PLANNING

PL401

PLANNING AND DEVELOPMENT ACT 2005
DECLARATION OF PLANNING CONTROL AREA 140
Breakwater Drive Other Regional Road
City of Wanneroo

File: 835/2/30/15

General description

The Minister for Planning has granted approval to the declaration of a Planning Control Area on Breakwater Drive between Mitchell Freeway Reserve and Damepattie Drive as shown on Western Australian Planning Commission (WAPC) plans number 1.7910, 1,7911, 17912 and 1, 7913.

Purpose

The purpose of the Planning Control Area is to allow the possible future reservation of the lands for regional road purposes. This is required for upgrading Breakwater Drive in response to future increase in traffic demand in Yanchep—Two Rocks area and to provide an east-west regional road north of Reef Break Drive.

The Western Australian Planning Commission considers that the Planning Control Area is required to ensure that no development occurs on this land which may prejudice this purpose until it may be reserved for regional roads in the Metropolitan Region Scheme.

Duration and effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the WAPC with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the WAPC. The penalty for failure to comply with this requirement is \$200,000 and, in the case of a continuing offence, a further fine of \$25,000 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the WAPC in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
