offence under this local law is liable to a maximum penalty of \$5 000 and a maximum daily penalty of \$500 in respect of each day or part of a day during which the offence has continued.

Subdivision 2—Infringement notices and modified penalties

6.5 Prescribed offences

(1) An offence against a clause specified in Schedule 1 is a prescribed offence for the purposes of section 9.16(1) of the Act.

(2) The amount of the modified penalty for a prescribed offence is that specified adjacent to the clause in Schedule 1.

(3) An authorised person should be satisfied that—

(a) commission of the prescribed offence is a relatively minor matter; and

(b) only straightforward issues of law and fact are involved in determining whether the prescribed offence was committed, and the facts in issue are readily ascertainable;

before giving an infringement notice to a person in respect of the commission of a prescribed offence.

6.6 Form of infringement notices
