WANTED URGENTLY

GOVERNMENT GAZETTES

State Law Publisher urgently require copies of old *Government Gazettes* for scanning and archiving on our website.

Over the years we have received various donations to enable us to continue with this project, however we now require the years 1881, and 1877 to 1840 to complete the project.

Our aim is to scan every *Government Gazette* published since the 1840's. They will be freely available on our website for clients to access.

If you have any old single editions or bound volumes and are willing to donate them for this project we would be extremely grateful.

Please contact **Peter Telford** on **6552 6010** if you require further information or would like us to organise to collect your old gazettes.
