SCHOOL EDUCATION ACT 1999**DECLARATION OF LOCAL-INTAKE AREAS FOR SCHOOLS
WITH PRIMARY STUDENTS**

(Pursuant to Sections 60, 78, 79 and 80)

The Hon. Minister for Education has declared that the local-intake areas for the schools listed hereunder shall be as stated in this notice. Children of compulsory school age who reside within the local-intake areas stated shall be entitled to attend the schools to which such local-intake areas apply if there is an appropriate educational program for them at that school. Children who reside outside these local-intake areas may apply to attend the schools to which such local-intake areas apply.

SHARYN O'NEILL, Director-General of Education.

ANNE HAMERSLEY PRIMARY SCHOOL (5841) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Bordeaux Lane and Farnborough Parkway, north along Farnborough Parkway (east side included) to Putley Road, west along Putley Road (north side included) to Delapre Drive, north along Delapre Drive (east side included) to Stanbury Crescent, west and north west along Stanbury Crescent (north and north east sides included) to Banrock Drive, south west along Banrock Drive (north west side included) to Dalgarpur Way, north west along Dalgarpur Way (east side included) and continuing north west along the extension of Dalgarpur Way to Maralla Road, east along Maralla Road (both sides excluded) and its extension to the railway line, generally south along the railway line to the railway bridge over the Ellen Brook, south west and south along Ellen Brook to the western extension of Apple Street, west along the western extension of Apple Street to the golf green of the 13th hole, south west between 108 Hermitage Drive and 96 Hermitage Drive to Hermitage Drive, north along Hermitage Drive (east side included) to a point located east of the tennis courts, west through the centre of the tennis courts to the 10th fairway, west along the centre of the 10th fairway and continuing south west along the centre of the 11th fairway to Vines Avenue, north along Vines Avenue (east side included) to Bordeaux Lane and west along Bordeaux Lane (north side included) to Farnborough Parkway.

ASHBURTON DRIVE PRIMARY SCHOOL (5676) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Verna Street and Ashburton Drive, northwest along Ashburton Drive to Stennett Street, northeast along Stennett Street to Kellerman Way, northeast and east along Kellerman Way to the southerly extension of Rowland Court, north from this point between Rowland Court and Cobb Place to Goodall Street, northeast along Goodall Street to Corfield Street, northwest along Corfield Street to Astinal Drive west along Astinal Drive to a point immediately west of Warren Street, south from this point to the junction of Dionne Place and Prescott Drive, northwest along Prescott Drive to Hood Place, southwest along Hood Place and its extension to Moonstone Place, southwest along Moonstone Place to Compton Road, west along Compton Road to Anaconda Drive, south and southwest along Anaconda Drive to Greenwood Court, southeast along Greenwood Court and its extension to Southern River Road, southwest along Southern River Road to the Southern River, in a general southerly direction along the Southern River to the south western extension of Verna Street and northeast along the extension of Verna Street and Verna Street to Ashburton Drive.

The boundary parts of Goodall Street, Prescott Drive, Compton Road and Southern River Road, and the boundary streets of Hood Place and Moonstone Place (both sides in all cases) are included within the local-intake area for Ashburton Drive Primary School, while the boundary parts of Ashburton Drive, Stennett Street, Kellerman Way, Corfield Street, Astinal Drive, Anaconda Drive and Verna Street (both sides in all cases) and the boundary street of Greenwood Court are excluded from the area from Ashburton Drive Primary School.

The following defines an optional area between Ashburton Drive and Seaforth Primary Schools—

The area bounded by Ashburton Drive, Kellerman Way and Stennett Street. The boundary parts of Ashburton Drive and Stennett Street and the boundary street of Kellerman Way are included within this optional area.

The following defines an optional area between Ashburton Drive, Gosnells, Seaforth and Wirrabirra Primary Schools—

The area bounded by Corfield Street, Goodall Street, Eudoria Street and Stalker Road. The boundary parts of the four boundary streets are included within this optional area.

The following defines an optional area between Ashburton Drive and Wirrabirra Primary Schools—

The area bounded by Anaconda Drive, Greenwood Court, Southern River Road, the Southern River and Shearwater Way. The boundary part of Anaconda Drive and the boundary streets of Greenwood Court and Shearwater Way (both sides in each case) are included within this optional area, while the boundary part of Southern River Road (both sides) is excluded from this optional area.

