PLANNING

PLANNING AND DEVELOPMENT ACT 2005
DECLARATION OF PLANNING CONTROL AREA 121
Lloyd Street Southern Extension
Great Eastern Hwy to Great Eastern Hwy Bypass
City of Swan

File: 835/2/21/22

General description

The Minister for Planning has granted approval to the declaration of a planning control area over land between Great Eastern Hwy and Great Eastern Hwy Bypass—Lloyd Street Southern Extension as shown on Western Australian Planning Commission (WAPC) plan numbers 1.7416 and 1.7417.

Purpose

The purpose of the PCA is to protect the Lloyd Street southern extension alignment, which is intended to be a future Other Regional Road (ORR). The extension is considered vital to the appropriate development of the Midland Town Centre and to provide southern access to the new Midland Health Campus and Midland Redevelopment Authority area. The WAPC considers that the planning control area is required over the whole alignment to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for Other Regional Roads in the Metropolitan Region Scheme.

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
