BUSH FIRES ACT 1954

FIRE BREAK ORDER

Shire of Corrigin

Notice to all Owners and or Occupiers of land in the Shire of Corrigin

Pursuant to the powers contained in section 33 of the *Bush Fires Act 1954*, you are hereby required on or before 31 October 2014, to plough, scarify, cultivate, spray or otherwise clear and thereafter maintain free of all inflammable material until 15 April 2015 firebreaks in the following dimensions, on the land owned or occupied by you.

1. RURAL LAND

1.1 Firebreaks of not less than 2.44 metres (8 feet) in width must be constructed along and within 20 metres of all external boundaries of the property owned or occupied by you. If any portion of the land adjoins a public road or railway line, a firebreak must also be constructed along that boundary.

1.2 Property in excess of 250 hectares shall have fire breaks positioned as necessary to divide land into areas not exceeding 250 hectares each completely surrounded by a firebreak.

1.3 Clear and maintain firebreaks at least 2.44 metres (8 feet) wide within 20 metres of the perimeter of any building or group of buildings, fuel tanks or haystack, in such a manner as to fully encircle the structure/s. In addition to firebreaks a 20m wide **low fuel zone** is required to be maintained around any building or group of buildings, fuel tanks, hayshed or haystack. **Low fuel** means the removal of inflammable material, dead trees, leaf litter and trash and the removal of dead branches to a height of 1.5 metres from live standing trees. Grass is to be slashed to a height not exceeding 100mm.

1.4 During any period when harvesting operations are being conducted, there shall be provided an operational mobile firefighting unit with a minimum capacity of 500 litres of water located in or immediately adjacent to the paddock being harvested. The responsibility to supply the unit is that of the landowner/occupier.

2. TOWN SITES

2.1 Where the area of the land is 0.2 hectares (one half of one acre) or less, you shall clear all inflammable material on the land from the whole of the land.

2.2 Where the area of the land exceeds 0.2 hectares (one half of one acre), you shall clear of all inflammable material, firebreaks not less than 2.44 metres (8 feet) wide immediately inside all external boundaries of the land, and also immediately surrounding all buildings, haystacks and fuel ramps situated on the land, and also immediately surrounding any drums or drums situated on the land which are normally used for the storage of fuel, whether they contain fuel or not.

3. GENERAL PROVISIONS

The term "*Inflammable Material*" for the purpose of this notice includes bush (as defined in the *Bush Fires Act 1954*), timber, boxes, cartons, paper, and the like inflammable materials, rubbish and any combustible matter, but does not include buildings, green standing trees and bushes or growing bushes or plants in gardens or lawns.

If it is considered to be impractical for any reason to provide firebreaks in the position or adhere to the provisions required by this notice, the written approval of Council or a duly authorised officer must be obtained to prepare such firebreaks in an alternative position. If permission is not granted by Council or a duly authorised officer you shall comply with the requirements of this order.

A "*Harvesting/Total Movement Ban*" includes harvesting and the movement of vehicles in paddocks, except vehicles carrying water to stock. Contractors carting lime, gypsum or fertilizer are allowed to enter into paddocks to unload at any time that there is a "*Harvest/Total Movement Ban*" in place on the condition that a manned fire unit with at least 500 litres of water is in attendance. ***Harvesting is not permitted on Christmas Day and New Years Day.***

The penalty for failing to comply with this order is a fine of not more than one thousand dollars (\$1000) and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed by this notice, if it is not carried out by the owner or occupier by the date required by this notice.

JULIAN MURPHY, Chief Executive Officer.

FIRE BREAK NOTICE 2014/2015
City of Nedlands

Notice to all owners and occupiers of land within the City of Nedlands

As a measure for preventing the outbreak of a bush fire, or for preventing the spread or extension of a bush fire which may occur, all owners and occupiers of land and verge adjacent to that land, within the City of Nedlands' district, are required on or before the 30th day of November in each year, or within 14 days of becoming an owner or occupier if after that date—

Residential Land—Slash all grass and clear all inflammable matter on the land and verge to a height no greater than 5cm and to maintain all grass and all inflammable matter on the land and verge at a height no greater than 5cm up to and including the 31st day of March in the following year.

In addition, trees must be trimmed back to provide a vertical clearance of a minimum three and a half metres (3.5m) to allow fire appliances to drive along the firebreak.

An owner or occupier of the land and verge adjacent that land who fails or neglects to comply with the requisitions of a notice given pursuant to section 33(1) of the *Bush Fires Act 1954* within the time specified in the notice commits an offence and is liable to a penalty of \$5,000 and the City of Nedlands may direct its officers together with such servants, workmen or contractors, and with such vehicles, machinery and appliances as the officers deem fit, to enter upon the land and verge and carry out the requisitions of the notice which have not been complied with and the City of Nedlands may recover the amount of any costs and expenses incurred in carrying out those requisitions in any court of competent jurisdiction as a debt due from the owner or occupier of the land.

If it is impracticable for any reason to clear firebreaks or take measures in accordance with this notice, you may apply to the City of Nedlands in writing before the 19th day of November of each year for permission to provide fire breaks in alternative positions or to take alternative measures to prevent the outbreak or spread of a bush fire. If permission is not granted in writing by the City, you shall comply with the requirements of this Notice.

The requirements of this Notice should be carried out by means other than burning, for example, mowing and rotary hoeing.

Burning Garden Refuse—Pursuant to the powers contained in Section 24G(2) of the *Bush Fires Act 1954*, the City of Nedlands prohibits the burning of all garden refuse within its district between the 1st day of December in each year up to and including the 31st day of March in the following year. This prohibition applies to all persons within the City's district. Failure to comply with this prohibition is an offence with a maximum penalty of \$3,000.
