PLANNING

PL401**PLANNING AND DEVELOPMENT ACT 2005****METROPOLITAN REGION SCHEME MINOR AMENDMENT 1357/57****Metropolitan Redevelopment Authority Normalisation
Midland****Call for Public Submissions**

The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the local government area of Swan.

The purpose of this amendment is to re-establish the various zones and reservations in the central districts of the MRS to zone and reserve portions of the land currently under the planning control of Development WA (formerly the Metropolitan Redevelopment Authority), pursuant to the *Metropolitan Redevelopment Authority Act 2011*.

Proposals within the amendment will facilitate the future 'normalisation' of the land, when planning control is transferred from Development WA to the WAPC and the relevant local government, and is principally an administrative process. The proposed zones and reservations are consistent with the existing land uses and Development WA's statutory planning framework for the land.

The WAPC certifies that, in its opinion, the proposed amendment does not constitute a substantial alteration to the MRS.

Display locations

The plans showing the proposed change and the WAPC's amendment report which explains the proposal, will be available for public inspection, free of charge from Tuesday 25 February 2020 to Friday 1 May 2020 at—

METROPOLITAN REGION SCHEME MINOR AMENDMENT 1361/57
City of Canning Omnibus 1
Call for Public Submissions

The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the local government areas of Canning and Gosnells.

This amendment proposes to update various zones and reservations in the Central Districts of the Perth Metropolitan Region Scheme (MRS) at the request of the City of Canning. Proposals within the amendment include small scale amendments to the region scheme which do not warrant consideration as individual amendments, the rationalisation of zones and reservations to match cadastral boundaries, updates to reflect infrastructure as constructed, and other general updates to ensure the MRS is kept up-to-date as the statutory regional plan for Perth.

The WAPC certifies that, in its opinion, the proposed amendment does not constitute a substantial alteration to the MRS.