AVELEY NORTH PRIMARY SCHOOL (planning name only) (5853) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Bordeaux Lane and Farnborough Parkway, east along Bordeaux Lane (south side included) to Vines Avenue, south along Vines Avenue (west side included) to a point midway between Bordeaux Lane and Shiraz Lane, north east along the centre of the nearby 11th fairway to the 10th fairway, east along the centre of the 10th fairway through the centre of the tennis courts to Hermitage Drive, south along Hermitage Drive (west side included) to a point between 96 Hermitage Drive and 108 Hermitage Drive, north east from this point to the golf green of the nearby 13th hole, east from the 13th hole to the intersection of the Ellen Brook and the western extension of Apple Street, south along the Ellen Brook to a point on the western extension of Cruse Road, west south west from this point on Ellen Brook along the greenbelt/water course to the junction with Egerton Drive, south west from this junction across the greenbelt to the junction of Zanzibar Loop and Tullawood Drive, north along Tullawood Drive (east side included) to Wistful Parade, west along Wistful Parade (north side included) to Henley Brook Avenue, north along Henley Brook Avenue (east side included) to the intersection with The Promenade and Millhouse Road, east along Millhouse Road (south side included) to Ellery Gate, north along Ellery Gate (east side included) to Safford Avenue, east along Safford Avenue (south side included) to Delaney Road, north along Delaney Road (east side included) and its northern extension through bushland to a point in that bushland that is south west of the junction of Doig Road and Holdsworth Avenue, north east from the aforesaid point to the junction of Doig Road and Holdsworth Avenue, north along Holdsworth Avenue (east side included) to Maffina Parade, east and north along Maffina Parade (south and east sides included) to Bordeaux Lane and east along Bordeaux Lane (south side included) to Farnborough Parkway.

AVELEY PRIMARY SCHOOL (5821) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Gngangara Road and Neary Boulevard, west along Gngangara Road (south side included) to Henley Brook Avenue, south along Henley Brook Avenue (east side included) to Park Street, east along Park Street (both sides excluded) to the Swan River, generally north along the Swan River to the Ellen Brook, north along the Ellen Brook to a point on the western extension of Cruse Road, west south west from this point on Ellen Brook along the greenbelt/water course to the junction with Egerton Drive, south west from this junction across the greenbelt to the junction of Zanzibar Loop and Tullawood Drive, north along Tullawood Drive (west side included) to Wistful Parade, west along Wistful Parade (south side included) to Amethyst Parkway, south along Amethyst Parkway (east side included) to Edgecombe Pass, east along Edgecombe Pass (north side included) to Flecker Promenade, south along Flecker Promenade (east side included) to Neary Boulevard and south along Neary Boulevard (east side included) to Gngangara Road.

The following defines an optional area between Aveley Primary School and Ellenbrook Primary School—

From the junction of Gngangara Road and Neary Boulevard, north along Neary Boulevard (west side included) to Flecker Promenade, north along Flecker Promenade (west side included) to Edgecombe Pass, west along Edgecombe Pass (south side included) to Amethyst Pathway, north along Amethyst Pathway (west side included) to Wistful Parade, west along Wistful Parade (south side included) to Henley Brook Avenue, south along Henley Brook Avenue (east side included) to Gngangara Road, and east along Gngangara Road (north side included) to Neary Boulevard.

BERTRAM PRIMARY SCHOOL (5799) (Jul17)

The following defines the local-intake area of this school from 2018—

From the overpass carrying Sulphur Road over the railway line, south east and east along Sulphur Road (south side included) to Holden Close, east along Holden Close (south side included) and its extension to the Kwinana Freeway, south along the Kwinana Freeway (west side included) to the overpass carrying Mortimer Road over the Freeway, west along Mortimer Road (north side included) to Bertram Road, continuing west along Bertram Road (north side included) to Challenger Avenue, north west along Challenger Avenue (north east side included) to the railway line and north east along the railway line to Sulphur Road.

