1. All land which is 2000m² or less in area—
 - Remove inflammable matter from the whole of the land, except living trees and shrubs; plants under cultivation and lawn, by means of ploughing, cultivating or slashing to a height of no more than 50mm.

METROPOLITAN REGION SCHEME MINOR AMENDMENT 1346/57

Lots 705-708 Armadale Road, Treeby
Call for Public Submissions

The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the local government area of Cockburn.

This amendment proposes to rezone approximately 47.68 ha of land in the Treeby locality from the Rural-Water Protection zone to the Urban zone under the MRS, minor rationalisation of Bush Forever site 390 (addition: 1.79 ha and removal: 0.30 ha) and reserve 0.52 ha as Primary Regional Roads (includes Water Catchments reservation adjustment) associated with Armadale Road.

The amendment will allow for the residential development of the subject land, following a local scheme amendment, structure planning and subdivision approval, as outlined in the Western Australian Planning Commission amendment report.

The WAPC certifies that, in its opinion, the proposed amendment does not constitute a substantial alteration to the MRS.
