BUSH FIRES ACT 1954

Shire of Dandaragan

FIREBREAK ORDER 2014 / 2015

Prohibited Burning Period, 1st November to 28th February—**Strictly No Burning.**

Restricted Burning Period, 19th September to 31st October and 1st of March to 1st of April—**Permits are Required.**

Notice to all owners and/or occupiers of land in the Shire of Dandaragan Notice is hereby given to landowners/occupiers within the Shire of Dandaragan that firebreaks must be installed by **1st November 2014** and maintained clear of inflammable material up to and including **30th April 2015** as per the requirements in relation to Section 33 of the *Bush Fires Act 1954*.

Firebreak Standards

Properties 20 hectares (50 acres) or larger

1. Clear a firebreak consisting of mineral earth, to a width of no less than 3m, as close as practical, inside the external boundaries of the property.
2. Fire-breaks must be maintained to provide a vertical clearance of a minimum 4m so as to allow adequate access for fire appliances subject to the satisfaction of the Council’s appointed officers.
3. Construct a 5m mineral earth firebreak immediately surrounding all fuel and chemical storage areas.
4. Clear inflammable material within 20m of all dwellings to construct a 20m circle of safety. This can be maintained through domestic grass, mulch or slashed native grasses.
5. Areas cleared and piled for burning require a 20m mineral earth firebreak.

All other Non Urban Land***Properties 2,023m² (half an acre) to 20 hectares (50 acres) (Rural residential, rural development)***

This category relates to nearly all lots in all industrial estates and the subdivisions of **Jurien Bay Heights, Alta Mare, Marine Fields, Koorungal Vale and Hill River.**

1. Clear a 3m wide mineral earth firebreak (clear of all inflammable material) with a vertical clearance of 4m high, clear of any obstructions (no hanging tree limbs or objects) immediately inside or as close as practical inside all external boundaries of the land to allow for the unobstructed movement of Fire Appliances.
2. On heavily vegetated or grassed blocks, implement supplementary fuel reduction for a further 5m inside the firebreak. Subject to the satisfaction of Council's authorised officers.
3. Clear all inflammable material within 20m of all buildings to construct a 20m circle of safety. This can be maintained through domestic grass, mulch or slashed native grasses.

Urban Land (All town sites)***Land 4,000m² or less***

Clear land of all inflammable material on the entire property shall be reduced and maintained to a height of less than (5) centimetre.

Land larger than 4,001m²

A firebreak of at least 3m wide shall be installed or constructed immediately inside all external boundaries of the land and so immediately surrounding all buildings situated on the land.

Plantations***Tree plantations of more than 3 hectares but less than 10 hectares***

Construct a 10m wide mineral earth firebreak with a vertical clearance of 4m high; clear of all inflammable material immediately surrounding the plantation (adjacent areas of the same property subject to provisions as for rural areas).

Plantations larger than 10 hectares

Comply with the Code of Practice for Timber Plantations in Western Australia Guidelines for Plantation Fire Protection. A copy is available from the Shire of Dandaragan Administration Centre upon request.

Alternative Alignments and Variations to Firebreak Notices

If it is impractical to have a firebreak immediately inside a boundary, for environmental or any other reason(s), you are required to apply to the Shire of Dandaragan in writing, before **1st October** to obtain permission for firebreaks to be installed in an alternative position or for alternative measures to be put in place. Once approval is granted, there is no need to re-apply each year, unless circumstances change or a duly appointed officer feels that the conditions of the Firebreak Variation notice are not being met.

By order of the Council,

ANTHONY NOTTLE, Chief Executive Officer.

WANTED URGENTLY GOVERNMENT GAZETTES

State Law Publisher urgently require copies of old *Government Gazettes* for scanning and archiving on our website.

Over the years we have received various donations to enable us to continue with this project, however we now require the years 1881, and 1877 to 1840 to complete the project.

Our aim is to scan every *Government Gazette* published since the 1840's. They will be freely available on our website for clients to access.

If you have any old single editions or bound volumes and are willing to donate them for this project we would be extremely grateful.

Please contact **Peter Telford** on **6552 6010** if you require further information or would like us to organise to collect your old gazettes.
