2. Jurisdiction

2.1 The Scheme applies in New South Wales in accordance with the Act.

2.2 In addition to New South Wales, the Scheme is intended to operate in Victoria, Queensland, South Australia, Western Australia, Tasmania, the Northern Territory and the Australian Capital Territory in accordance with the professional standards legislation of those states and territories and subject to the requirements of that legislation (‘the corresponding laws’), so that references to a provision of the Act, the application of the Scheme to a liability, the limit of a liability under the Act or what constitutes Occupational Liability are intended to pick up the relevant provisions of the corresponding laws, applied mutatis mutandis, to the extent that is necessary for the application of the Scheme in any of those jurisdictions as an interstate scheme.

2.3 Notwithstanding anything to the contrary contained in this Scheme if, in particular circumstances giving rise to occupational liability, the liability of any person who is subject to this Scheme is capped both by this Scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the corresponding law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

3. Persons to whom the Scheme applies

3.1 The Scheme applies to—

- 3.1.1 Full Members who hold a current Australian Practising Certificate who are not excluded or exempted under clauses 3.2 or 3.3 of the Scheme;
- 3.1.2 Incorporated Legal Practice Members who are not exempted under clause 3.3 of the Scheme;
- 3.1.3 all persons to whom the scheme applies, by virtue of ss. 18, 19, 20 or 20A of the Act;²
- 3.1.4 all persons to whom clause 3.1.1 applied at the Relevant Time but no longer applies;
- 3.1.5 all persons to whom clause 3.1.2 applied at the Relevant Time but no longer applies.

3.2 A person referred to in clause 3.1 does not include a person who is a corporate legal practitioner or a government legal practitioner.

3.3 A person referred to in clause 3.1 may, on application, be exempted from participation in the Scheme by the Law Society Council with effect from the date specified by the Law Society. This clause does not apply to persons to whom the Scheme applies by virtue of ss. 18, 19, 20 or 20A of the Act.

3.4 The Law Society Council may, upon application by an Exempted Member, revoke an exemption of that person from participation in the Scheme with effect from the date specified by the Law Society Council.

¹ Section 5(1) of the Act provides that the Act does not apply to liability for damages arising from the death of or personal injury to a person; a breach of trust or fraud or dishonesty. Section 5(2) of the Act also provides that the Act does not apply to liability which may be the subject of proceedings under Part 14 of the *Real Property Act 1900*.

² Sections 18 and 19 of the Act provide that if the Scheme applies to a body corporate, the Scheme also applies to each officer of the body corporate and if the Scheme applies to a person, the Scheme also applies to each partner of that person, and if the Scheme applies to a person, the Scheme also applies to each employee of that person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 20 provides that the Scheme also applies to other persons prescribed by the regulations for the purposes of section 29 (4) as being associated with persons to whom a scheme applies. Section 20A extends the limitation of liability of persons to whom the Scheme applies by virtue of sections 18 to 20.

4. Limitation of liability

4.1 The Scheme limits the Occupational Liability of a Participating Member for damages³—

4.1.1 arising from a single cause of action founded on an act or omission in relation to the provision of legal services; and

4.1.2 to the extent those damages exceed the amounts specified in the table in clause 4.4.

4.2 If a Participating Member against whom a proceeding relating to Occupational Liability is brought is able to satisfy the Court that—

4.2.1 the Participating Member has the benefit of an insurance policy or policies insuring him or her against the Occupational Liability to which the cause of action relates; and

4.2.2 the amount payable under the policy or policies in respect of that Occupational Liability⁴ is not less than the amount of the monetary ceiling (maximum amount of liability) specified in clause 4.4 as applying to such Participating Member to which the cause of action relates—

the Participating Member is not liable for damages in relation to that cause of action above the amount of that monetary ceiling.

4.3 For the purposes of section 26 of the Act, the Scheme only affects a liability for damages arising from a single cause of action to the extent to which the liability results in damages exceeding the applicable monetary ceiling set out in clause 4.4 below.

4.4 The monetary ceiling (maximum amount of liability) applicable for the purposes of limitation of liability under the Scheme at the Relevant Time is to be determined according to the following table—

Class	Description	Monetary ceiling (Maximum amount of liability)
1	Participating Members who were at the Relevant Time in a Law Practice consisting of up to and including 20 Principals and where the Law Practice generates total annual fee income for the financial year at the Relevant Time up to and including \$10m.	\$1.5 million
2	(a) Participating Members who were at the Relevant Time in a Law Practice consisting of more than 20 Principals; or (b) Participating Members who were at the Relevant Time in a Law Practice where the Law Practice generates total annual fee income for the financial year at the Relevant Time greater than \$10m.	\$10 million

5. Conferral of discretionary authority

5.1 The Law Society Council has discretionary authority, on application by a Participating Member, to specify in relation to the Participating Member, a higher maximum amount of liability than would otherwise apply under the Scheme in relation to him or her either in all cases or in any specified case or class of case.

5.2 If, in the exercise of discretion under clause 5.1, the Law Society Council has specified a higher maximum amount of liability than would otherwise apply under the Scheme in relation to a Participating Member, after satisfying itself that there is evidence of top up Professional Indemnity Insurance commensurate with the higher maximum amount of liability sought, then the maximum amount of liability in relation to that Participating Member is that higher maximum amount.

6. Duration

6.1 This Scheme will commence in New South Wales, Victoria, Queensland, Western Australia, Tasmania, and the Northern Territory on 22 November 2018.

6.2 In the Australian Capital Territory and in South Australia, the Scheme will commence—

6.2.1 on the date provided for in the Minister's notice in relation to the Scheme, if a date is provided; or

6.2.2 on the first day two months after the day on which notice was given, in any other case.

³ Damages as defined in section 4 of the Act means—

(a) damages awarded in respect of a claim or counter-claim or by way of set-off; and

(b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); and

(c) any interest payable on the amount of those damages or costs.

⁴ Section 4(1A) of the Act provides that a reference in the Act “to the amount payable under an insurance policy in respect of an occupational liability includes a reference to—

(a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for the time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and

(b) the amount payable under or in relation to the policy by way of excess.”

However, see also section 26A of the Act and its note, which has the effect that section 4 (1A) does not reduce the cap on the liability of the Participating Member to the client.

6.3 This Scheme will be in force for five years from its commencement in New South Wales.

6.4 For any other jurisdiction, the Scheme will be in force for—

6.4.1 five years from the date of commencement in that jurisdiction; or

6.4.2 five years from the date of commencement in New South Wales;

whichever period ends first.

6.5 Clauses 6.3 and 6.4 are subject to the provisions of each jurisdiction applicable to the revocation, extension or cessation of Schemes.
