CONSERVATION AND LAND MANAGEMENT ACT 1984

AMENDMENTS TO THE EIGHTY MILE BEACH MARINE PARK MANAGEMENT PLAN 2014-2024, MANAGEMENT PLAN NO. 80.

The Conservation and Parks Commission and the Department of Biodiversity, Conservation and Attractions advise that proposed amendments to the *Eighty Mile Beach Marine Park Management Plan 2014-2024, Management Plan No 80*, are available for public comment.

Minor amendments to the *Eighty Mile Beach Marine Park Management Plan 2014-2024, Management Plan No. 80* are required to reflect the completion of Indigenous Land Use Agreements (ILUAs) and Joint Management Agreements (JMAs) with all four traditional owner groups. At the time that the management plan was finalised and released, ILUAs and JMAs had only been negotiated with two of the four traditional owner groups. ILUAs have since been registered and JMAs finalised for the remaining two groups and intertidal areas have been incorporated into the marine park. Several minor amendments to the management plan are required to reflect these developments.

The closing date for submissions is 22 February 2018.

The proposed amendments may be viewed and downloaded via—