BLETCHLEY PARK PRIMARY SCHOOL (5808) (Jul17)

The following will define the local-intake area of this school from 2018—

From the intersection of Ranford Road and Warton Road, north east along Warton Road (south east side included) to Shreeve Road, south east across bushland to the junction of Holmes Street and Harpenden Street, south through the swamp to the junction of Balfour Street and Didcot Street, south east along Didcot Street (south west side included) to the junction with Castlewood Parkway, south from this junction through Park Lake to the junction of Castlewood Parkway and Reflections Road, south east along Reflections Road (south west side included) and continuing south east along the south east extension of Reflections Road to Southern River Road, south to

the junction of Matison Street and Furley Road, south west along Matison Street (north west side included) to Ranford Road and north west along Ranford Road (north east side included) to Warton Road.

ELLEN STIRLING PRIMARY SCHOOL (5805) (Jul17)

The following will define the local-intake area of this school from 2018—

From the intersection of The Broadway and The Promenade, east along The Promenade (north side included) to Ellery Gate, north along Ellery Gate (west side included) to Safford Avenue, east along Safford Avenue (north side included) to Delaney Road, north along Delaney Road (west side included) and its northern extension through bushland to a point in that bushland that is south west of the junction of Doig Road and Holdsworth Avenue, north east from the aforesaid point to the junction of Doig Road and Holdsworth Avenue, north along Holdsworth Avenue (west side included) to Maffina Parade, west along Maffina Parade (south side included) to The Broadway and west and south along The Broadway (south and east sides included) to The Promenade.

ELLENBROOK PRIMARY SCHOOL (5745) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Gngangara Road and Pinaster Parade, north and north east along Pinaster Parade (east side included) to The Promenade, east along The Promenade (south side included) to Henley Brook Avenue, south along Henley Brook Avenue (northern section-west side included) to Gngangara Road, continuing south along Henley Brook Avenue (west side included) and its southern extension to Park Street, west along Park Street (both sides excluded) to the proposed route of the Perth-Darwin Highway, north along the proposed route of the Perth-Darwin Highway to Gngangara Road and east along Gngangara Road (south side included) to Pinaster Parade.

The following defines an optional area between Aveley Primary School and Ellenbrook Primary School—

From the junction of Gngangara Road and Neary Boulevard, north along Neary Boulevard (west side included) to Flecker Promenade, north along Flecker Promenade (west side included) to Edgecombe Pass, west along Edgecombe Pass (south side included) to Amethyst Pathway, north along Amethyst Pathway (west side included) to Wistful Parade, west along Wistful Parade (south side included) to Henley Brook Avenue, south along Henley Brook Avenue (east side included) to Gngangara Road, and east along Gngangara Road (north side included) to Neary Boulevard.

The following defines an optional area between Caversham Primary School and Ellenbrook Primary School—

From the junction of Lord Street and Park Street, east along Park Street (both sides included) and its eastern extension to the Swan River, generally south along the Swan River to Maali Bridge, north east to the eastern end of Douglas Road, west along Douglas Road (north side included) to West Swan Road, south along West Swan Road (north west side included) to Woollcott Avenue, north west and west along Woollcott Avenue (north side included) to Lord Street and north along Lord Street (east side included) to Park Street.

FOREST CRESCENT PRIMARY SCHOOL (5688) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Warton Road and Forest Lakes Drive, north west along Forest Lakes Drive (both sides included) to Murdoch Road, north west along Murdoch Road (south side included) to Yale Road, south west along Yale Road (both sides included) to Garden Street, south east along Garden Street (north east side included) to Warton Road and north east along Warton Road (north side included) to Forest Lakes Drive.

