PLANNING

PL401**PLANNING AND DEVELOPMENT ACT 2005****AMENDMENT TO THE DECLARATION OF PLANNING CONTROL AREA 122**

City of Cockburn

Armadale Road Deviation (Cockburn Central)

File: 835-2-23-11

General description

The Minister for Planning has granted approval to amend Planning Control Area 122. The planning control area has previously been declared to protect the future primary regional road reservation for the Armadale Road bridge/North Lake Road realignment and all lots severed to the south by the deviation route, as well as adjustments to account for the alignment of the Armadale Road deviation and the new North Lake bridge/Freeway interchange. The Planning Control Area is now amended to include the final design of the Armadale Road to North Lake Road bridge and future carpark requirements, as well as land required for the extension of Princep Road and Verde Drive, as shown on Western Australian Planning Commission (WAPC) plan number 1.7415/3.

Purpose

The purpose of the planning control area is to protect the future primary regional road reservation for the Armadale Road bridge/North Lake Road re-alignment and associated Princep Road and Verde Drive integrated road project. The WAPC considers that the planning control area is required over

the whole of the land to enable the land to be compulsorily taken, as funding has now been received for project works to occur.

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a planning control area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
