ELECTION**

**ELECTORAL ACT 1907**

**DIVISION OF THE STATE INTO ELECTORAL REGIONS AND  
DISTRICTS BY THE ELECTORAL DISTRIBUTION COMMISSIONERS  
FOR THE NEXT STATE GENERAL ELECTION**

This notice divides the State into electoral regions and districts. By virtue of the publication of this notice in the Gazette the notice takes effect and has the force of law and applies in respect of elections in regions and districts held after the date of the publication of this notice but not before the next State general election.

The average district enrolment as at the close of the State electoral roll on the relevant day, namely, 9 March 2015, was 24,923.

The Commissioners made decisions about the changes that would be necessary to district and region boundaries by reference to the numerical limits in s 16G of the *Electoral Act 1907* (the Act) and after giving due consideration to the factors in s 16I of the Act. The Commissioners' reasons for making those decisions are available on the Electoral Boundaries WA website at [www.boundaries.wa.gov.au](http://www.boundaries.wa.gov.au).

Having made those decisions, the Commissioners—

- (a) identified the precise boundaries of regions and districts by reference to a combination of the matters set out in s 16F(5A)(a);
- (b) caused those boundaries to be recorded in digital and electronic forms so as to permit the creation of digital, electronic and printed versions of the maps showing the boundaries of each district and region; and
- (c) lodged versions of the maps, which are identified as Deposited Plans 407655–407719, with the Land Information Authority (Landgate) pursuant to s 16MA(1) of the Act.

This notice includes print versions of six of the maps lodged with Landgate, namely, Deposited Plans 407655–407660.

The maps show the boundaries of the 59 electoral districts and the six electoral regions, the electoral districts within each region, and the name assigned to each district.

This notice also includes Table 1 which sets out the name of each district, the total number of electors within the boundaries fixed for each district, and the districts included in each of the regions.

For the purposes of s 16F(4)(b)(ii), s 16F(5A)(b) and s 16MA(2), the electronic version of the maps lodged with Landgate under s 16MA(1) describes the boundaries fixed for each district.

To view the maps in greater detail, or download the maps in printable form, visit the Electoral Boundaries WA website at [www.boundaries.wa.gov.au](http://www.boundaries.wa.gov.au).

In any proceedings the deposited plans lodged with Landgate are evidence of the boundaries of the districts fixed under this notice.
