(3) Subclause (1) applies once in connection with the surrender of any licence.

Pursuant to the powers contained in Section 33 of the *Bush Fires Act 1954*, you are hereby required on or before the 1st day of October 2018, or within fourteen (14) days of your becoming owner or occupier of land, should this be after the 1st day of October 2018, to clear fire breaks and remove inflammable materials from the land owned or occupied by you as specified in this Notice. You are required to have the specified land and fire breaks cleared of all inflammable materials from, but not limited to, the 1st October 2018 up to the 31st March 2019.

Persons who fail to comply with this Notice may be issued with an infringement (modified penalty \$250) or prosecuted with an increased penalty up to \$5000. A person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this Notice, if it is not carried out by the owner or occupier by the date required by this Notice.

If it is, for any reason, impractical to clear fire breaks or remove inflammable material as required by this Notice, you may apply to Council, not later than the 1st October 2018, for permission to provide fire breaks in alternative positions or take alternative action to remove or abate the fire hazard. If permission is not granted by Council, you must comply with the requirements of this Notice.

Landowners should note that restrictions exist on clearing native vegetation under other legislation. Clearing should be limited to the extent necessary to comply with this notice. If your property has an approved Fire Management Plan (FMP) then you are to comply with the requirements of that plan in full.