FORRESTDALE SOUTH WEST PRIMARY SCHOOL (planning name only) (5854) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Armadale Road and Nicholson Road, east along Armadale Road (north side included) to the locality boundary between Forrestdale and Piara Waters, generally north, north east and north west along this locality boundary to Skeet Road, south west along Skeet Road (south east side included) to Gypsum Avenue, north west along Gypsum Avenue (south west side included) to Sandstone Promenade, south along Sandstone Promenade (east side included) to Slate Way, west along Slate Way (south side included) to Nicholson Road, south west across Nicholson Road to the footpath leading to Macadamia Loop, west along the footpath (south side included) to Macadamia Loop, north and west along the northern arm of Macadamia Loop (south side of this arm included) to Doryanthes Avenue, north along Doryanthes Avenue (west side included) to Mason Road, west along Mason Road (south side included) to Grasby Way, south and west along Grasby Way (south side included) to Magdalen Loop, south and west along Magdalen Loop (east and south sides included) to a point due east of the cul-de-sac of Chavez Close, west from this point to the cul-de-sac of Chavez Close, south west along Chavez Close (south east side included) to Piara Drive, north west along Piara Drive (south west side included) to Wellman Avenue, south west along Wellman Avenue (south east side included) to Wadham Link, north west along Wadham Link (south west side included) to Medawar Loop, west and north west along Medawar Loop (south west side included) to Kellogg Drive, south west and west along Kellogg Drive (south east and south sides included) to Wright Road, north east along Wright Road (west side included) to the proposed McGibbon Street (located opposite the junction of Wright Road and Worcester Bend), west along McGibbon Street (south side included) to the proposed Yelverton Street, west along Yelverton Street (south side included) and its western extension to Warton

Road, north east along Warton Road (west side included) to Jandakot Road, north west along Jandakot Road (south side included) to the junction with Fraser Road, south from this junction to the junction of Armadale Road and Liddelow Road and south east along Armadale Road (north side included) from the latter junction to Nicholson Road.

HARRISDALE PRIMARY SCHOOL (5842) (Jul17)

The following will define the local-intake area of this school from 2018—

From the intersection of Ranford Road and Warton Road, south east along Ranford Road (south west side included) to Anstey Road, south west along Anstey Road (north west side included) to Armadale Road, west along Armadale Road (north side included) to the locality boundary between Forrestdale and Piara Waters, generally north, north east and north west along this locality boundary to Skeet Road, south west along Skeet Road (north west side included) to Gypsum Avenue, north west along Gypsum Avenue (north east side included) to Sandstone Promenade, south along Sandstone Promenade (west side included) to Slate Way, west along Slate Way (north side included) to Nicholson Road, generally north along Nicholson Road (east side included) to Warton Road, and north east along Warton Road (south east side included) to Ranford Road.

HUNTINGDALE PRIMARY SCHOOL (5598) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Warton Road and Gay Street, north east along Warton Road (south east side included) to Corfield Street, south east along Corfield Street (south side included) to the Southern River, generally south along the Southern River to Southern River Road, south west along Southern River Road (north west side included) to Gay Street and north west along Gay Street (north east side included) to Warton Road.

LAKELANDS PRIMARY SCHOOL (5837) (Jul17)

The following will define the local-intake area of this school from 2018—

From a point on both Mandurah Road and the local government boundary between City of Mandurah and City of Rockingham, south along Mandurah Road (east side included) to the junction with Catalina Drive, south east along the proposed road between Mandurah Baptist College and the petrol station to Mandjoogoordap Drive, north east along Mandjoogoordap Drive (west side included) to the Kwinana Freeway, north east along the Kwinana Freeway (west side included) to the local government boundary between City of Mandurah and City of Rockingham and west along this local government boundary to Mandurah Road.

MALVERN SPRINGS PRIMARY SCHOOL (5827) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Bordeaux Lane and Farnborough Parkway, north along Farnborough Parkway (west side included) to Putley Road, west along Putley Road (south side included) to Delapre Drive, north along Delapre Drive (west side included) to Stanbury Crescent, west and north west along Stanbury Crescent (south and south west sides included) to Banrock Drive, south west along Banrock Drive (south east side included) to Dalgarp Way, north west along Dalgarp Way (west side included) and continuing north west along the extension of Dalgarp Way to Maralla Road, west along Maralla Road (both sides excluded) to the proposed route of the Perth-Darwin Highway, south west along the proposed route of the Perth-Darwin Highway to a point due north of the middle of the Transit Corridor on Farmaner Pathway, south west along the middle of this Corridor to Galatea Pass, south east along Galatea Pass (both sides excluded) to The Broadway, generally east along The Broadway (north side included) to Maffina Parade, east and north along Maffina Parade (north and west sides included) to Bordeaux Lane and east along Bordeaux Lane (north side included) to Farnborough Parkway.

