PLANNING

PL401***PLANNING AND DEVELOPMENT ACT 2005****DECLARATION OF PLANNING CONTROL AREA 114**

Lot 515 Sabrina Road, Baldivis
City of Rockingham

File: 835/2/28/12

General description

The Minister for Planning has granted approval to the declaration of a planning control area over land at Lot 515 Sabrina Road, Baldivis as shown on Western Australian Planning Commission (WAPC) plan number 3.2633.

Purpose

The purpose of the planning control area is to protect the proposed Future Primary Regional Roads reservation of Lot 515 Sabrina Road, Baldivis to accommodate planning for the regional freight network which requires an upgrading of the Kwinana Freeway/Mundijong Road interchange. The WAPC considers that the planning control area is required to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Primary Regional Roads in the Metropolitan Region Scheme.

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
