ALTERNATIVE ALIGNMENTS (VARIATION)

Once approval is granted, there is no need to reapply each year unless circumstances change (i.e. if there is a change of ownership then the new owner needs to reapply).

Parcels of land that are contiguously rated do not require a variation and a shared firebreak may be installed around the boundary of all these lots.

PLANTATIONS**Tree Plantations <3 Ha**

Construct a 10m wide bare earth cleared firebreak immediately surrounding the plantation (adjacent areas of the same property subject to provisions as for Rural Areas).

Plantations >3 Ha

Internal firebreaks are required to be 6m of bare earth cleared surrounding compartments of no larger than 30 Ha.

Trees must be trimmed back to provide a vertical clearance of a 4m to allow fire appliances to drive along all firebreaks.

A minimum water supply of 25,000L for every 50 Ha of plantation must be maintained with a hardstand area provided for fire appliances to park when drawing water. Water sources must be located so as to allow for a maximum refill turnaround of 20 minutes from any area in the plantation.

HARVEST/MOVEMENT OF VEHICLES BANS

A ban on harvesting and the movement of vehicles in paddocks (except for the watering of stock) is likely to be imposed when the predicted weather conditions are classified by the Bureau of Meteorology as very high or extreme.

METROPOLITAN REGION SCHEME MINOR AMENDMENT 1376/57

Metropolitan Redevelopment Authority Normalisation

Wungong

Call for Public Submissions

The Western Australian Planning Commission (WAPC) is seeking public comment on a proposal to amend the Metropolitan Region Scheme (MRS) for land in the local government area of Armadale.

The purpose of this amendment is to re-establish the various zones and reservations in the central districts of the MRS to zone and reserve portions of the land currently under the planning control of Development WA (formerly the Metropolitan Redevelopment Authority), pursuant to the *Metropolitan Redevelopment Authority Act 2011*.

Proposals within the amendment will facilitate the future 'normalisation' of the land, when planning control is transferred from Development WA to the WAPC and the relevant local government, and is principally an administrative process. The proposed zones and reservations are consistent with the existing land uses and Development WA's statutory planning framework for the land.

The WAPC certifies that, in its opinion, the proposed amendment does not constitute a substantial alteration to the MRS.

Display locations

The plans showing the proposed change and the WAPC's amendment report which explains the proposal, will be available for public inspection, free of charge from Tuesday 22 September 2020 to Friday 27 November 2020 at—

- Western Australian Planning Commission, 140 William Street, Perth
- J S Battye Library, Level 3 Alexander Library Building, Perth Cultural Centre
- Development WA, Level 3, GPO Building, Forrest Place, Perth
- City of Armadale

Documents are also available from the Department of Planning, Lands and Heritage website www.dplh.wa.gov.au/mrs-amendments.

Submissions

Any person who desires to make a submission to support, object or provide comment on any part of the proposed amendment should do so on a Form 57, which is available from the display locations, the amendment report and online.

Submissions can be lodged online at <https://consultation.dplh.wa.gov.au>, via email mrs@dplh.wa.gov.au or by post to: Secretary, Western Australian Planning Commission, Locked Bag 2506, Perth WA 6001.

Submissions close 5pm Friday 27 November 2020. Late submissions will not be considered.