MARGARET RIVER PRIMARY SCHOOL (5287) (Jul17)

The following will define the local-intake area of this school from 2018—

From a point on the Indian Ocean coastline on the western extension of Ellen Brook Road, generally east along Ellen Brook Road (south side included) to Caves Road, south along Caves Road (west side included) to Palandri Road, east along Palandri Road (south side included) and its eastern extension to the junction of Bussell Highway and Tanah Merah Road, east along Tanah Merah Road (south side included) and its eastern extension to Wurring Road, north along Wurring Road (east side included) to Whyte Road, east along Whyte Road (south side included) to Black Road, east from this junction to the junction of Jacka Road and Cane Brake Road, east along Cane Brake Road (south side included) to Crossing Road, east along Crossing Road (south side included) to Great North Road, south along Great North Road (west side included) to George Road, generally west along George Road (north side included) to the Margaret River in the Rapids Conservation Park, generally west along the Margaret River to a point near the northern end of the unmade section of Darch Road, south along the alignment of Darch Road to a point on the south eastern extension of the southern arm of Lantana Lane, north west from the Darch Road alignment to Lantana Lane, northwest along Lantana Lane (north east side included) to Greenwood Avenue, south west along Greenwood Avenue (north west side included) to Charles Hine Avenue, south west and west along Charles Hine Avenue (north west side included) to Woodard Avenue, south along Woodard Avenue (west side included) to John Archibald Drive, west along John Archibald Drive (north side included) to Boodjidup Road, south west along Boodjidup Road (north west side included) to Exmoor Drive, continuing south west along Boodjidup Road (both sides excluded, and excluding both sides of Walker Place) to Caves Road,

north along Caves Road (west side excluded) to Blackboy Hollow Cave Road, northwest and west along Blackboy Hollow Cave Road (southwest and south sides excluded) and its western extension to the Indian Ocean coastline and north along the coastline to a point on the western extension of Ellen Brook Road.

MEADOW SPRINGS NORTH PRIMARY SCHOOL (planning name only) (5855) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Mandurah Road and Watersun Drive, west along Watersun Drive (both sides excluded) to Riana Place, west along Riana Place (both sides excluded) and its western extension to the Indian Ocean coastline, north along the coast line to a point on both the Indian Ocean coastline and the local government boundary between the City of Mandurah and the City of Rockingham, east along this local government boundary to Mandurah Road, south along Mandurah Road (west side included) to the junction with Catalina Drive, south east along the proposed road between Mandurah Baptist College and the petrol station to Mandjoogoordap Drive, south along Mandjoogoordap Drive (west side included) to a point on the eastern extension of the lot boundary between 44 Ellinwood Loop and 46 Ellinwood Loop, west along this extension and west along the lot boundary between 44 Ellinwood Loop (excluded from this local-intake area) and 46 Ellinwood Loop (included within this local-intake area), west along the northern arm of Ellinwood Loop (north side included) to Grandmere Parade, continuing west along Grandmere Parade (north side included) to the underpass linking the northern and southern fairways of the golf course, south and south west along the southern fairways to Meadow Springs Drive, north west along Meadow Springs Drive (north side included) to Mandurah Road and south along Mandurah Road (west side included) to Watersun Drive.

MEADOW SPRINGS PRIMARY SCHOOL (5828) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Mandurah Road and Meadow Springs Drive, south along Mandurah Road (east side included) to the junction with Mandjoogoordap Drive, north east along the railway line to Gordon Road, east along Gorgon Road (north side included) to Lakes Road, continuing east along Lakes Road to the Serpentine River, generally north along the Serpentine River to the local government boundary between the City of Mandurah and the City of Rockingham, north west, south and west along this local government boundary to the Kwinana Freeway, south west along the Kwinana Freeway (south east side included) to Mandjoogoordap Drive, south west along Mandjoogoordap Drive (south east side included) to a point on the eastern extension of the lot boundary between 44 Ellinwood Loop and 46 Ellinwood Loop, west along this extension and west along the lot boundary between 44 Ellinwood Loop (included in this local-intake area) and 46 Ellinwood Loop (excluded from this local-intake area), west along the northern arm of Ellinwood Loop (south side included) to Grandmere Parade, continuing west along Grandmere Parade (south side included) to the underpass linking the northern and southern fairways of the golf course and south and south west along the southern fairways to Meadow Springs Drive and north west along Meadow Springs Drive (south side included) to Mandurah Road.

