 - (d) A match that is interrupted (e.g. inclement weather), but then plays to a conclusion on the same day will not count as an abandonment and wagers will be settled on the outcome at the end of the match.
 - (e) In the case of an abandonment, any subsequent replays/completions, award of the match result by governing bodies or pools panel decisions will not count toward settlement.
 - (f) The only exceptions to these abandonment rules are for matches played in the below competitions and tournaments where bets will stand on the match if it is completed within 2 calendar days of the abandonment—
