PLAN 2016: UUNGUU, BALANGGARRA, MIRIUWUNG GAJERRONG AND
WILINGGIN MANAGEMENT AREAS, MANAGEMENT PLAN 89

The Conservation and Parks Commission and the Department of Biodiversity, Conservation and Attractions advise that amendments proposed to the *North Kimberley Marine Park Joint Management Plan 2016: Uunguu, Balanggarra, Miriuwung Gajerrong and Wilinggin Management Areas* are available for public comment.

One proposed amendment comprises modification to Table 5 of the management plan to remove caveat 'e' with regard to the activity of dredging and dredge spoil dumping in general use zones. Caveat 'e' states that '*activities permitted if activity is shown to be compatible with the specified purpose of the zone. Only small scale dredging for the purpose of public access and safety will be considered*'. The amendment is required because dredging is permitted in general use zones, subject to appropriate environment approvals.

The other amendments are required to update the plan to reflect joint management with the Balanggarra Aboriginal Corporation. At the time of gazettal of the management plan, formal joint management had not been negotiated with any of the traditional owner groups. Since then, a Joint Management Agreement has been signed between Parks and Wildlife and Balanggarra Aboriginal Corporation on 17 December 2016 enabling formal joint management to commence in Balanggarra Country.

The closing date for submissions is 17 August 2018.

The proposed amendments may be viewed and downloaded via <https://www.dbca.wa.gov.au/parks/management-plans/draft-plans-open-for-public-comment>

Submissions can be made by written response directed to—