PIARA WATERS PRIMARY SCHOOL (5829) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Nicholson Road and Warton Road, south east and south along Nicholson Road (west side included) to the junction with Slate Way, south west from this junction across Nicholson Road to the footpath leading to Macadamia Loop, west along the footpath (north side included) to Macadamia Loop, north and west along the northern arm of Macadamia Loop (north side of this arm included) to Doryanthes Avenue, north along Doryanthes Avenue (east side included) to Mason Road, west along Mason Road (north side included) to Grasby Way, south and west along Grasby Way (north side included) to Magdalen Loop, south and west along Magdalen Loop (west and north sides included) to a point due east of the cul-de-sac of Chavez Close, west from this point to the cul-de-sac of Chavez Close, south west along Chavez Close (north west side included) to Piara Drive, north west along Piara Drive (north east side included) to Wellman Avenue, south west along Wellman Avenue (north west side included) to Wadham Link, north west along Wadham Link (north east side included) to Medawar Loop, west and north west along Medawar Loop (north east side included) to Kellogg Drive, south west and west along Kellogg Drive (north west and north sides included) to Wright Road, north east along Wright Road (east side included) to the proposed McGibbon Street (located opposite the junction of Wright Road and Worcester Bend), west along McGibbon Street (north side included) to the proposed Yelverton Street, west along Yelverton Street (north side included) and its western extension to Warton Road, north east along Warton Road (east side included) to Jandakot Road, north west along Jandakot Road (north side included) to the junction with Fraser Road, north east along Fraser Road (south east side included) to Account Road, south east along Account Road (south west side included) to Nicholson Road and south along Nicholson Road (west side included) to Warton Road.

RANFORD PRIMARY SCHOOL (5764) (Jul17)

The following will define the local-intake area of this school from 2018—

From the intersection of Ranford Road and Campbell Road, south west along Campbell Road (north west side included) and its south westerly extension to Nicholson Road, south along Nicholson Road (west side included) to Account Road, north west along Account Road (north east side included) to Fraser Road, south west along Fraser Road (west side included) to a point where the south east extension of the north west/south east runway of Jandakot airport intersects with Fraser Road, north west along this extension to the runway and north east along the south west extension of Johnston Road, and Johnston Road (both sides included) to the junction with Account

Road, and continuing north along Johnston Road to Leeming Road, west along Leeming Road (both sides included) to Roe Highway, north east along Roe Highway to South Street, south east along South Street (south side included) and continuing south east along Ranford Road (south west side included) to the intersection with Campbell Road.

The following defines an optional area between Ranford Primary School and Campbell Primary School—

From the intersection of Ranford Road and Warton Road, south west along Warton Road (north side included) to Nicholson Road, north along Nicholson Road (east side included) to the street entrance to Hakea Prison, north east to Waterfoot Loop (with both sides of Blarney Place and Aran Close excluded), north east along Waterfoot Loop (south side included) to Campbell Road, north east along Campbell Road (south side included) to Ranford Road and south east along Ranford Road (west side included) to Warton Road.

RAPIDS LANDING PRIMARY SCHOOL (planning name only) (5852) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction of Bussell Highway and John Archibald Drive, east along John Archibald Drive (south side included) to Woodard Avenue, north along Woodard Avenue (east side included) to Charles Hine Avenue, north east along Charles Hine Avenue (southeast side included) to Greenwood Avenue, northeast along Greenwood Avenue (southeast side included) to Lantana Lane, southeast along Lantana Lane (southwest side included) and southeast along the extension of Lantana Lane to the alignment of Darch Road, north along the alignment of Darch Road and its extension to the Margaret River, generally east along the Margaret River to George Road in the Rapids Conservation Park, east along George Road (south side included) to the Great North Road, south along Great North Road (west side included) to the Blackwood River, generally west along the Blackwood River to the bridge carrying Warner Glen Road over the Blackwood River, west from this bridge to the junction of Hinton Road and Holland Road, generally west along Holland Road (north side included) to the junction with Bussell Highway, west from this junction to Boulter Road, south and west along Boulter Road (west and north sides included) to the junction with Caves Road, west from this junction to the junction of Formation Road and Hooley Road, generally west from this junction to the Indian Ocean coastline and north along the coastline to a point on the western extension of Blackboy Hollow Cave Road, east along this extension from the coastline to Blackboy Hollow Cave Road, east and south east along Blackboy Hollow Cave Road (south and southwest sides included) to Caves Road, south along Caves Road (west side included) to Boodjidup Road, north east along Boodjidup Road (both sides included, and both sides of Walker Place included) to Exmoor Drive, continuing north east along Boodjidup Drive (south east side included) to the junction with Bussell Highway and John Archibald Drive.

