WATER SERVICES ACT 2012

EXEMPTION NOTICE

Exemption for Hamersley Iron Pty Ltd for the provision of a non-potable water service in Dampier
In accordance with section 7 of the *Water Services Act 2012*, the Hon Dave Kelly MLA, Minister for Water, has granted an exemption from the application of section 5(1) of the Act to Hamersley Iron Pty Ltd for the provision of a non-potable water service in Dampier.

The exempted water service involves the supply of treated wastewater, sourced from the Dampier Wastewater Treatment Plant, to third parties for the purpose of non-agricultural irrigation.

The exemption will come into effect on the day it is published in the *Government Gazette* and is valid for an indefinite period.

Summary of the reasons for the decision

Granting this exemption is not contrary to the public interest. It is considered that—

- The risk of Hamersley Iron Pty Ltd exploiting its monopoly power, with respect to the provision of this service, is low. The service is operated on a not-for-profit basis, for the benefit of the community.
- The regulatory burden imposed by licensing this water service would be disproportionately high given the small scale of the service.
- The service will reduce reliance on scheme water for the irrigation of ovals and gardens.