SOUTHERN RIVER PRIMARY SCHOOL (planning name only) (5856) (Jul17)

The following will define the local-intake area of this school from 2018—

From the junction Warton Road and Gay Street, south west along Warton Road (south east side included) to Shreeve Road, south east across bushland to the junction of Holmes Street and Harpenden Street, south through the swamp to the junction of Balfour Street and Didcot Street, south east along Didcot Street (north east side included) to the junction with Castlewood Parkway, south from this junction through Park Lake to the junction of Castlewood Parkway and Reflections Road, south east along Reflections Road (north east side included) and continuing south east along the south east extension of Reflections Road to Southern River Road, south to the junction of Matison Street and Furley Road, south west along Matison Street (south east side included) to Ranford Road, south east along Ranford Road (north east side included) to the Tonkin Highway, north east along Tonkin Highway (north west side included) to the Wungong Brook, generally north west along Wungong Brook to the Southern River, generally north west along the Southern River to Southern River Road, south west along Southern River Road (south east side included) to Gay Street and north west along Gay Street (south west side included) to Warton Road.

UPPER SWAN PRIMARY SCHOOL (5427) (Jul17)

The following will define the local-intake area of this school from 2018—

From the railway bridge over the Ellen Brook, south along the Ellen Brook to the Swan River, south along the Swan River to a point on the western extension of Logue Road, east from this point to the junction of Logue Road and Railway Parade, east along Logue Road (both sides excluded) and its easterly extension to Susannah Brook, east along Susannah Brook to the locality boundary between Millendon and Red Hill, east and north along the locality boundary between Millendon and Red Hill to the locality boundary between Baskerville and Red Hill, east and north along the locality boundary between Baskerville and Red Hill to the locality boundary between Baskerville and Gidgegannup, north along the boundary between Baskerville and Gidgegannup to the locality boundary between Brigadoon and Gidgegannup, north along the locality boundary between Brigadoon and Gidgegannup to the locality boundary between Brigadoon and Walyunga National Park, west along the southern boundary of Walyunga National Park to the south west corner of the Park, north along the western boundary of the Park to Walyunga Road, west along Walyunga Road (both sides excluded) to Great Northern Highway, south west to the junction of Ellenbrook Road and Maralla Road, west along Maralla Road (both sides excluded) to the railway line and south along the railway line to the railway bridge over the Ellen Brook.

The following defines an optional area between Herne Hill Primary School and Upper Swan Primary School—

From the Swan River, east along Padbury Avenue (both sides included) to Range Road, north along Range Road (both sides included) and the locality boundary between Millendon and Red Hill to Susannah Brook, west along Susannah Brook to the eastern extension of Logue Road, west along this extension and along Logue Road (both sides included) to and across the railway line and along the western extension of Logue Road to the Swan River, and south along the Swan River to the western extension of Padbury Avenue.

WELLARD WEST PRIMARY SCHOOL (planning name only) (5851) (Jul17)

The following defines the local-intake area of this school from 2018—

SCHOOL EDUCATION ACT 1999**DECLARATION OF LOCAL-INTAKE AREAS FOR SCHOOLS
WITH SECONDARY STUDENTS**

(Pursuant to Sections 60, 78, 79 and 80)

The Hon. Minister for Education has declared that the local-intake areas for the schools listed hereunder shall be as stated in this notice. Children of compulsory school age who reside within the local-intake areas stated shall be entitled to attend the schools to which such local-intake areas apply if there is an appropriate educational program for them at that school. Children who reside outside these local-intake areas may apply to attend the schools to which such local-intake areas apply.

SHARYN O'NEILL, Director-General of Education.
